### **Notes from the VGM**

The weather was not so good before I when over to the Bee Gallery but it was good and sunny in Botanical Garden. About 30 odd numbers and 1 guest, Leo aka Brown Eye from Las Vegas for the run. The hare - Busybody said the run is a medium one.

The burst for the actual run I leave to Teh Hai Hee.

The first person to sit on Ice was our guest he also sung his own hash song! Good for you Browneye. Busybody is then put on ice by Gangreen for not being around too much these days. Next on ice was Didar Singh for completing his 400<sup>th</sup> run. He even stayed longer then usual. Congratulations Didar.

We then had a couple of announcements from Gangreen (PiH2 outstation run to Thailand, September 4&5) and Whatever (THK hosting Merdeka Run, August 31).

The VGM and Busy body were then iced as it was the VGM's birthday the day before and the Hare's on the day. Many Happy returns to both. A good lively multi-lingual chorus of Happy Birthday then ensued.

A charge from the floor brought Michael Longhair and Take Care to the ice. Their crime was not relaying paper after breaking the checks. Naughty naughty... how will the back runners find the way if you don't connect up the paper?? Uncle Bee was called out to take the ice as a lookalike Molly, who had given unclear instructions to the guest causing him to be late getting to the run site. Last of all Busybody retook the seat of honour to receive the usual thanks for the meal and good run from the assembled circle.

The circle was closed with the singing of the Hash Hymn "Sweet Chariot".

## **Burst**

Run number: 2008

Venue: Bee Gallery

Scribe: Horse (Teh Hai Hee)

Bunny: Busy Body

Rambo ask me to write the burst, any language also can use, so here I give you lah:

About 30+ people come for the run & guests this week dont have lah. Quite a few ang mors come this week; one name is the big fish one, another one look like taliban one, another one name cannot say lah, very rude, and a few others. The rest we Malaysians one like me, semua bolih one.

Come come six o clock passing, circle, circle, then we all walk go towards the drain pipe, I, the horse, among the front one, tapi not long, I already fall to the back one.

This rocket road many time I walk so I boring lah, then come that longhair fellow behind, I have some fun chase him for 50 metres, and my breathing close close to him, put him sikit pressure, see his face green colour a bit. He too good for me lah, cannot chase him too long one.

Afterwards reach top of hill already, I also tired, sit down and let TT Yeoh and Benji overtake me. Usually they not so good one, I give chance only, let them get some face lah. If I always beat them, one day no friend already how?

Didar Singh, my usual hiking kaki, this time I no see him at all, ta tau mana dia pergi, start to habis also I no see him. Found out later he go his own jalan and come down the tar road.

At last me & Rambo come down and reach the run site, already dark dark. Good run also lah, not every time hard hard one boring also lah, curry chicken and roti good also lah, and many thanks to the hare, Busybody, for all this lah.

Also, if you think my English is no good, I young time I also am reporter for newspaper one. But only 2 months work, already got fry the cuttlefish and stop already. But not because my English no good lah. Bye for now, and hope Rambo no regret lah ask me writing the burst. Hehehehehe!

## **Funnies**

Samy Vellu and his driver, Muniandy, were cruising along a Sungai Siput country road one evening when an old dog loomed in front of the car.

Muniandy tried to avoid it but couldn't - the old dog was killed. Samy Vellu told Muniandy to go up to the farmhouse and explain to the owners what happened.

About an hour later, Muniandy staggered back to the car with his clothes in disarray. He was holding a bottle of expensive wine in one hand, an expensive Cuban cigar in the other and was smiling happily, smeared with lipstick.

"What happened?" asked Samy Vellu.

"Well," Muniandy replied, "the farmer gave me the wine, his wife gave me the cigar, and their beautiful twin daughters were so happy they kept kissing me!"

"My God, what did you tell them?" asked Samy Vellu.

Muniandy replied: "I'm Samy Vellu's driver, and I just killed the old dog."

**As we Silver Surfers know, sometimes we have trouble with our computers.  
I had a problem yesterday, so I called Eric, the 11 year old next door, whose bedroom looks like  
Mission Control and asked him to come over.**

**Eric clicked a couple of buttons and solved the problem.**

**As he was walking away, I called after him, 'So, what was wrong?**

**He replied, 'It was an ID ten T error.'**

**I didn't want to appear stupid, but nonetheless inquired, 'An, ID ten T error? What's that? In  
case I need to fix it again.'**

**Eric grinned.... 'Haven't you ever heard of an ID ten T error before?**

**'No,' I replied.**

**'Write it down,' he said, 'and I think you'll figure it out.'**

**So I wrote down: ID10T**

**I used to like Eric, the little bastard.**
