GM'S notes

Hi Everyone,

39 members supported Malas's run at Island Glades temple. When we arrived there were several erections close to the temple and so the runners parked in the lower car park. After a few questions we discovered the temple was celebrating the feast of its deity. It was therefore a big surprise when the upbeat music started blaring out and later on sexy show girls took to the stage!

There were several guests, Marek (Helmut's friend), a very pretty girl tottering around in high heels, Hee, Tany and Saylor. Welcome to the Harriets.

The Bunny was missing but the General told us it was a short run for the front runners a medium run for the middle runners and a long run for the short runners. It was a simple run with no bars or checks or such bullshit.

The run started up behind the water tanks and then skirted right for a while before starting the serious upward climb. Eventually we reached the top and then of course we had to wind our way back down.

I was in another world and then woke up to realize I had moved onto Batang paper. Luckily for me the loud music was an excellent guide and I could rectify myself without too much problem.

We had a short circle. First on ice was Sperm Whale who had completed 100 runs and was complimented on the fact that he so often helps to set the run. Well done Sperm Whale. Next Fancy Pants was called out and was allowed to stand by the side of the ice because he had a problem. His charge was that he had arrived late and was so disorganized he was wearing fancy shoes and smart pants. Last to be charged was the Bunny Malas (Hasia). The circle agreed that the run was good, the food delicious and the location very entertaining.

Many thanks Hasia for a great evening.

Funnies

Testicle Therapy

Two women were playing golf. One teed off and watched in horror as her ball headed directly toward a foursome of men playing the next hole.

The ball hit one of the men.

He immediately clasped his hands together at his groin, fell to the ground and proceeded to roll around in agony.

The woman rushed down to the man, and immediately began to apologize. 'Please allow me to help. I'm a Physical Therapist and I know I could relieve your pain if you'd allow me, she told him.

'Oh, no, I'll be all right. I'll be fine in a few minutes,' the man replied. He was in obvious agony, lying in the fetal position, still clasping his hands there at his groin.

At her persistence, however, he finally allowed her to help. She gently took his hands away and laid them to the side, loosened his pants and put her hands inside.

She administered tender and artful massage for several long moments and asked, 'How does that feel'?

Feels great, he replied; but I still think my thumb's broken!
