## **Notes from the VGM**

The Harriet's popular run site, the smelly land but fortunate and convenient to most members around Penang Island. The Hare arrived with his Brother Ah Keong smiling away very happily and welcome all his guest and members for his run. A big day for Bend Over, for this is his first run he set as a member. Eh! Eh! Ah! A virgin's run! There were 30members and guests, Saturday GM and Jasmine , Ah Keong, Ah Bai, Shoalin, Karin and KGB. Welcome all you people and especially to our Golden couple Richard and Rose Jones back today . Circle was called to start the run or anyone else who wants to make a quick announcement. Bend Over mention that his run has 2 bars and to follow the long paper and the hash foot print square paper.

Icing was called at 8.15pm. Lim Chi Bai was the first one on ice while still having his meal, poor guy lah! Welcome to the run Lim Chi Bai. We sang a song for him. Golden Prick was next to sit on ice for helping to set Bend Over's first run. It was Golden Prick's first attempt to help set a run. Thank you Woon. Hurray! We had another Virgin. Golden Prick went for this run again and was puzzled to find a circle on the ground which was not there when we set it earlier. He thought that it was something weird! He had some creepy feeling while relating the experience. We sang him nice song to ease his goose pimples and fears away. Karin was on ice because it was her Birthday, we sang her a birthday songs in Malay, Hokkien, Mandarin, English and the hubby

**Fancy Pants sang in German. Thank you Karin for the birthday treat of a crate of beer. KGB sat on ice for losing his way to hell and picking up some notes from Hell to show us. He is going to be rich! Well done KGB and welcome Home. Toddy Tan was next for arriving late to the run and not having a hash T-shirt. He took to the ice, smiling as usual and was still smiling when someone drowned him in ice water, which is not allowed on Thursday!! Beware because the next one will find themselves on the ice for a long time!!**

**Horse was charged by Michael Longhair for not running in a Hash T-shirt and then I was put on Ice for allowing some of Thursday Harriets to sit on chairs rather than standing up to during the circle. “So members what do you want? Is there going to be a set age for the older members to be able to sit and be entertained?. Well !Well! give the committee your feed back cause I don’t want to sit on ice for you. Eh! Eh!”**

**Michael Longhair was charged by H2M for not wearing a hash T-shirt in the circle!! It goes to show that sometimes if the charge you make against others is a poor one it will come back to haunt you!!**

**Finally the Hare was made to sit on ice for this been his first run of the year and providing his first meal. Thank you Bend Over for the fantastic run and an enjoyable evening. Yes Good Food and a Good Run.**

**On! On! On!**

## **BURST**

**Many hashers are yet attracted to the smelly spot at Charlie Market. As such, quite a number were already at the site when we arrived 10 minutes to 6.00 pm. Forthcoming festive season probably did one more thing to get hashers there. So did Karin and Fancy Pants after a nice island tour and watching tourists in Batu Ferringhi. Hashing was the top event of a beautiful day.**

**Was nice to see again Rose and Richard who have been absent from Thursday hash for some time. Lim Chi Bai, GM of PIH2 and his better half Jasmine, have been welcomed by the VGM as well and some other guests too.**

**As Tiny still makes out in UK, VGM Rambo called for the circle at 6.05 pm and announced the usual stuff like next Harriets run is also on Thursday and will be on paper. Bend Over, the hare of the day, took over and admonished hashers to follow long paper and Harriets paper. He mumbled something of medium run and two check back and off we went up the usual hash high way. KGB was the first who went up to the side path and remaining front runners could not cope with KGB in the beginning as he disappeared quickly. Hashers jogged for a while along the usual track with plenty of paper on the trees and all of a sudden the kids were in front of the runners led by Speed Hound and Silviane. They must have been flown by KGB? However, he was not in sight. Mini Sausage rather broke through the bushes and took the lead on a moderate on-up trailed by Goodyear, Ah-Bai, Take Care, Lily and Horse. Any on-up is followed by an on-down where KGB came out from nowhere and rushed up the next hill saying he was misled by a check back. Thereafter he was only seen when most the runners returned to the start point, obviously misled by the second check back and other spots as well.**

**Most the runners followed paper along the lower track, then up the hill and on top always on sufficient paper. Meanwhile, Michael Longhair as usual late, outrun the hash group but had**

difficulties to stay on paper that cost him precious minutes to set a new record. When Horse went down the hill, followed by Fancy Pants, they heard Mini Sausage shouting “Are you” from the left but paper went right. Front runners like Goodyear, Longhair and Mini Sausage got all stuck at a spot of thick bushes and thorns. Clever Eddy the Punk followed right paper after he finished his short-cut and led Lily, Horse and Rambo safely back to the meeting point.

Back to the run site, Karin was already on second Tiger discussing with Kim Looi age as it was her birthday. Later they found out it is quite convenient to be above 60 because can remain seated when younger hashers have to respect the circle standing. Even birthday songs in languages from German to Hokkien were brought up while Karin was sitting, however, on ice this time.

After the circle Karin gave a crate of beer in return and Bend Over was serving excellent food after sufficiently long sitting on ice and lots of hash songs.

Thanks to Bend Over for another remarkable run and food at Charlie and its smell was washed away with Samy’s good Tiger beer.

ON ON!

Fancy Pants

## ***Funnies***

A self-important college freshman attending a recent football game took it upon himself to explain to a senior citizen sitting next to him why it was impossible for the older generation to understand his generation.

"You grew up in a different world, actually an almost primitive one," the student said, loud enough for many of those nearby to hear "The young people of today grew up with television, jet

planes, space travel, man walking on the Moon.... Our space probes have visited Mars..... We have nuclear energy, ships and electric and hydrogen cars..... Computers with light-speed processing., ..and more."

After a brief silence the senior citizen responded as follows:

"You're right, son..... We didn't have those things when we were young..... so we invented them..... Now, you arrogant little shit..... what are you doing for the next generation?"

*A 20-yr old pretty, sexy and sensual girl went to see a psychiatrist.*

*"Doctor, I'm so angry at my boyfriend that I must call him Bastard. I feel that he's gone too far, and he deserves it."*

*"Hmm? Such a word is strong and rude. But may be you have your own reasons. Tell me about it so that I can help you."*

*"Yes, thank you, Doctor. There was one night...we parked our car besides the beach and we were alone... and... he held my hand..."*

*"Did he hold your hand like this?"*

*"Yes, Doctor. Exactly like how you're holding it now"*

*"If it's only this, he doesn't deserve to be called Bastard. It means he doesn't want to be separated from you."*

*"Then, he leaned his body towards me... and hugged me..."*

*"Like this?"*

*"Yes, Doctor. Exactly like how you're doing."*

*"It's not a Bastard. It means he wanna stay forever by your side"*

*"Then he kissed me..."*

*"Like this?"*

*"Yes, Doctor. Exactly like how you're kissing me."*

*"If its only a kiss like this, seriously you can't call him Bastard. It means he adores you."*

*"Then he put his hands inside my clothes and touched my boobs, Doc..."*

*"Like this?"*

*"Yes, Doctor... exactly like that"*

*"It's not behavior of a bastard. It means he wants to protect you."*

*"Then he took off all my clothes... slowly... "*

*"Did you resist?"*

*"No. I let him do it, coz I love him..."*

*"Did he take off your clothes like this?"*

*"Yes, Doctor. Until I'm completely naked like now....."*

*"He still doesn't deserve to be called "Bastard, because it means he wanna learn about your body completely."*

*"Then he kissed me and put his.... inside me and had sex with me..."*

*"Did he do it just like what we do?"*

*"Yes, Doctor. Exactly the same"*

*"You still can't call him Bastard. It means he needs you."*

*"But then he told me that he has AIDS"*

*All the staff and patients outside heard the doctor screaming, BASTAAAAAAA RRD!*
