GM'S notes

Hi Everyone,

A very small crowd (the stalwart few!), of 23 members, gathered at the run site for Michael Longhair's run at Paya Terubong. The run site was surrounded by unprepossessing ancient, low cost apartments – they must have been the first ever built in Penang.

When the circle was called we had two guests, Golden Cock and Len (ex PH3). Welcome back White Lion, good to see you. Michael told us there were three bars and three checks and we needed to watch out for deep drops in the rocky areas, to keep off the farmers' crops and to be calm and not run when the yapping dogs appeared. It all sounded very ominous.

Off we went behind Mini Sausage up the road by the dirtiest apartment blocks I have ever seen, on to a concrete path that was almost vertical and terminated at a Chinese Temple. Here various people were sitting on comfy chairs watching TV. They were not at all phased to see the hash tramp by them straight through the centre of the temple. I guess religion is more an integral part of life here rather than the Christian, Sunday tack on.

Behind the temple we found the paper and we continued clambering up the slope and running along ridges. The run proceeded across open ground, over rocks, across two skinny branches balanced over a deep cavern, through trees, down concrete paths and slippery slopes. Every now and then we were presented with staggering views that made us appreciate just how beautiful Penang is.

We were back in the light and no one got lost.

We had a short circle. Michael was iced first as a reward for setting the best Thursday run for weeks, providing tasty food and finding a different location. Second on ice was GM who was charged with it being the second week running that she had put up the value of wine shares and then she was given a delicious birthday cake. Many thanks everyone for your good wishes.

Thanks Michael for another fantastic Thursday evening.

See you all next week. On On...

Our good friends the FTAC are having their 10th Anniversary run on 6th March 2010. See [Invitation Runs](#) for further details.

And talking of forthcoming runs, several Harriet members took part in the Penang Bridge Fun Run on the 22nd November (today). It was a 10 Km 'run' which was a part of the Penang Bridge Marathon occasion. It was a great chance to publicise our upcoming 2000th Run. So these daring devils had a banner made and then carried it the whole 10 Km. As there were about 10,000 people doing the fun run we got some fantastic exposure and even had possible participants asking for registration forms whilst on the run!!! Since there were also TV and newspapers cameras all over the place it is hoped the hard work has not gone to waste. At the end of the run some of the members were even interviewed on camera!! Stars in the making??? We also give our many congratulations to Suaran (By Pass) as he completed the WHOLE marathon and that was after not doing anything for about 12 months or more. Well done Doc. That was a fantastic achievement!

You can have a look at some of the action shots below.

Funnies

A cowboy was sunbathing naked at the beach. For the sake of civility, and to keep it from getting sunburned, he had a hat over his private parts.

A woman walks past and says, snickering, "If you were a gentleman you'd lift your hat."

He raised an eyebrow and replied, "If you were sexy enough it would lift itself!!!!"

While in China, a man was very sexually promiscuous and did not use a condom all the time.

A week after arriving back home in the States, he wakes one morning to find his penis covered with bright green and purple spots. Horrified, he immediately goes to see a doctor.

The doctor, never having seen anything like this before, orders some tests and tells the man to return in two days for the results.

The man returns a couple of days later and the doctor says, 'I've got bad news for you, you've contracted Mongolian VD. It's very rare and almost unheard of here, we know very little about it.'

The man looks a little perplexed and says, 'Well, give me a shot or something and fix me up, Doc.'

The doctor answers, 'I'm sorry, there's no known cure. We're going to have to amputate your penis.'

The man screams in horror, 'Absolutely not! I want a second opinion.'

The doctor replies, 'Well, it's your choice. Go ahead, if you want but surgery is your only choice.'

The next day, the man seeks out a Chinese doctor, figuring that he'll know more about the disease. The Chinese doctor examines his penis and proclaims, 'Ah, yes, Mongolian VD. Vely lare disease.'

The guy says to the doctor, 'Yeah, yeah, I already know that but what can we do? My American doctor wants to operate and amputate my penis!'

The Chinese doctor shakes his head and laughs. 'Stupid Amelican docta, always want to opelate. Make more money dat way. No need to opelate!'

Oh, Thank God!' the man replies.

'Yes,' says the Chinese doctor, 'wait two weeks. Fawl off by itself!'
