### GM'S notes

Hi Everyone,

40 members and one guest (Dom) came to Sperm Whale's run at Twin Towers Water Tank. In the circle we welcomed FTAC as it was a joint run. The Hare told us it was a medium-long run and that it had been set with FTAC in mind.

Up for the challenge, the FTAC guys raced off towards the shrine along the path inside the fence and almost immediately the slippery on up started to the right. The guys behind moaned immediately that it wasn't a bus stop and would the physically disabled stand aside. We noticed when it was their turn, a deathly hush ensued, because they had discovered why the likes of Mini were not being their usual aggressive, fast, bulldozing selves.

We continued to grab at vegetation and move up a bit, slip back a bit until we reached the ridge. Many hashers looked longingly at the on up to the right knowing that this would make it a short, relatively easy run. But no, of course not, the trail went down with thorns and vines competing to hold us up. There was a continuous call of hazards and Pukka Sahib stated it would be more useful to wait until the various hazards were over and call 'all clear' but this fell on deaf ears.

Eventually we were down in the valley with streams to cross and boulders to negotiate and as we were on the wrong side of the hill and the only way to get back was up and over, the inevitable

climb started. At this point I was with an FTAC guy who said it was a really good run. We hauled ourselves to the top and then started the on down. Usually I would try to run this bit to make the beer wagon appear quicker but it was so slippery that I had to gingerly jog, slip and slide my way down to the football field where the construction workers were having a fun game.

The beer wagon was now in sight and Sammy was making his usual comments about putting on crates of free beer etc to indicate the torture was over!

Not everyone was this lucky. Six FTAC guys were still in, long after we had eaten. Then four of the guys came out but this left a couple in, one of which was a female and not an experienced hasher so everyone was really concerned. Three FTAC guys formed a search party and went in and not long after G-man and Grasshopper geared up and went in. Many thanks guys you did a great job and the lost souls arrived back safe and sound.

We had a short circle. First on the throne (This seems to get smaller by the week, I know there is a recession but I really don't think the quantity of ice we use will make a difference to the economy!) Helmut and Renata who returned from Europe last week but still managed to make last Friday's run were iced and were obviously having a marital dispute as they sat back-to-back.. Next By-Pass and Long Hair were iced for arriving late, going in late and coming back late. (On reflection, perhaps this was unfair as they came back early enough not to cause any worry but no one said hash was fair)

Mini then called for the co-hares- and G-man and Uncle Bee appeared and went to sit but were told to wait. Mini then explained that when setting a run there is an Indian Chief who leads the way and puts a few papers. The Indians follow behind and fill the gaps. He asked who was chief and G- man gallantly owned to the job and was then told to sit down (Who said gallantry doesn't pay?) Uncle bee was then iced for not putting enough paper. Just when G-Man thought it was safe, up stepped Mini once more to ice G-man for being the Chief Indian and sat him on ice along with the Hare. Life isn't fair at all sometimes!!!

G- man iced Sperm Whale for not preparing any paper of his own but just relying on the paper provided by the club. Sperm Whale was then iced as the hare. The run was applauded but most hashers thought there should have been more paper in the virgin jungle bits. The food was very delicious and most of the females felt utterly ashamed that Sperm Whale had managed to produce such huge quantities and a good variety of dishes unaided by a caterer. The location was good. Just Beer then announced that she wanted to thank Sperm Whale for stepping in at the last minute to fill a gap in the hare line and doing such a remarkable job.

Many thanks Sperm Whale for a fantastic evening.

If you cannot make your date, please let the committee know at least 8 weeks in advance. Less than this and YOU will be responsible for finding somebody to exchange dates with.

### *Announcement from the On Sex* (contact Justbeer)

If you have any requests/articles/information to give the members please contact me.

I bring to your attention the note in the box below the hareline. It says that less than 8 weeks notice and it is **YOUR** responsibility to find a replacement if you cannot do your run. Of late we have had several members ducking their runs at almost the last minute and leaving it to the committee to find alternatives. This is not on and is just abusing the committee's goodwill. We all have to do a run and cater for it. The hareline can be altered by request especially if nothing is published. After publication it becomes more difficult. Please do not abuse the committee by not doing everything in your power to find an alternative. We will help all we can but there are limits and especially if it is at the last moment!! If you have a particular date in mind please let us know and we will try to accommodate you whenever we can. However please also be aware that sometimes it is not always possible either!!

If you are the Hare/Bunny please remember to bring bin bags for the waste and Hashers please dispose of your waste correctly. Please do not leave it lying around! The Hare/Bunny nor the

**committee is your slave!!**

**Please be advised that any member who arrives late and goes on the run does so at their own risk. If you do come late then you should also carry a torch, water and a mobile phone. The club cannot be responsible if you get yourself lost!!**

**The 2000<sup>th</sup> run is only 3 weeks away and we would still like to see more participation from our members. You can help by signing up, or by sponsorship or donations. Can you please help us by becoming an active member. Please, even if you cannot come to the run itself, please support us by being either a sponsor or by making a cash donation. It all helps and will make our run something special!**

**The published programme just to show what you are expected to do if you are coming and just what you could be missing if you haven't decided yet. It is also on the web site.**

## *Funnies*

### **FAMILY**

Three sisters ages 92, 94 and 96 live in a house together. One night the 96 year old draws a bath. She puts her foot in and pauses..... She yells to the other sisters, "Was I getting in or out of the bath?" The 94 year old yells back, "I don't know. I'll come up and see." She starts up the stairs and pauses "Was I going up the stairs or down?" The 92 year old is sitting at the kitchen table having tea listening to her sisters.. She shakes her head and says, "I sure hope I never get that forgetful, knock on wood." She then yells, "I'll come up and help both of you as soon as I see who's at the door."

---

### **TELL ME THIS WON'T HAPPEN TO ME**

An elderly Floridian called 911 on her cell phone to report that her car has been broken into. She is hysterical as she explains her situation to the dispatcher: "They've stolen the stereo, the steering wheel, the brake pedal and even the accelerator!" she cried. The dispatcher said, "Stay calm. An officer is on the way." A few minutes later, the officer radios in. "Disregard." He says, "She got in the back-seat by mistake."

---

### **I CAN HEAR JUST FINE!"**

Three retirees, each with a hearing loss, were playing golf one fine March day. One remarked to the other, "Windy, isn't it?" "No," the second man replied, "it's Thursday..." And the third man chimed in, "So am I. Let's have a beer."

---

### **SUPERSEX**

A little old lady was running up and down the halls in a nursing home. As she walked, she would flip up the hem of her nightgown and say "Supersex." She walked up to an elderly man in

a wheelchair Flipping her gown at him, she said, "Supersex."  
He sat silently for a moment or two and finally answered, "I'll take the soup."

---

#### ROMANCE

An older couple were lying in bed one night. The husband was falling asleep but the wife was in a romantic mood and wanted to talk. She said: "You used to hold my hand when we were courting." Wearily he reached across, held her hand for a second and tried to get back to sleep.

A few moments later she said: "Then you used to kiss me." Mildly irritated, he reached across, gave her a peck on the cheek and settled down to sleep..

Thirty seconds later she said: "Then you used to bite my Neck." Angrily, he threw back the bed clothes and got out of bed. "Where are you going?" she asked.

"To get my teeth!"

---

#### DOWN AT THE RETIREMENT CENTER

80-year old Bessie bursts into the rec room at the retirement home. She holds her clenched fist in the air and announces, "Anyone who can guess what's in my hand can have sex with me tonight!!" An elderly gentleman in the rear shouts out, "An elephant?" Bessie thinks a minute and says, "Close enough."

---

#### OLD FRIENDS

Two elderly ladies had been friends for many decades. Over the years, they had shared all kinds of activities and adventures. Lately, their activities had been limited to meeting a few times a week to play cards.

One day, they were playing cards when one looked at the other and said, "Now don't get mad at me.. I know we've been friends for a long time but I just can't think of your name. I've thought and thought, but I can't remember it. Please tell me what your name is." Her friend glared at her. For at least three minutes she just stared and glared at her.

Finally she said, "How soon do you need to Know?"

---

#### DRIVING

Two elderly women were out driving in a large car - both could barely see over the dashboard. As they were cruising along, they came to an intersection. The stoplight was red, but they just went on through.

The woman in the passenger seat thought to herself "I must be losing it. I could have sworn we just went through a red light." After a few more minutes, they came to another intersection and the light was red again. Again, they went right through. The woman in the passenger seat was almost sure that the light had been red but was really concerned that she was losing it. She was getting nervous. At the next intersection, sure enough, the light was red and they went on through. So, she turned to the other woman and said, "Mildred, did you know that we just ran through three red lights in a row? You could have killed us both!"

Mildred turned to her and said, "Oh! Am I driving?"
