Notes from the On Sex

Around 3.30pm I got a call from a Harriet called Quickie, who runs in Hawaii. She wanted to join us for the evening's run and after giving her directions and a promise of a lift back we got our stuff together and set off for the runsite. There was a small group of 30 runners at the site but no sign of the guest. So I sent Akz Hole back down to the road side to see if he could spot her whilst I dealt with the pre-run issues at the starting point. Sure enough he returned with her as she had just gotten off the bus from town.

Edna called the circle to order. The bunny outlined the run and stated there were 2 possible trails and that one was a short one if you needed it. She pointed in the direction of the beginning and off we went.

We went left from the runsite and started climbing up a steep gravelly slope which took us towards the hillside where we clambered across a drain and started climbing the hill in earnest. We passed streams and negotiated rocks, traveling way from the runsite and skirting around the hill. As we descended a stream we met The General at the bottom patiently waiting for the slower runners to show them the short cut home. So here we helped him to lay more paper and we headed off leaving him again to wait patiently for those slower than us.

Back at the runsite the long trail runners came back in stages but all were back well before darkness fell. The only ones still out were the ones on the short cut, who were being shepherded home by The General but they too soon arrived and all feasted on a delicious chicken stew and rice.

The circle was duly called and first on ice were 2 guests: Quickie (Hawaii) and Carly, a first time Hasher from NY.

Charges from the floor saw HHM charge TT Yeo for starting the run early and boasting about the time he came out. However he had left early and hence Monty Python was called as a lookalike much to his chagrin.

Next Charge saw Sheila Majid called out Tiger Samy. The charge was in retaliation for all the weeks Samy teased her about all sorts of things. Samy stated that he wanted Sheila to sit with him as he was going to miss her when she left. To make him happy Sheila duly obliged.

Akz Hole then brought Sperm Whale to the ice and charged him with not being seen to do his normal stream-bathing despite all the streams that we passed.

Finally the bunny was called. Since she was recovering from illness she was allowed to sit on a chair graciously put over the ice by Sperm Whale. She was duly thanked for a great virgin run and super food.

Since it was her birthday the following day she remained on the ice as a birthday cake was duly presented and a rousing chorus of Happy Birthday pierced the still night air.

Sperm Whale then made a last announcement regarding the Full Moon Hash on the Sunday before the circle was closed for our usual social drinking. It turned out to be quite a night as about 10 hashers sat and chatted on for quite a time afterwards.

On Friday night the Harriets held a farewell dinner for Sheila Majid as she is returning to the UK very soon. It was a good turn out with over 40+ people turning up to say their goodbyes. It was an excellent night and one that we hope Sheila remembers fondly in the the future. We all wish her well for the future and hope she returns in the not too distant future to 'run' with us again. Sheila you are always welcome here in the Hash House Harriets Penang!!

Story why only Indians are re-born. Or is it REINCARNATION?

The angel Gabriel came to the Lord and said 'I have to talk to you. We have some Indians up here in heaven and they are causing problems. They're swinging on the pearly gates, my horn is missing, they are wearing Dolce and Gabana saris instead of their white robes, they are riding Mercedes and BMW's instead of the chariots, and they're selling their halos to people for discounted prices. They refuse to keep the stairway to Heaven clear, since they keep crouching down midway eating samosas and drinking chai (tea).. Some of them are even walking around with just one wing!'

The Lord said, 'Indians are Indians. Heaven is home to all my children. If you want to know about real problems, give Satan a call.'

Satan answered the phone, 'Hello? Damn, hold on a minute.' Satan returned to the phone, 'OK I'm back. What can I do for you?'

Gabriel replied, 'I just wanted to know what kind of problems you're having down there.'

Satan says, 'Hold on again. I need to check on something.'

After about 5 minutes Satan returns to the phone and said, 'I'm back. Now what was the

question?'

Gabriel said, 'What kind of problems are you having down there?'

Satan says, 'Man I don't believe this ... Hold on.'

This time Satan was gone at least 15 minutes. He returned and said, "I'm sorry Gabriel, I can't talk right now... These Indians are trying to install air conditioning and making hell a comfortable place to live in by putting out the fire...fire is there to keep them uncomfortably hot!! Since they are so tech savvy, they were trying to start a telephone connection between heaven and hell...I am having such a hard time controlling and dealing with them!! Some were trying to start a chai - pakora shop, which I had to stop...I am requesting Lord to send them back on earth as soon as they arrive as re-birth".

Indians will be Indians...

So this is the story why Indians are re-born!!!!!!
