GM'S notes

Hi Everyone,

What a magnificent turnout for the Lantern Run – 58 members and over 100 guests and a fair size crowd of children. Many thanks to all the support given by our members and a special thank you to all the hashers from other chapters and guests that came it made a great party crowd!

I would also like to thank Edna, Just Beer, Anjalai and Rosie for all their efforts not just at the run but behind the scene as well.

At the circle the runners were told the run was short, on hikers' trails and there were no bars or checks.

Whilst the runners were out Anjalai, Rambo, Rose, Molly and Ma helped the children light their lanterns and took them for a short safe walk. Some of the very young ones were extremely excited. When they returned Ma dished out the orange juice. Anjalai, Sylviane and Rambo then organized the games and were assisted by the same group of ladies. Many of the mothers were also helping their own children. Although some of the children were shy and reluctant to join in they soon unfroze and got into the swing of things and a great deal of fun was had.

The run started up the pipe line but did not go up the first available hill but straight ahead under the pipe and then over two streams. The real climb then began and continued until Number 5 was

reached. The hares decided that all the hashers would head straight down the road so we might as well lay the paper that way. We soon turned off to the right and started the on down. Instead of going straight down we turned to the left and went up again. There was then a stretch of night views of Georgetown and then down to the Youth Park along the concrete path. Mini Sausage thought this stretch was lethal and had a tumble – beware the concrete will now be damaged in that area! The front runner took an hour so a reasonable length for a torchlight run.

The food looked delicious – Pork ribs, mee, beehoon, spring rolls, nyonya kueh, rice, salted fish curry and chocolate cake. My heart sank a bit because it did not look enough to feed the vast crowd but Akz Hole reassured me his car was filled with more bowls of mee and beehoon. When everyone was replete Just Beer was dishing out doggy bags so in the end there was more than enough food! Many thanks to Alexis, Alice and Ah Nee for their contributions to the feast as well.

We had decided in advance that with so many children around, the circle, with its colourful language and sexual content was not appropriate for the occasion but everyone was happy sitting around drinking and socializing.

A very good Hash House Harriets Penang event.

See you all next week.

Funny Stuff!!!!

Harry and his wife are having hard financial times, so they decide that she'll try being a hooker. She's not quite sure what to do, so Harry says, "Stand in front of that bar and pick up a guy. Tell him you charge a hundred dollars. Any questions and I'll be parked around the corner."

She stands outside the bar for about five minutes showing her leg, when a guy pulls up and asks "How much?"

She says "A hundred dollars."

He replies "All I got is thirty."

She says, "Hold on," and runs back to Harry and asks.

"What now. What can he get for thirty?"

"A hand job," Harry replied.

She runs back and tells the guy all he gets for thirty dollars is a hand job.

He agrees and she gets in the car.

He unzips his trousers, and out pops this **HUGE** willy.

She stares at it for a few seconds, then says, "I'll be right back."

She runs back to Harry.

"What's wrong?" he asks.

"Any chance you could lend this guy seventy dollars?"

Indian and Cat food

An Indian goes to Australia and goes to Woolworths. He finds cat food at special prices. He picks a dozen cans of cat food and goes to cashier counter. The Manager gets suspicious. He thinks that this guy cannot have a cat, and will probably feed cat food to his kids. He asks the Indian to show him his cat before he could let him have cat food. The Indian goes and returns with a cat and gets to buy the cat food.

Next week the Indian finds dog food at special prices. He picks a dozen cans of dog food and goes to cashier counter. The Manager again gets suspicious.. He thinks that this guy has a cat but he cannot have a dog, and he will probably feed dog-food to his kids. He asks the Indian to bring and show him

the dog before he can let him have dog food. The Sardar goes home and returns with a dog. He gets to buy the dog food.

Next week the Indian comes to Woolworths with a bag. He asks the manager to put his hand in the bag. The Manager puts his hand in the bag, feels something slimy and immediately takes it out. He shouts at the Indian, What the ** is this? Is this shit you Idiot?**

The Indian calmly replies, "Yes, and I want to buy toilet paper."
