GM'S notes

Hi Everyone,

Apologies in advance but this week's note will be very brief because my family arrived last night and I am busy doing Granny duty etc!

A reminder for all members who have not yet registered for the 2000th run - after December the 31st the fee goes up – do not pay more than you have to. Register now!!!!

Please remember it is your club's celebration and we want the members to enjoy it the most. Register with Uncle Bee, Hari Hari Mau or a committee member.

33 members and a guest were present when the circle was called. We set off across the construction site and Inspector Gadget led the way until we were on the jungle path. We then wound our way round to the pack of yapping dogs protecting the farmer's house. We then went up to the base of the hill and wound off to the right to the check. As we started to check Pussy Cat caught up and she seemed to know the area well so I followed her. The check was called up and then the run proceeded until we eventually reached the top. There was then a wonderful on down that could be jogged - a perfect Thursday night run.

I disappeared after the run as I had to collect my family from the airport.

Many thanks Union Jack and Beauty Queen for the great evening.

CIRCLE

A short circle was conducted by Justbeer in the absence of the GM. The first to be called upon the ice was Gangreen. This was not so much as a punishment but to convey our condolences on the loss of his mother-in-law (Linda's mum) during the previous week.

A charge from Sperm Whale then brought Inspector Gadget to the ice. The 'crime' was apparently decorating SW's car at some previous function, the evidence being brought with him. IG was thus decorated himself with the offending paper for his crime.

Last upon the ice were the hosts for the evening, Union Jack and Beauty Queen.

Next Thursday the run is at D'Juice. It is Helmut and Renata's run. However they are away at present. Hopefully they will arrive back in time!!

To enable the 2000th run to be exactly that, we need to get in three more runs between now and the 27th June! We are endeavouring to put in these extra runs starting early next year. They will be official numbered Harriets runs but will be on other days. We will try to make them 'fun' runs or family runs usually on the weekend. If food is to be provided we may have to ask for donations or even go 'Pot Luck'. If you have any ideas/comments on this please let me know. Please help to make them successful.

It's getting to the time of year to renew subscriptions for 2010. Please see the Hash Cash and pay as soon as possible!

This weekend some of the members went for the Rainforest Challenge at Taman Rimba. There were several runs, the hardest being of course the Challenge itself which was over 22Km long. The winner came out in 4hr 35 mins whilst the last took over 10hrs!!! Congratulations to Inspector Gadget who was 5th overall in a time of 4hrs and 48mins and thereafter, Mini Sausage and By Pass. We also had some of our friends from fellow hashes running too and many congratulations to them also, Shark, Rudu and Clarin. Those of us not fit enough for a run like that did the medium run. The whole event was well managed and we took the opportunity to advertise our 2000th run once again. Some photos are at the end of this newsletter.

Funnies

For decades, two heroic statues, one male and one female, faced each other in a city park, until one day an angel came down from Heaven.

"You've been such exemplary statues," he announced to them, "that I'm going to give you a special gift. I'm going to bring you both to life for thirty minutes, in which you can do anything you want."

And with a clap of his hands, the angel brought the statues to life.

The two approached each other a bit shyly, but soon dashed for the bushes, from which shortly emerged a good deal of giggling, laughter, and shaking of branches.

Fifteen minutes later, the two statues emerged from the bushes, wide grins on their faces.

"You still have fifteen more minutes," said the angel, winking knowingly.

Grinning even more widely, the female statue turned to the male statue and said, "Great! Only this time YOU hold the pigeon down and I'LL crap on its head."

A young unmarried girl discovers that she is pregnant. Scared, She confides this ' news' to her mother.

Shouting, cursing, crying, the mother says, "Who was the pig that did this to you? I want to know!"

The girl picks up the phone and makes a call.

Half an hour later a Ferrari stops in front of their house; a mature and distinguished man with gray hair and impeccably dressed in a very expensive suit steps out of it and enters the house.

He sits in the living room with the father, the mother and the Girl, and tells them: "Good morning, your daughter has informed me of the Problem. However, I can't marry her because of my personal family Situation, but I'll take responsibility. If a girl is born I will bequeath her 2 retail stores, a townhouse, a beach villa and a \$1,000,000 bank account. If a boy is born, my legacy will be a couple of factories and a \$2,000,000 bank account.

If it is twins, a factory and \$1,000,000 each. However, if there is a miscarriage, what do you suggest I do?"

At this point, the father, who had remained silent, places a hand firmly on the man's shoulder and tells him, "You can try again !"
