## Newsletter 2058

### **Notes from the On Sex.**

Hi Everyone,

Last week Uncle Bee was saying how busy things were and what a hectic schedule she was having. All I can say is that I AGREE!! The last few weeks have been nothing but weddings (most enjoyable too) and this week alone we had two weddings in one day! It has played havoc with Akz Hole's and my running schedules and hence we missed the actual run again this week but at least we did show up for a while. Thank goodness we have been setting a few runs recently and have done our own runs on other days, otherwise my slow pace up the hills would be at a dead stop when I finally get back to running on Thursday evenings again!

It was good to finally make the new Information Centre as a run site since it provides both light and shelter in case of inclement weather. We tried once before just after it had opened but they had a big meeting and we were asked to make it another day. Well that day finally arrived and it proved to be a good choice. I think as long as we keep the area clean and tidy after our runs we should be able to continue to use this site (according to my contact in the office there) so please all take note. In fact we should make sure all our run sites are left clean and tidy after using them.

Well enough waffle from me for now.

**Run Number: 2057**

**Venue: Youth Park New Information Centre**

**Date: 21<sup>st</sup> July 2011**

After being down with a really persistent bug in my body for almost a week I decided to go for hash to flush all what was wrong out of me.

Low and behold how wrong can it go. First of all when I came from work I needed to wait for a guest who wanted to run with us (5.15pm). As it was his virgin run I wanted to be on time so he could enjoy the social gathering before a run, listen to the bullshit of the VGM (as the Thursday GM is most absent due to financial commitments) and start the run in a leisure way. As he was late we needed really needed to hurry up to make it on time.

Driving from the bridge and talking to the guest I was too late to turn left and go the road in front of USM so I needed to go through the underpass which costs us at least 10-15 minutes(5.45pm). Once I cleared this hurdle we went on the way to Leader Garden and we needed to clear the second hurdle which is the Chinese school at Gottlieb. Grasshopper saw me struggling trough the traffic and honked at me to get my attention but I was too busy to beat the traffic (6.00pm). We would be late for the announcements but never mind G-string, with Geeman, would have perfect run waiting for us.

As I reach Leader Garden lower part (6.08) I looked for hashers but no one to be seen. Ok must be at the watertank so driving up the road towards the upper part no sign of hashers either. (6.11pm) Shit we must be at the wrong run site so were is the F... run today. Making a phone call I found out that it was a new venue at Youth park called informasi centre. (6.15pm) Racing back towards the Centre I needed to clear one more time the hurdle of the Chinese school at Gottlieb. (6.30pm). As it was not enough I had a very slow car in front of me driving into Jesselton with a notorious CC sticker on the back preventing me from laying a rubber trail towards the centre. Finally Helmut moved over and let me pass him for speeding the last few hundred meters to the run site. Finally we reached it at 6.35pm. Jumping out of the care to put my shoes on I found out that I forgot them so what to do? Ok the run is short and easy with no difficulties I can run it on my office shoes.

The VGM asked me to write the burst as she didn't do the run therefore you get the story above as the run was, as the hare said, short and uneventful with no difficulties. I went around with my guest in 40 minutes if I would have had my normal shoes it would have been done in 30 minutes. Going from the run site in front of the pedestrian centre, into the jungle up Jesselton hill towards torn village, from there on the trail towards the farm land and then direction 39. Just before you go on the trail to 39 we veered down back to Youth park to enjoy our beer and in my case a 100+. (7.30pm)

VGM called the circle to put a few people on ice first one was Alastair for achieving his 200 runs, second one was Spermwhale, followed by Posh and after that G string as the Bunny of the day.

Nice food good atmosphere and a new virgin run site which was baptised as G-spot runsite.

## **Funnies**

**A Primary school teacher explains to her class that she is a Liverpool football club fan. She asks her students to raise their hands if they too are Liverpool fans. Everyone in the class raises their hand except one little girl. The teacher looks at the girl with surprise and says, 'Mary, why didn't you raise your hand?'**

**'Because I'm not a Liverpool fan,' she replied.**

**The teacher, still shocked, asked, 'Well, if you are not a Liverpool fan, then who are you a fan of?' 'I am a Chelsea fan, and proud of it,' Mary replied. The teacher could not believe her ears. 'Mary, why, pray tell, are you a Chelsea fan?'**

**'Because my mum is a Chelsea fan, and my dad is a Chelsea fan, so I'm a Chelsea fan too!'**

**'Well,' said the teacher in an obviously annoyed tone, 'that is no reason for you to be a Chelsea fan. You don't have to be just like your parents all of the time... What if your mum was a prostitute and your dad was a drug addict, what would you be then?'**

**'Then,' Mary smiled, 'I'd be a Liverpool fan.**
