### **Notes from the GM**

Hi Everyone,

A big apology for not being present on Thursday but I had a three hour class to teach. I will also be missing in action next week but will see you all the week after. In the mean time have great hashing.

Tiny

On On

We had 31 members and 4 guests (Bommy, Hand Grenade, Samantha and Yo) turn up for Richard (Horn in Hand) Degerman's maiden set run at Bee Gallery. The weather looked overcast and there had been some light rain during the afternoon but all was OK on the night as they say! Rambo made the usual announcements and introduced the guests and next week's run. Then Richard gave some info on the run itself, it being short but with two bars.

The paper led to the pipe line and from there on up. As we hit the first 'level' the paper went right and it looked as though we were going to go and join the track that came from behind the shooting range but NO!! Halfway up there was a bar much to the chagrin of the front runners and so we all (well most) trudged back to look for paper. It was found across the small gully on the other side. We then followed the track on up again and again the paper went on up to the right. Damn another bar!! It was here that the faster front runners knowing fairly well what was in store, crossed the bar and headed on up the trail to make a longer run for themselves! The rest of us turned around yet again and looked for the continuing trail. Paper was found on the other

side of the stream and the ON ON was ON ON again as we crossed over and joined the Wild Boar Trail back down to Moongate and home to the runsite.

It was definitely a back runner's run but as Yo remarked "it did kill some of us" meaning Huge and herself. But it was great to see Horn in Hand also run and complete it as well. Thanks Richard.

After some very good chicken curry, mixed veg, rice and poppadums we had a quick circle with the VGM in charge. First on ice was Spiky Annie who seems to be more "Spicy" Annie since her latest change in hairstyle.

Next on the Ice Throne was Justbeer as a stand in for the Hare who had disappeared. She received our thanks on Richard's behalf.

Akz Hole then called Bibi Tulips and Mini Sausage to the ice as a welcome back after their vacation in the snow and ice of Europe.

Bommy then charged AML was being hard of hearing!!! Whilst on the run she had walked directly into an overhanging branch despite many shouts of "Mind your head"!!

Lastly Mini Sausage iced Take Care for crossing over the first bar whilst most of the runners went back to find paper.

Many thanks Richard for a good simple run, great food and a very pleasant evening and of course for the free beer you donated. Very much appreciated by all.

## **Funnies**

Two Middle Eastern mothers are sitting in a cafe chatting over a plate of Tabouli and a pint of goat's milk.

The older one of the two pulls a bag out of her purse and starts flipping through photos. They start reminiscing:

*"This is my oldest son, Mujibar. He would have been 24 years old now."*

*"Yes, I remember him as a baby" says the other mother cheerfully.  
"He's a martyr now though" the mother confides.*

*"Oh, so sad dear" says the other.*

*"And this is my second son, Khalid. He would have been 21."*

*"Oh, I remember him," says the other happily, "he had such curly hair when he was born."*

*"He's a martyr too" says the mother quietly.*

*"Oh, gracious me . . ." says the other.*

*"And this is my third son. My baby. My beautiful Ahmed.*

*"He would have been 18", she whispers.*

*"Yes" says the friend enthusiastically, "I remember when he first started school"*

*"He's a martyr also," says the mother, with tears in her eyes.*

*After a pause and a deep sigh, the second Muslim mother looks wistfully at the photographs and, searching for the right words, says . . .*

***"They blow up so fast, don't they?"***
