## ***Notes from the On Sex***

Hi Everyone,

The sky looked threatening and it looked as though it would rain any minute but it came to nothing.....thank goodness but a smaller than usual crowd gathered for Posh's run at Bee Gallery.

She announced a short to medium run and off we went towards the quarry. After crossing the wooden bridge and finding the small gazebo, we went left and found ourselves in the bush and climbing through rotted vegetation and slip sliding on dry leaves. With Huge to keep me company we skirted and then climbed a steep on up until we reached one of the tracks going up and where paper was spotted on the right and going further upwards!

Since we were slow we decided not to head that way and started down but hit paper amidst the front runners who started shouting "On Paper" so I guess up the hill was a check or a bar, so a good decision!!

The paper was on the pipeline trail and going up but we spotted some going down as well. So we convinced each other that down was still a better choice and so we did. However even this was no easy matter since a tree had fallen across the path and it was very slippery underfoot. Just as we reached the bottom we ran into Annelies and Molly who were doing their environmental bit by picking up plastic bottles.

As we got back to Bee Gallery the Co-hare said we came from the wrong direction and hence could not have been on paper. But we were on paper we said....but it may not have been ours!!

Circle:

First on ice was Beauty Queen who was acting as an Ah Long on the day.

She was then joined by Take Care who was acting as her body guard!!

We next welcomed back Fancy Pants and Fancy Panties who are back in Penang on holiday this time!! It is always great to see you both!!

It was presentation time for Michael Longhair who completed his 400<sup>th</sup> run. Quite an achievement. Well Done Michael and many congratulations.

A charge from the floor saw the bunny of the day on ice for giving wrong information at the pre-run circle. It was long to medium run NOT a short to medium one!!! Also for putting the bar too far away!!

A second charge from the floor saw Goodyear on ice. His crime...NOT following paper!!!

The bunny and her co-hare Geeman were then iced for setting a good run and Posh for serving up very tasty food including home made sushi!!!

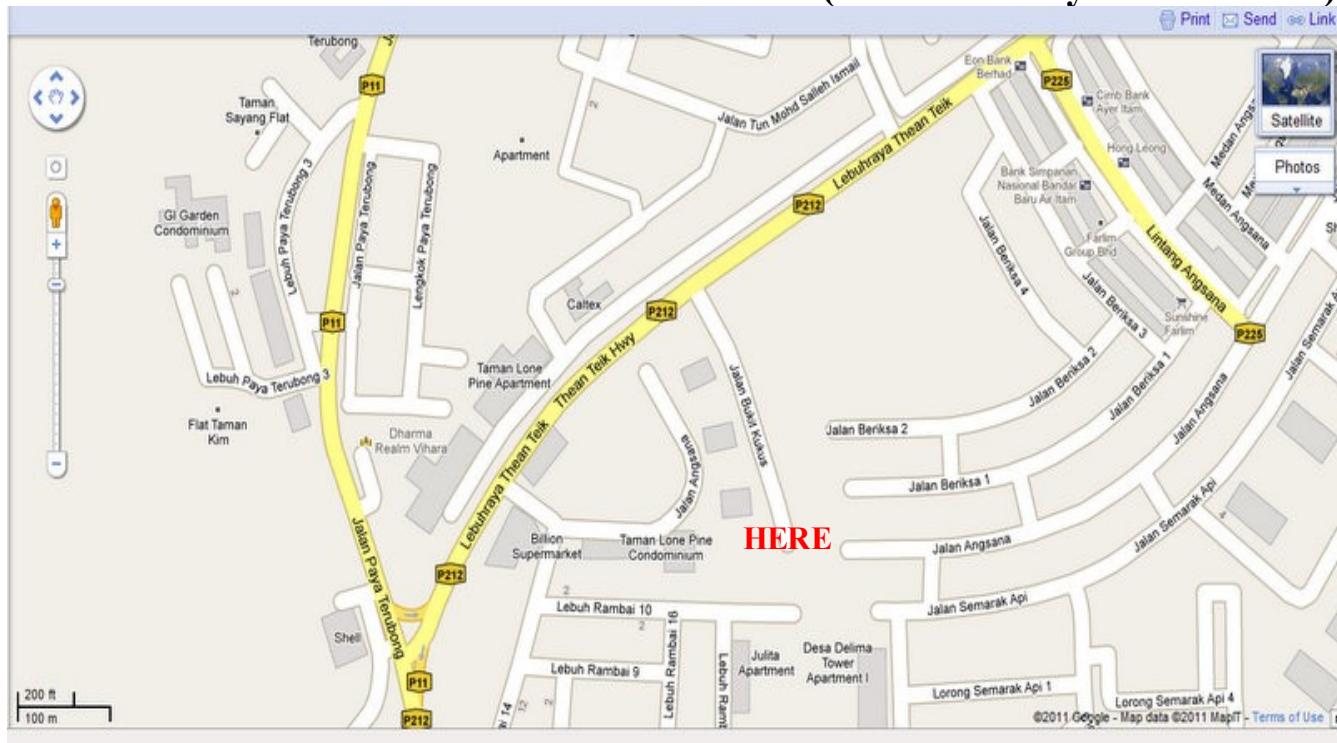

Christine was then iced as a welcome for being a new member.

The Bunny was back on ice for us to say a Happy Birthday and to be presented with a cake in the shape of a Tiger beer can made by Christine, who then was made to join Posh on the ice.

### **TOUGH HARLEY DRIVER...**

Is riding his monster hog across a bridge when he spots a beautiful young woman sitting on the edge with her feet over the railings.

He pulls over to the side of the bridge and dismounts. "What's the problem, gorgeous?"

"I'm going to commit suicide," she says.

While he did not want to appear insensitive, he didn't want to miss an opportunity and he asked, "Well, before you jump, why don't you give me a kiss?"

So, she does, with a deep tongue kiss.

After she's finished the biker says, "Wow! That was the best kiss I have ever had! That's a real talent you are wasting! You could be famous! Why are you committing suicide?"

**"My parents don't like me dressing up like a girl...."**
