### ***Notes from the On Sex***

Merry Christmas and a Happy New Year everyone.

Cumming Soon's run saw a smaller than usual crowd (17 members and 2 guests) but the hard core and faithful turned up as always. Our host left as soon as the run started due to a personal tragedy in the family and our sincerest condolences go to him and the families concerned. Despite this, CS made sure about the food and even provided a crate of beer. Many thanks Cumming Soon.

The run took us to the dirt track and here we started up and as we huffed and puffed I found myself last as usual. Just as I reached the top there was Rambo waiting for me and this is why I am writing this note on the evening, as she pleaded with me to so.

We went along the pipeline track which took us on a few ups and downs. Somewhere along the track we exited into the jungle. Clambering on to muddy tracks and fearful of snakes, we missed a few turns and had to retrace on to the path. Then a massive set of buildings loomed in front of us, which we later learned was the unsightly 'Moonlight Bay'. We passed the long stretch of fence to go back into the jungle, passed some illegal huts and emerged onto the run site. Thanks for a good run, good food and the beers Cumming Soon.

There was a short circle and the first on ice was Sperm Whale who stood in at the last moment and set the run. Thanks SW. SW also accepted our thanks on behalf of the Hare.

Take Care was next as he was disrupting the circle with his endless chatter and laughter and was charged by the VGM.

The VGM then charged Goodyear; the charge being for NOT informing them of the hornets on the previous run and that she was stung more than 10 times. Goodyear replied that he too was stung and then they both started to strip to count who had the most stings!!!

AML and Marks and Spencer were then iced as a welcome back since both have not been to many hashes in the recent months.

AML was then re-iced and sung a Happy Birthday song since it had been her birthday a couple of days before.

Akz Hole then charged Rambo with giving wrong directions to a visiting guest who finally made it to the run site but was too late to run!!

Finally the VGM charged Samy Beerman with arriving late to the run site and having members nearly pass out through lack of TIGER!!

## **Funnies**

**A little girl was talking to her teacher about whales.**

The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small.

The little girl stated that Jo nah was swallowed by a whale.

Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible.

The little girl said, "When I get to heaven I will ask Jonah".

The teacher asked, "What if Jonah went to hell?"

The little girl replied, "Then you ask him ".

**A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work.**

As she got to one little girl who was working diligently, she asked what the drawing was.

The girl replied, "I'm drawing God."

The teacher paused and said, "But no one knows what God looks like."

Without missing a beat, or looking up from her drawing, the girl replied,

"They will in a minute."

**A Sunday school teacher was discussing the Ten Commandments with her five and six year olds. After explaining the commandment to "honour" thy Father and thy Mother, she asked, "Is there a commandment that teaches us how to treat our brothers and sisters?"**

Without missing a beat one little boy (the oldest of a family) answered, "Thou shall not kill.

**The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture.**

"Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer, she's a lawyer,' or 'That's Michael, He's a doctor.'

A small voice at the back of the room rang out, "And there's the teacher, she's dead."

**A teacher was giving a lesson on the circulation of the blood.**

Trying to make the matter clearer, she said, "Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face."

"Yes," the class said.

"Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?"

A little fellow shouted, "Cause your feet ain't empty."

**The children were lined up in the cafeteria of a Catholic elementary school for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray: "Take only ONE. God is watching."**

**Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies.**

**A child had written a note, "Take all you want. God is watching the apples.**
