## Newsletter 2066

### **Notes from the GM.**

Hi Everyone,

Wow, two weeks running I have been at the beginning of the run! At the circle the nineteen members present welcomed Money Manfred (Bibi Tulip's guest), Drain oil (Snow White's guest) Big Poo (Medan Hasher), and KhIshi (a returning Penang Harriet). The Bunny (Bibi Tulips) told us it was a medium run with no checks.

Hiding in the background were more runners from Medan. The number of members swelled during the course of the evening. Mini Sausage, Spermwhale and Goodyear joined the run late. Akzhole, Uncle Bee, Back door, Spikey Annie + more Medan Hashers, Wet Wet, Running Fire and Monty came for the social side of things.

The run started behind Bee Gallery. We crossed the river on the conveniently placed stones and entered the jungle. The start was the usual on a bit, up a bit, on a bit that would have been a great warm up if we hadn't been so hampered by the thorns, overgrown undergrowth and slippery nature of the soil beneath our feet.

At this point Pussy Cat appeared and we stayed together for the rest of the run. We got to a decent height and then the bad news came, we were going down and it was far too soon to be anything other than a diversion before the main on up. Sure enough we came out in the cemetery crossed a few derelict graves and re-entered the jungle.

There was more undulating skirting in a generally right direction and then the relentless upward slog began. We kept hopefully looking upward but there was no let up in the density of the trees, no vision of blue sky, so it was still a way to go.

But after a great deal of huffing and groaning we did reach the top. Why is it that there is always so much more up than down? The on down was good and we jogged it when possible but even here the hazards meant that we had to constantly stop and negotiate rocks, fallen logs,

impassable undergrowth or gigantic thorns. Now come on guys, who has been out with the fertilizer? Get realistic and change to weed killer!

We had a circle. The first on ice was Kim Looi who was belatedly thanked for setting her run and providing delicious food. Boss was next on ice and welcomed as Medan Harriettes' GM. Lumber Jill was iced for being a frequent visitor to Penang. Boots was iced for providing GM with yet another pair of hash flip flops. Doughnut was charged as the best bemo jaga ever – she was sporting a 900<sup>th</sup> bemo jaga shirt. Big Poo was iced for disappointing Gm. In Medan she had found following his bum an incentive to be a front runner but during this run he had stayed in the middle of the pack. Diamond was charged with sparkling in her shorts and shirt made from a Penang 2000<sup>th</sup> sarong.

Rubber Cheque was iced for obviously causing the latest financial crisis. Mandi Basah was charged with doing business in the circle – she had been selling hash apparel. Pencil Prick was welcomed as a visitor. Helmet was iced and wished a happy birthday ( his birthday was last Monday). Money Manfred was welcomed as a new member of the Harriets. Back Door was iced because she was the youngest, most attractive Harriet in the circle. Drain Oil was charged for being Monty's on sex in KK. The mind boggles! Spikey Annie was iced for taking care of the Medan hashers and thanked for bringing them to Thursday.

Good Year then iced Running Fire and Wet Wet for quacking in the background and not respecting the circle. Big Poo charged Monty with late coming. Monty then iced Sperm Whale who had been encouraging him to do the indecent full-Monty thing we have seen in the past. There were no more charges from the floor so the Bunny (Bibi Tulips) was iced. The general consensus was that the run was a great, interesting workout, the food was delicious and the location brilliant. Many thanks Bibi for another wonderful Thursday evening. A special thanks for ensuring there was plenty of food for all the visitors.

A special thanks to Hari Hari Mau who in the absence of committee members, gallantly stepped in and did the amah's job so efficiently.

### **Special Note**

The Penang Hash House Harriers (Monday men) have their 2,500<sup>th</sup> run celebration on October 15<sup>th</sup>. Because they were the first Hash in Penang and we were the second, there has always been a strong link between us. It would be great if a large contingent of Harriets supported this run. If you have not already signed up for the run and you would like to, please contact a committee member or Kali.

Unfortunately I will not be at the run at the beginning next week. However, I will see the diehards who stay late.

### **40<sup>th</sup> Anniversary**

Our 40<sup>th</sup> Anniversary will be celebrated on Saturday February 18<sup>th</sup> 2012. This is such a milestone and it would be fantastic if all our members supported the event. We will do our utmost to make it a memorable event. The venue will be the quarry and the registration will start at 1.00pm and the frolics will continue until 12.00 midnight.

In order to avoid hassles and difficulties the fee for all comers will be RM 50. However, members who support the event will be rewarded with a reduction of RM20 on next year's subscription fee.

If you have ideas for entertainment items etc. please talk to any member of the committee. Hope to see you all there.

On ...on.

## **Funnies**

The wife came home early and found her husband in their bedroom making love to a very attractive young woman.

And she was upset. 'You are a disrespectful pig!' she cried. 'How dare you do this to me -- a faithful wife, the mother of your children! I'm leaving you. I want a divorce right away!'

And the husband replied, 'Hang on just a minute love, so at least I can tell you what happened.'

'Go ahead,' she sobbed, ' but they'll be the last words you'll say to me!'

And the husband began -- 'Well, I was getting into the car to drive home, and this young lady here asked me for a lift. She looked so down and out and defenseless that I took pity on her and let her into the car.

I noticed that she was very thin, not well dressed and very dirty. She told me that she hadn't eaten for three days.

So, in my compassion, I brought her home and warmed up the enchiladas I made for you last night, the ones you wouldn't eat because you're afraid you'll put on weight. The poor thing devoured them in moments.

Since she needed a good clean-up, I suggested a shower, and while she was doing that, I noticed her clothes were dirty and full of holes, so I threw them away.

Then, as she needed clothes, I gave her the designer jeans that you have had for a few years, but don't wear because you say they are too tight.

I also gave her the underwear that was your anniversary present, which you don't wear because I don't have good taste.

I found the sexy blouse my sister gave you for Christmas that you don't wear just to annoy her, and I also donated those boots you bought at the expensive boutique and don't wear because someone at work has a pair the same.'

The husband took a quick breath and continued - 'She was so grateful for my understanding and help that as I walked her to the door, she turned to me with tears in her eyes and said,

'Please.... Do you have anything else that your wife doesn't use?
