## **GM'S notes**

Hi Everyone,

39 members and two guests (Tin Tin and Jenn) attended Felicia's run at Miami Bay. The bunny told the circle it was a medium run with no checks. There were two construction sites to cross and both times the trail was to the right. The final warning was that it was challenging.

As GM bashed her toe on Tuesday and was chairbound the comments on the run will be very brief!

The first runner back was Beauty Queen who was cheered as superwoman but then owned to the fact that she had lost her running mates and had quit while she still knew the way home.

The comments by the returning front running bastards was virgin run, good work out etc. Some of the back runners came in groaning that they were scratched, it was hard etc.

We had a very brief circle. The first to be called was Monty Python. He did a spectacular acrobatic feat at the start of the run i.e. he went arse over tit and did a five point landing. Then Spiky Annie was iced for losing her 'baby' during the course of the evening. Whatever iced GM or at least her foot for using an enlarged toe as an excuse for not running. Helmut and Renanta were iced by Spiky to wish them a good trip back to Europe. Last on ice was the bunny – Felicia. The crowd voted the run good, the food delicious and the location suitable

Many thanks Felicia for providing a very enjoyable Thursday evening.

### Funnies

#### ***Two Women were chatting in the office.***

Woman 1: I had sex last night, did you?

Woman 2: Yes.

Woman 1: Was it good?

Woman 2: No, it was a disaster... My husband came home, ate his dinner in three minutes, got on top of me, finished having sex in five minutes, rolled over and fell asleep in two minutes. How was yours?

Woman 1: Oh it was amazing! My husband came home and took me out to a romantic dinner. After dinner we walked for an hour. When we came home he lit the candles around the house and we had an hour of foreplay. We then had an hour long session of fantastic sex and afterwards talked for an hour. It was like a fairytale!

#### ***At the same time, their husbands were talking at work.***

***Husband 1: You wanted sex last night, how was it?***

***Husband 2: Great. I came home, dinner was on the table, I ate, screwed my wife and fell asleep. It was great! What about you?***

***Husband 1: It was horrible. I came home, there's no dinner because they cut the electricity because I hadn't paid the bill; so I had to take my wife out to dinner which was so expensive that I didn't have money left for a cab. We had to walk home which took an hour - and when we got home remember there was no electricity so I had to light fucking candles all over the house! I was so angry that I couldn't get it up for an hour and then I couldn't come for another hour. After I finally did, I was so aggravated that I couldn't fall asleep and my wife was jabbering away for another hour!***
