### **Notes from a Co-hare.**

Hi Everyone,

Yawn Yawn....wake up, wake up! It's Thursday and we have to help set Vithia's run. So out of bed I get, breakfast, shower, dress in hash gear and out the door in under an hour. Very good for me! Get to Charlie Market. It's hard to find a parking spot but managed to get one finally under the shade of a tree but no hashers around and so we wait!! Put on the shoes, head gear, back packs and yet still people ask us if we are leaving as they want the parking space!! Yea sure, I always drive with a fully loaded back pack on!!

Silent Man arrives followed closely by Vithia and Lucas, so that makes 5 of us to set. Too many really but what the hell we want a good run and the more ideas the better. We had a quick look at some past runs from the GPS print out and a quick discussion on what Vithia had in mind. No problem! Seems like a good run and so off we went.

Up the slope and **RIGHT** through the Kampung, clipping paper all the way!! Straight across the road and behind a business premise, out on to another road, left turn, right turn and walk straight into the fringes of the jungle! Across a cultivated patch, across a small stream and into the bush proper. **EASY** as pie....paper all the way!! Climbed to the first terrace and put a bar going down but actually paper went on. Then climbed to the ridge behind the Chinese Temple on Lb Halia. Not so high but enough to make you sweat. Hit the ridge and then another check. Trail was actually to the right and then down the hill towards TAR College and the Shop Lots. About 3/4 the way down we swung left and started skirting the hill back towards the Hash Highway. A second hill, again not so high, but plenty of smaller ups and downs too. Another check and then

out towards the highway and home! An easy run but good terrain giving a good work out. Back at the runsite, wash up, change and off for something to eat and drink. Home after that and later back to the runsite but after the run had started!

Imagine our great surprise when Vithia told us the run was screwed up right at the start. How?? Someone had taken the paper from the lead into the Kampung and CLIPPED it going the other way up the highway!!!! The members naturally followed the clipped paper away from the correct trail. BUT THEN THERE WAS NO OTHER PAPER! So instead of turning back to find paper members decided to do their own runs!!! Only Mini Sausage turned around and located paper and did the run. Michael Longhair arriving late was pointed in the right direction and on he went to be greeted by a brown cobra at the bar! A story repeated many times back at the runsite later!

As the members returned many complaining of no paper, well there wouldn't be since they didn't do the run, Vithia was explaining the reasons and showing the GPS map we had printed out after setting. Later on a group of about 6 members returned saying they had done the run in reverse as they found home paper on the highway and decided to at least do the run even if it was backwards. Kudos to them as it would not have been easy to see the paper and break the checks.

Despite everything everyone had some sort of workout. We had about 4 different runs!! But the food more than made up for the screwed run and a great evening ensued. Many thanks Vithia.

### **Funnies**

*A woman rubbed a bottle and out popped a genie. The amazed woman asked if she got three wishes. The genie said, 'Nope, sorry, three-wish genies are a storybook myth. I'm a one-wish genie. So... what'll it be? The woman did not hesitate. She said, 'I want peace in the Middle East'. See this map? I want these countries to stop fighting with each other and I want all the Arabs to love the Jews and Americans and vice-versa. It will bring about world peace and harmony.'*

*The genie looked at the map and exclaimed, 'Lady, be reasonable. These countries have been at war for thousands of years. I'm out of shape after being in a bottle for five hundred years.. I'm good but not THAT good! I don't think it can be done. Make another wish and please be reasonable.'*

*The woman thought for a minute and said, 'Well, I've never been able to find the right man. You know - one that's considerate and fun, romantic, likes to cook and help with the house cleaning, is good in bed, and gets along with my family, doesn't watch sports all the time, and is faithful. That is what I wish for...a good man.'*

*The genie let out a SIGH, rolled his eyes and said, 'Let me see the f\*cking map again.'*
