## **Notes from the GM**

Hi Everyone,

Is it really Friday again already? Where do these weeks go??? There were 39 members and two guests (Dom and Ken) at Pentium 3's farewell run at the Tar College new shop lots. The Bunny told us that the run was medium to long, there were 2 bars and 2 checks, it was a runners run and to watch out for the barbed wire. (Silly me, I thought she meant there was a single piece not that the first third of the run was a barbed wire hand hold!)

Off we went, towards the new apartment block and then into the jungle. The soil is still surprisingly dry and slippery so we were grabbing the vegetation right from the start. The trail veered towards the right with the usual FRBs jostling for pole position. We just got into a nice comfortable rhythm when Goodyear spotted the bar.

Goodyear and I immediately pranced up the hill to be met by an impenetrable fence, so there was nothing to it, but to go back down and reverse along the path we had run. Once the hashers behind realized what was happening they started to scramble up the most likely looking track and it was TT who called 'On on'.

Once at the top we had to slither under the fence and then run along a narrow track with the

rolled barbed wire pinning us in position. We then slid down to the usual track which many smart people had started on.

We veered downward to the left and very soon after were on an upward climb. Check number 1 was found. Mini, Pussycat and myself went up and left but wrong move, the paper was found over to the right.

The run proceeded. Up some, along some, down some, up some more until we were on the on down which meant we could up the pace. We went round some SCBs and then down to the track and along the road back to the cars.

There were the usual groans from the runners too short, not long enough etc but this is hash - a group that cannot be satisfied. I thought it was a good length for a Thursday run and the fact that I was back in the light made me happy.

It was the Halloween run so hashers came back from their cars in fancy dress. It was amazing to see how easily Thursday Harriets could transmute into a coven of witches. There were others who had more imagination and came in drag, a bag lady, a pirate and so on.

Sandy had provided a free beer for all present which got the evening off to a very cheerful start. Additional revelers such as Monty and his drinking buddy, Blow Job and his girlfriends, arrived to join the fun

We had a short but lively circle. First on ice was Spiky Annie who had just completed her 300<sup>th</sup> Run – well done! Next on ice was Ronny Tour who will be 50 today(Friday) so we wished him a happy birthday. To make sure he felt good all the ladies gave him a kiss ( including our drag artisite). He sang the song himself and as it was one most of us didn't know it made a fun change! Then Pentium 3 was put on ice and as she is returning to the USA she was given a very small pewter mug as a memento of her time with the Harriets. All the men then gave her a kiss. After the down down she stayed on the ice because her birthday was on Tuesday. Ronnie joined her on the ice. After a variety of birthday songs and the joint cutting of the cake. Pentium 3 was made to sit on the ice as the bunny of the day. By now everyone was very cheerful so the run was deemed brilliant, the food delicious and the location admirable. Sandy had put a crate of beers in the circle so he was then iced because he had made such a big contribution to the success of the evening. Pentium 3 then wanted to give a prize for the best fancy dress so she called Rambo to the ice who had the most imaginative costume – she was the bag lady. There were no more charges so we got down to the serious business of drinking.

Many thanks Pentium 3 for a very enjoyable Thursday evening – it was a brilliant idea to make it a Halloween run as this made it quite different from usual. Thank you too for your donation to the Harriets Christmas Run. All the best for the future and remember you will always have a warm welcome at the Harriets. Au revoir Pentium 3.

See you all next week.

## **Funnies**

**Police in London have found a bomb outside a mosque..**  
**They've told the public not to panic as they've managed to push it inside.**

---

**During last night's high winds an African family were killed by a falling tree.**  
**A spokesman for the Birmingham City council said "We didn't even know they were living up there".**

---

**Jamaican minorities in the UK have complained that there are not enough television shows with minorities in mind, so Crimewatch is being shown 5 times a week now.**

---

**I was reading in the paper today about this dwarf that got pick pocketed.**  
**How could anyone stoop so low.**

---

**I was walking down the road when I saw an Afghan bloke standing on a fifth floor balcony shaking a carpet.**  
**I shouted up to him, "what's up Abdul, won't it start?"**

---

**An Aussie truckie walks into an outback cafe with a full-grown emu behind him.**

**The waitress asks them for their orders.**

**The truckie says, 'A hamburger, chips and a coke,' and turns to the emu, 'What's yours?'**  
**'Sounds great, I'll have the same,' says the emu.**

**A short time later the waitress returns with the order 'That will be \$9.40 please,' and he reaches into his pocket and pulls out the exact change and pays.**

**The next day, the man and the emu come again and he says, 'A hamburger, chips and a coke.'**  
**The emu says, ' Sounds great, I'll have the same.'**

**Again the truckie reaches into his pocket and pays with exact change.**

**This becomes routine until the two enter again. 'The usual?' asks the waitress.**

**'No, it's Friday night, so I'll have a steak, baked potato and a salad,' says the man..**  
**' Same for me,' says the emu.**

**Shortly the waitress brings the order and says, 'That will be \$32.62.'**

**Once again the man pulls the exact change out of his pocket and places it on the table.**

**The waitress cannot hold back her curiosity any longer. 'Excuse me mate, how do you manage to always pull the exact change from your pocket every time?'**

**'Well, love' says the truckie, 'a few years ago, I was cleaning out the back shed, and found an old lamp. When I cleaned it, a Genie appeared and offered me two wishes.**

**My first wish was that if I ever had to pay for anything, I would just put my hand in my pocket and the right amount of money would always be there.'**

**'That's brilliant!' says the waitress. 'Most people would ask for a million dollars or something, but you'll always be as rich as you want, for as long as you live!'**

**'That's right. Whether it's a gallon of milk or a Rolls Royce, the exact money is always there.'** says the man.

**Still curious the waitress asks, 'What's with the bloody emu?'**

**The truckie pauses, sighs, and answers, 'My second wish was for a tall bird with a big arse and long legs, who agrees with everything I say.**
