Notes from the VGM

The Hare choose Charlie Market which is the favourite run site of most hashers. It is also near his house. Arriving there I saw him carrying a Watermelon. He was worried that we might have to do without dinner and have only water melon. As it was the Chinese day to worship our spirited friends 'Por Thor.' Therefore all the Hawkers have a off day to enjoyed the feast- makan makan with their friends (the living one) after praying. His search for something to eat was fruitful and there was dinner for us all hurray! Only about 27 members turn out and social hashers came in later to add to the crowd. The run started with Take Care announcing it would be a short run. To follow paper and no check.

The Hare was put ice as reward for a good run and meal. I was put on ice for being lazy and poking fun of the hare. ...See the photos.... with Take Care in his birthday suit. The night went on with a small circle of hashers who enjoyed each other's company drinking. Thank you Take Care for the enjoyable run and evening meal.

Announcement from the On Sex

(contact Justbeer)

It seems that some members that get the newsletter do not read it too closely or at all perhaps!! In Newsletter 1939, 1940 and 1941 issued 25 May, 1 June and 7 June 2009 we reminded everybody that we had reverted to the rule that the hare/bunny was responsible for plates and cutlery as well as the food on their run. This was because the well intentioned plan of getting everyone to bring their own was failing and it was becoming very difficult for the members. However you could still bring your own if you so wanted and “brownie points” to you if you did. Since then all has been fine with no problems.

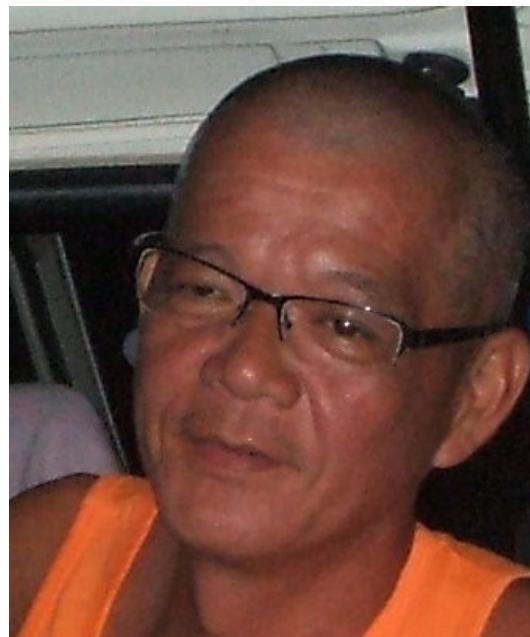

Unfortunately this week we have been informed that plates or cutlery will not be provided, so please, if you want to eat, you had better bring your own!!

For those of you who attended the 2000th run and if your shirt size is too small, then you can see me about an exchange. Please bring along the shirts you need to change.

We have reprinted a limited number of the Sarong that was given out at the Red Dress run. Price RM20 each.

We also have some 2000th run T-shirts (sleeved and No sleeve). Price RM10 each for members.

The Hare of the evening

Funnies

Totally & Politically Incorrect.....but funny!!!!!!!!!!!!!!

The rescue workers at the Pakistan flood area say that the smell of bodies is unbearable. They expect it to get worse when they start finding the dead ones.

A charity single has been released in aid of the Pakistan Flood Relief. It's called, "Raindrops Keep Falling On Ahmed."

There were no survivors from that recent Pakistani Airlines plane that crashed, killing all 152 people on board. Both families are devastated.

Paddy got arrested in B & Q today for punching an African woman at the till. He claims it wasn't his fault as his father had told him to go in and get a Black and Decker.

Experts are worried about President Obama's mental state after he pledged millions of dollars of aid to Northern Ireland, following the tragedy of Hurricane Higgins.

A lesbian went for a smear test and the doctor told her, "That's the cleanest vagina I've seen!" The lesbian replied, "Yes, I have a woman in twice a week!"

Paddy and his wife were discussing their sex life. Paddy said, "I want to try that wheelbarrow position tonight." His wife asked, "What is that?" Paddy told her, "You bend over, put your hands on the floor then I pick your legs up and take you from behind!"

His wife said, "Hmm, okay, I'll do it on two conditions. First, if it hurts you stop immediately and, second, ... we don't go down past my mother's house!"

My teenage son told me that he had sex with the neighbour's daughter last night for the first time. "Well done, son," I said, "I hope you used something though?" He replied, "Yeah, a balaclava!"

I went to the doctor while I was on holiday in Bangkok recently, to get my testicles checked out. While the doc was cupping my dangly bits, she said, "Don't worry, it's normal to get an erection during this kind of examination."

I said, "I haven't got an erection!"

She replied, "No, but I have!"

Ramadan is here again. The one time of the year when Muslims cannot eat or drink within the hours of daylight, they just starve.

Never has the term, "Not enough hours in the day" been more appropriate!

A little Pakistani girl goes to her mother and says, "Mummy, I don't want to be a lesbian when I grow up!"

Her mother says, "What makes you think you'll be a lesbian, Minjeeta?"

A bloke was sitting on a bus when a gorgeous woman next to him starts breastfeeding her baby. The baby won't take it so she says, "Come on, eat it all up or I'll give it to this nice man here." Ten minutes later, the baby is still not feeding so she says again, "Eat it all up or I'll give it to this nice man here."

The bloke says, "Listen, love, can you make your bloody mind up, I should've got off four stops ago!"

French foreplay: Dinner, wine, sex!

Italian foreplay: Dinner, wine, caressing, sex!

Latino foreplay: Dinner, wine, dancing, caressing, sex!

Scottish foreplay: "Haw, ye awake?"

I fostered a Muslim child yesterday.... all four cans hit him on the head!

The guy who owned the Odeon cinema group has died. His funeral is next Friday at 2.10, 4.20 and 8.40.

I got banned from a Muslim clothes shop today. I only asked for a bomber jacket. Touchy basta*ds!

**Why do Cadbury's make white chocolate buttons?
So that black kids can have messy faces as well!**
