## Newsletter 2068

### ***Notes from the On Sex.***

Hi Everyone,

“What's in a name? that which we call a rose, by any other name would smell as sweet;” And that is certainly the case for our own Rose Jones who is our oldest member, still active and always ready with a lovely smile. So it was great to see a lot of the members coming to support her as she hosted the run last Thursday. Not only members but guests and returning members also! It is good to know that we still have the camaraderie, friendship and desire to support our fellow members. It really was a great night with lots of atmosphere, seemingly free flowing beers, courtesy of Snow White and Jorgen, many thanks to you both, good food and the weather held as well. What more could we have wished for?

Ah yes the run!! Well Rose said it was a Grandma run but in places you had to have been quite a fit Grandma to climb the hill. But I get ahead of myself. The On In was behind and to the left of the new stable block (built without the proper authorisation I'm told but that's not new in Penang), and along the old track that is now all but gone. A right into the bush and a small climb up to the concrete road at the top (the one leading down to Youth Park). A right here as though going back home but then a left at the big rock and on to the Point 7 trail. Although this is a recognised trail it still is a good work out in itself since the gradient is quite steep in places. We followed the trail for a while and then there was a left downward paper trail towards the stream at the bottom. However this proved to be a bar and back up we went onto the track again and plodded on. Further up another downward paper trail and this time it was correct as it wound down to the stream, across the other side and up the steep hill. I was with one of the guests, Rabbi, and up to now he was making good progress but the climb up the hill exhausted him and

he baled out at the top with Edna leading him home. Silent Man, Rambo and I continued following paper which lead us along the track towards T39. However just when we thought we still had a long way to go the trail took a left turn up a short but steepish incline and low and behold we were on the top of the old Chili Farm. The view was quite wonderful and it's a place we never seem to get to now as the paths are all overgrown. Down the other side we went, sliding on the loose gravel until we hit the path that takes you to Batu Gantong and T45. A left here and then all the way back through the Lemongrass on the 45/39 trail downwards and back through Youth Park to the New Information Centre.

In all a good run, one steep climb, good views and a good work out. Thanks Grandma.

#### **Special Note**

The Penang Hash House Harriers (Monday men) have their 2,500<sup>th</sup> run celebration on October 15<sup>th</sup>. Because they were the first Hash in Penang and we were the second, there has always been a strong link between us. It would be great if a large contingent of Harriets supported this run. If you have not already signed up for the run and you would like to, please contact a committee member or Kali.

#### **40<sup>th</sup> Anniversary**

Our 40<sup>th</sup> Anniversary will be celebrated on Saturday February 18<sup>th</sup> 2012. This is such a milestone and it would be fantastic if all our members supported the event. We will do our utmost to make it a memorable event. The venue will be the quarry and the registration will start at 1.00pm and the frolics will continue until 12.00 midnight.

In order to avoid hassles and difficulties the fee for all comers will be RM 50. However, members who support the event will be rewarded with a reduction of RM20 on next year's subscription fee.

If you have ideas for entertainment items etc. please talk to any member of the committee.

Hope to see you all there.

## **Funnies**

A ventriloquist cowboy walked into a New Zealand town and saw a rancher sitting on his porch with his dog:

Cowboy: Hey, cool dog. Mind if I speak to him?

Rancher: This dog don't talk!

Cowboy: Hey dog, how's it going?

Dog: Doin' alright.

Rancher: (Extreme look of shock)

Cowboy: Is this your owner? (pointing at rancher)

**Dog: Yep.**

**Cowboy: How's he treat you?**

**Dog: Real good. He walks me twice a day, feeds me great food, and takes me to the lake once a week to play.**

**Rancher: (Look of disbelief)**

**Cowboy: Mind if I talk to your horse?**

**Rancher: Horses don't talk!**

**Cowboy: Hey horse, how's it goin'?**

**Horse: Cool.**

**Rancher: (an even wilder look of shock)**

**Cowboy: Is this your owner? (pointing at rancher)**

**Horse: Yep.**

**Cowboy: How's he treat you?**

**Horse: Pretty good, thanks for asking. He rides me regularly, brushes me down often, and keeps me in the barn to protect me from the elements.**

**Rancher: (total look of amazement)**

**Cowboy: Mind if I talk to your SHEEP?**

**Rancher: (gesticulating wildly, and hardly able to talk)....Them sheep ain't nothin' but liars!**
