## Newsletter 1932

### *GM's Note*

This week's run was a joint run with FTAC and at first I thought harriettes were boycotting our run but slowly the members drove in and parked. I called the circle punctually because the sky was black and the rain imminent. I introduced Heather who has been running with us for a few weeks and has now become a member and she was warmly welcomed. I called Running Fire in who was the Bunny of the day and she announced that the run was medium with no checks or bars and showed us the FTAC paper to follow. The pack set off and the run was very good and wound its way up the hill to the very top. The scramble up was fairly slippery in many places and so an audible sigh of relief could be heard as runners reached the top and knew going down would be less arduous. By now the rain was torrential and the harriers eyes were popping out at the harriettes with white, transparent clinging t-shirts – you could see the unspoken thoughts of despair that some one invented the bra! The on down was really pleasant at the beginning and could be jogged but then we got to the ropes and the slipping and sliding and bum on the ground took over. We ran through the gardens and along the road still in torrential rain. At first everyone was happily chatting and eating the delicious food and generally socializing but then we realized there were runners still out and it was pitch black and heavily raining. After some time Dom, Alice and Chen came in but Night Runner was still out and alone but the general feeling was he would appear by ten. Luckily he came in twenty minutes before his deadline so no posse went out. The circle was called and we had a joint circle with FTAC. I will only note our icings as I haven't learnt the names of FTAC yet and the charges were made in Hokkien so I will have to have a translator in future! First on ice was Gangrene who was congratulated as Pi GM Then Big Willy and Hari hari mau were iced and welcomed back after their trip to Oz. Sex Bitch was iced for not being in hash attire. Mandi basah was iced as a visitor from Medan Harriettes and for doing business at the run site – she complained bitterly about the cold water. Running Fire was next on ice and she was given a good run, good site, excellent food verdict. I was then iced by Sex Bitch for ruining her social life by making her too wet to go on after hash. Alan (FTAC GM) and Gangrene (Pi GM ) were made to join me. Gangrene squashed us flat and we were thoroughly drenched in ice water. Thanks Running Fire for an excellent Thursday night. See you all next week.
