GM'S notes

Hi Everyone,

Next week is the AGM

Venue: New Car Park Youth Park

Time for female meeting: 5.30pm

Run: 6.00pm

Dinner: 8.00pm White Beach Restaurant, Burma Rd.

Please come on time ladies and make your point of view known. Male members make a huge contribution to the club so please get a lady to air your views, if you feel strongly about something. The next committee is not a foregone conclusion. It should reflect what members want.

Guest fee for the run only is RM 5 but guests wishing to attend the dinner must pay RM 25

There were 42 members and 5 guests (Anchor Lim, Handbag, Hee, Peter and.....) present at

Kim Looi's run at Air Itam Dam. We were told the run was medium and started at the playground.

As usual Goodyear and G-man led the pack out, followed closely by Spermwhale and myself. I hesitated when we went by the usual entry point but the guys in front went bounding on and I thought 'What would you know', and followed them. Needless to say, I was born in the year of the goat!

Suddenly the guys in front started faffing about and it was then crystal clear they hadn't a clue. The rest of the pack had decided that whatever we were up to, wasn't bright and they had already siphoned off. Goodyear took the road off to the left back down and then up the hill to the playground. Spermwhale and I followed , both uttering disgruntled moans.

We left the playground and entered the track which skirts around the hill. We saw paper going up a trail but when we went to follow it we realized it was the home trail and got back on the track. Not long after we found the trail which goes relentlessly to the top. Some of it was a gentle climb and some of it a steep climb but eventually we reached the bracken at the top.

We were then rewarded with a lovely winding downward jog back to the runsite.

In the circle G-man was first on ice. The charge was not knowing where the playground was but assuring everyone that he did. Next on ice was Goodyear who was charged with doing his own thing as usual and not getting on paper until we were two thirds of the way up the hill. Then Peter was iced because he became a member during the course of the evening. G-man then iced Spiky Annie for constantly pestering us to join the Moon over Penang run. Goodyear then iced GM for the heinous crime of smoking in the circle and even on the ice. Last on ice was Kim Looi , the bunny. The unanimous decision was that the run was great, the food delicious and the site marvelous.

Many thanks Kim Looi for yet another wonderful Thursday evening.

See you all next week. On on

Our sincerest condolences go to Felicia on the passing away of her Grandmother. Our thoughts are with you on this sad occasion.

Retirement Bonus

The Navy found they had too many officers and decided to offer an early retirement bonus. They promised any officer who volunteered for Retirement a bonus of \$1,000 for every inch measured in a straight line between any Two points in his body.. The officer got to choose what those two points would be.

The first officer who accepted asked that he be measured from the top of his head to the tip of his toes. He was measured at six feet and walked out with a bonus of \$72,000.

The second officer who accepted was a little smarter and asked to be measured from the tip of his outstretched hands to his toes. He walked Out with \$96,000.

The third one was a non-commissioned officer, a grizzly old Chief who, when asked where he

would like to be measured replied, 'From the tip of my weenie to my testicles.'

It was suggested by the pension man that he might want to reconsider, explaining about the nice big checks the previous two Officers had received. But the old Chief insisted and they decided to go along with him providing the measurement was taken by a Medical Officer.

The Medical Officer arrived and instructed the Chief to 'drop 'em,' which he did. The medical officer placed the tape measure on the tip of the Chief's weenie and began to work back. "Dear Lord!", he suddenly exclaimed, "Where are your testicles?"

The old Chief calmly replied, "..... Vietnam".
