Notes from the On Sex.

Hi Everyone,

It turned out to be a very eventful night with the last 4 people coming out at around 10.15pm. This was due to a guest who found the going a little too tough for her since it was quite a long run. However Silent Man, Richard and Uncle Bee stayed with her to see her to safety and the Hare, Car Boot also went back in to find them and bring them back. Thanks to all for being responsible for the well-being of our guest. The VGM was also very tired but as we waited to have the circle to see if the late comers appeared, the GM arrived and she conducted a quick circle as by this time quite a few members and guests were leaving. In the confusion of the night, as calls were being made every few minutes to the 'lost souls' to find out their progress, Car Boot's icing was overlooked. We apologise for that but we do wish to sincerely thank you for the run, good food and your rescue. Perhaps we'll get to ice you this week!!!

There were quite a few guests at the run from places as Norway, (Hilda and Robert) USA (our old friend Jellyfish) UK (Trigamist) plus some local ones as well, Texas Tits, Bullshitter, Sai Seng's Godson and Uncle Bee's friend. It was also good to see some MIA members turning up as well, Whatever, Sex Bitch, Gangreen. We hope to see more of you.

Horse agreed to write the burst for this week. Many thanks.

I, the Horse, just come only, kena tiger first. Many people also come lah, dont care lah, maybe 30 maybe 401, Horse bo chap siau. All I the Horse know is, some ang mor kow, some chinaman kow, sikit kelingakui kow, anyway, semua kow lah.

After vgm talk some shit and hare talk some shit, we go up the hill. Horse bo chap siau what shit they say lah.

At first I the Horse, was in front of a sexy lady but I, the Horse, feeling takut sikit.

What happens if sexy lady decide to jump on me, I, Horse, some more tiger mabuk, so I also scared lah. So, Horse, quickly let sexy lady overtake, and up we go. Anyway, the view also not bad lah.

Uphill not too long lah, but walk along the top boring lah. But suddenly, Horse saw one angmor lady being chased by one angmore gentleman ... I, the Horse, think they having a mating ritual lah. Very animal lah. Later I hear they guest from Norway, that land very khim-siew one lah.

Downhill very long and boring lah. If not for nice view of sexy lady in front, I, the Horse, can fall asleep lah.

After downhill, I the Horse, tired already, find a dark quiet spot and relax long long. But suddenly a man with long long hair one come sit beside me and cast long long shadow upon me, the Horse. But me, the Horse, bo chap siau, too tired already, man or ghost, Horse also not takut already lah. Too tired lah.

The GM then call circle or whatever, I, the Horse, too tired, also bo chap siau. I hear some people still up the hill, two men and two ladies, so I hear.

In my tired and tiger mabuk state, still I, the Horse, also wonder. What can 2 men and 2 ladies do for so long, four hours?

At last when they came down, I give interview to them...one of the lady say they were fxcxing the trees!!!!

This lady very dirty mind one lah, I, the holy Horse, never thought of that. I was thinking maybe they have some quiet meditation or prayer session or something like that. Anyway, I glad they are safely down.

So, it was the end of another good Harriets meeting. Happy new year !
