## Newsletter 1986

### **GM's notes**

Hi Everyone,

43 members attended Uncle Bee's Run at D'Bee Gallery (D'Juice). We gave a hearty welcome to FTAC who did not join us last month because they were busy with their Anniversary Run. Uncle Bee told us it was a medium to long run, there were two checks and to follow Goodyear to the start.

Off we went along the road and entered just after the Moon Gate. We started on the relentless upward climb skirted round a bit and then down to the check. Mini knew the only way to go was up and quickly found the paper and called us on. It was one of those runs where the up section seemed to prevail, plus the virgin nature of some of it meant the skin was torn to shreds by thorns. Up, up and leftish and up and then the next check. Again it was Mini who knew it had to be up but to the right a bit. So we all clambered after him. Near the top we started to skirt to the left and down and everyone's spirits raised hoping this was the on down but no up we went again first to the left and then round to the right. After getting to the top we we came down the pipe over the stream and back down to the road. It was pouring with rain so we huddled under boot flaps and umbrella's to get our dry gear on.

We had a brief circle. We put Saylor on ice first as he had just joined as a member. His mate Tany was then iced for the same reason. Next on ice was Good Licker to whom we wished a belated

happy birthday. Good Year was iced for being the chief hare, setting a good long run, getting the Harriets back but losing an FTAC member. Mini Sausage was then iced for always coming late, always getting back first and always solving the checks so the Harriets did not get lost! Ma was iced because she said she had too much to drink the night before so was easy on the booze but had stacks of energy to play with the dog. The Bunny, Uncle Bee was iced for setting a good run, providing delicious food and choosing a good location. Uncle Bee then iced her co-hare and cook, Hot Lips and Datin Choo Choo.

Many thanks to Uncle Bee for another brilliant Thursday evening.

## **Have you seen this guy at Starbucks?**

An Irish woman of advanced age visited her physician to ask his advice on reviving her husband's libido.

'What about trying Viagra?' asked the doctor.

'Not a chance', she said.. 'He won't even take an aspirin.'

'Not a problem,' replied the doctor. 'Give him an 'Irish Viagra'.....It's when you drop the Viagra tablet into

his coffee. He won't even taste it. Give it a try and call me in a week to let me know how things went..'

It wasn't a week later when she called the doctor, who directly inquired as to her progress.

The poor dear exclaimed, 'Oh, faith, bejaysus and begorrah! T'was horrid! Just terrible, doctor!'

'Really? What happened?' asked the doctor.

'Well, I did as you advised and slipped it in his coffee and the effect was almost immediate. He jumped straight up, with a twinkle in his eye and with his pants a-bulging fiercely! With one swoop of his arm, he

sent me cups and tablecloth flying, ripped me clothes to tatters and took me  
then and there passionately  
on the tabletop! T'was a nightmare, I tell you, an absolute nightmare!

'Why so terrible?' asked the doctor, 'Do you mean the sex your husband  
provided wasn't good?'

'Freakin' jaysus, 'twas the best sex I've had in 25 years! But sure as I'm sittin'  
here, I'll never be able to  
| show me face in Starbucks again!'
