Notes from the GM.

Hi Everyone,

It was so good to see you all after such a long absence! But the evening did not start out well. I left the flat at 5.00pm thinking I would be at the site a few minutes early – perfect but I was still on Mt Erskine Rd when the penny dropped that I should have left a quarter of an hour earlier as traffic had obviously got heavier in the last few months.

The next horror was seeing what they are doing to Bukit Gambir – one of my favourite spots. Various hashers tried to console me with the fact that the temple would be left alone so we could still use the site. Rest assured people in posh villas are going to complain and do their best to remove the hash riff-raff.

Instead of arriving in time to greet people etc. I arrived to see everyone already en route to the jungle but the thought of a good run spurred me into parking and dropping off the key in haste and getting myself into the jungle.

The good thing about being last is that you can say hi to everyone as you weave in and out of the pack trying to get nearer the front.

The trail went off to the right down the barren slippery steep slope we use so often. I remember being a bit apprehensive the first time I went down but it is amazing how familiarity removes all sense of danger and replaces it with a comfort zone of the known.

We then swung up to the left and clambered over the rocks and then right across the main track and up and over and round by the excited dogs to the clear area by the flats near Island Glades Chinese Temple.

We knew then the real climb would start but we also knew it is a good work out and not too long.

It was here that the pack got really spread out. I scrambled up it a bit like a crab – often putting down an arm to help the haul.

I really enjoyed the on down as quite a lot of it can be jogged and you know that every step takes you closer to the beer!

We had a short circle. First on ice was Bill who has rejoined Harriets so was welcomed back.

Next on Ice was Kali who was welcomed as Monday's GM and we don't have the honour of such presence often! Take Care was then called in because he was in the middle of his shower. He was well and truly doused in water. Justbeer then iced Black German because he called last minute for paper and then when she had waited and waited for him to arrive he called and said he had used Monday's paper.

There were no more charges from the floor so the hare – Black German was called back on the ice. Everyone enjoyed the run, the food was delicious and the location great so we thanked him for another brilliant Thursday.

See you all next week.

Funnies

God said, 'Adam, I Want you to do Something for Me.'

Adam said, 'Gladly, Lord, what do You Want me to do?'

God said, 'Go down Into that valley.'

Adam said, 'What's a Valley?'

God explained it to Him. Then God said, 'Cross the river.'

Adam said, 'What's a River?'

God explained that To him, and then said, 'Go over to the hill....'

Adam said , 'What is a Hill?'

So, God explained to Adam what a hill was. He told Adam, 'On The other side of the Hill you will find a Cave.'

Adam said, 'What's a Cave?'

After God explained, He said, 'In the cave You will find a woman..'

Adam said, 'What's a Woman?'

So God explained That to him, too. Then, God said, 'I Want you to Reproduce.'

Adam said, 'How do I do that?'

God first said (under His breath), 'Geez....'

And then, just like Everything else, God Explained that to Adam, as well.

So, Adam goes down Into the valley, across the river and over the hill, into the cave and finds the Woman.

Then, in about five Minutes, he was back.

God, His patience wearing thin, said angrily, 'What is it Now?'

And Adam said....

'What's a headache?'

A tall woman met a midget at a party. The midget was barely three feet tall but they were attracted to each other.

After a few drinks, they went back to the tall woman's apartment. "I can't imagine what it will be like making love to a midget," said the woman, "especially with the size difference and all."

"Just take off your cloths, lie back on the bed, spread your legs apart, and close your eyes," said the midget.

The woman obliged, and soon she felt the biggest thing she'd ever experienced inside her. Within a few minutes, the woman had eight orgasms.

"If you think that was good," said the midget with a smirk, "just wait until I get BOTH legs in there!"

This weekend saw quite a number of Hashers from the Island attend the 10th Anniversary celebration run of Lunas Friday Hash. What a bash it was as 1800 people registered for the event which must make it one of the largest gathering for some time. Over 88 chapters were represented and a good time was had by all!

We had some Harriets attend as well and also we did a little selling of our T-shirts and sarongs left over from the 2000th Run. Needless to say it was quite hard work but we did sell a substantial amount.

Here's a few photos of the event:
