## Newsletter 1939

### VGM's Note

This week's run welcomed 2 guests (sorry no names) and a lower than expected, 31 members. They were so keen to get going they even started before the hare arrived and before I managed to call a circle, though it was after 6.00pm!!

We would like to thank Sai Seng for his run and the great food which he put together despite having to take his wife to hospital that very afternoon. We hope she recovers very soon.

**Run No.: 1938**

**Venue: D'Juice**

**Hare: Sai Seng**

**Scribe: Uncle Bee**

All work and 'No Play Play' makes one a Dull person. So I decided to Charge into the jungle after a lapse of 5 months!!

As I passed my guardhouse, I saw Puki Toh sitting on her hash chair. I asked 'You need a lift?' Her reply, Nolah! I'm waiting for Whatever.' 'Ok then, see you at the run site.'

Common runsites like D'Juice will normally attract more hashers but I was disappointed to see only a handful of them. Normal greetings were exchange and most of them are surprise to see me in full gear. 'Aren't you working tonight???' Well, the Restaurant can run by itself now and I NEED my Private Life for a change.

At 6.05pm and the hare of the day was no where to be seen, Calls were made and his reply was "On the way!" A very common Malaysian style reply!!

Within minutes, my angel arrived on his motorbike and kept apologising because he had to admit his wife into the hospital that afternoon.

Before the VGM could even call for the circle, all the "Kia losers" shouted "where is the starting trail???" 'Next to the mosque, medium run, no checks.' Some 30 odd "kia losers" then went rushing into the site as if there were "gold bars" waiting for them. The whole trail was slippery and full of machine guns and thorns. It went up down, up down, skirting until finishing at lily pond.

Our usual Night Runner came out around 7.30pm and all of us are surprise to learn that our MillionHair TT Yeoh was still struggling inside the jungle. 10minutes later, TT appeared and we shouted "You are the LAST runner out!!!!" He kept asking "Sure or Not" I shouted.....Hash Rule # 1 "Never have too much SEX the night before Hash Run!".  
Freezer Bill 'Clinton" added "Especially with YOUNG Wife!!!!"

Many Thanks to my angel for serving my favourite chicken meal.....On...On

(contact Justbeer)

If you have any requests/articles/information to give the members please contact me.

As you can see the Hareline is published for the year. To complete it, we do need to have your venues as soon as possible especially for the coming runs 143-150. However I would like ALL sooner rather than later. We also have a gap on August 6<sup>th</sup>. Can we have a volunteer to fill this space otherwise we will have to move everyone forward one week to fill the gap.

Just to remind you all that we have reverted to the Bunny/Hare of the day in providing plates/cutlery etc. If you still want to use your own PLEASE do so.

If you have a problem setting your run please contact a member of the committee.

We had a short circle this week to thank our hare of the day Sai Seng and then our new Choir Mistress Edna handed out the hymn sheets again and led us in some old classic hash songs. A gutsy performance was heard around the neighbourhood albeit not quite in unison nor in key. But it was performed with ENTHUSIASM by the members present and with great enjoyment. We hope to be doing more of this so that we can all learn some new hash songs and have a good time doing it. If you have any favourites, please let me or Edna have them.

Here are some more photos of our members. Come and join them!!!!!!!!!!!!!!

**THE HARE for the DAY!!!

## ***Funny Stuff!!!!***

**A husband walks into Victoria's Secret to purchase sheer lingerie for his wife. He is shown several possibilities that range from \$250 to \$500 in price; the more it is sheer, the higher the price!**

**He opts for the one that is most sheer, pays the \$500 and takes the lingerie home where he presents it to his wife and asks her to go upstairs, put it on and model it for him.**

**Upstairs, the wife thinks, "I have an idea. It's so sheer that it might as well be nothing. I won't put it on I'll do the modelling naked, return it tomorrow and keep the \$500 refund for myself."**

**So she appears naked on the balcony and strikes a pose!**

**The husband says, "Good Lord! You'd think that for \$500, they'd at least iron it!"**

**He never heard the shot!! The funeral is on Thursday!!**
