Notes from the VGM

There were 35 members and two guests, Ms Khoo, brought in by Ah Lye. We welcomed Mark and Francoise who were back from overseas. The Bunny had not appeared on run site but came later with titbits. I was met by James, who was the co-hare of the day. James mention follow long paper, no check, medium run but a little long. Ah ha Bring your torch!!.. We started off with nice weather.

I was one of the last few to arrive back and it was already dark. Later I learned that Vithia was still up in the hill. James and Lucas went up to bring him down. Icing was cancelled because the rain came down and some of the crowd went back. The remaining of us enjoyed ourselves in social circle, while waiting for the good and helpful guys to bring down our exhausted, lost hasher back home at 10pm!! Thank you James and Lucas.

Thanks for the good, tough and sweaty run James and friends and you Ah Nee for the evening meal. ON! on! ON!

Burst

Run number: 2009

Venue: Twin Towers Watertank

Scribe: Sperm Whale

Bunny: Beauty Queen

Silentman and SK set the run at Twin Towers water tank on behalf of Beauty Queen. Silent man warned all to take a torch as it was on the long side.

We went in the usual place next to the shrine and the run went straight up to the brow of the hill then straight over down the other side and up the next followed by a small down and further up which just going right that kept going up and up and up!

We trailed round somewhere behind Mount Pleasure with a very long down of a constant

gradient.

Really good run with the front runner taking just over one hour.

Vithia enjoyed it so much he decided to go another round without his torch and got lost in the dark.

Silentman and Grasshopper mounted a rescue mission. I don't know what time they came out, but the weather turned for the worst with power cuts in Marvista at midnight so I hope they were out before.

Thanks to SK and Silentman for setting a really good run.

Announcement from the On Sex

(contact Justbeer)

It just goes to show that even seasoned runners can get lost sometimes on runs!! That is why we always recommend that you carry water, a torch and if possible a mobile phone. If it hadn't have been for the mobile this week perhaps we would still have been searching for our lost member!! But please, at least take a torch!!

Sungai Patani Happy Hearts Harriettes are asking us for support on their 12th anniversary celebration run on the 23rd October 2010. They supported our 2000th run and now it is our turn to support them. Please see the Invitation Run list below and let me have your names if interested as soon as possible. We already have about 10 signed up, so why not come and join in the fun.

Funnies

Sitting together on a train travelling through the Swiss Alps, were a Kiwi guy, an Australian bloke, a little old Greek lady and a young blonde Swiss girl with large breasts.

The train goes into a dark tunnel and a few seconds later there is the sound of a loud slap. When the train emerges from the tunnel, the Kiwi has a bright red hand print on his cheek.

No one speaks.

The old lady thinks:

The Kiwi guy must have groped the blonde in the dark and she slapped his cheek.

The blonde Swiss girl thinks:

That Kiwi guy must have tried to grope me in the dark but missed and fondled the old lady and she slapped his cheek.

The Kiwi thinks:

The Australian bloke must have groped the blonde in the dark. She tried to slap him but missed and got me instead.

The Australian thinks:

I can't wait for another tunnel, just so I can smack the Kiwi again.

Dennis, an undertaker, recently came home with a black eye.

"What happened to you?" asked his wife.

"I had a terrible day." replied Dennis. "I had to go to a hotel and pick up a man who had died in his sleep. When I got there, the manager said they couldn't get him into a body bag because he had this huge erection. Anyway, I went up and sure enough there was this big naked guy lying on the bed with this huge erection. So I grabbed it with both hands and tried to snap it in half."

"I see" said his wife, "but how did you get the black eye?"

Roy replied: "Wrong room.."
