## **Newsletter 2081**

### **Notes from the On Sex.**

Hi Everyone,

There was a look of disbelief on the faces of the 40 members and 10 guests when a medium to long run with 1 check and 2 bars was announced for the Committee Run. The initial assumption and word going around was that of "Haunted House" but the Hares were saying nothing. Off down the road they went and in by the waste ground at the end. First check was here and was broken by KGB who found the trail going straight on and not down across the stream to the Chinese Temple as thought by some! Through the rapidly overgrowing trail and through the small farm, hit the trail and left into the usual wider trail was the way forward. Then the paper swung right to cross the stream just below the PBA area but this was a BAR and so the runners had to return back across the stream and find the trail going straight on once more. Up a short incline and then left along the track until the second bar forced the runners left and onto the long long climb to the turning point at the top. The terrain here varies from vines and thorns at the bottom to massive rocks further up and then soft spongy ground towards the top. It makes for a interesting and toughish climb. Not quite reaching the peak the trail swung left and hit the downward track that comes from the Haunted House. So although the runners were on the track the initial fear of actually going to the HH were unfounded much to their relief. The On Down was all on track, so relatively easy but long!!!

KGB was the first one back in an hour (good going!!) and he was surprised that this was a Harriet run. Pussycat and Take Care came in not long after followed by SpeedHound and Flying Kiwi. As the dark decended there were still about 10 runners yet to return but even they all trooped in slowly but surely over the next 45 minutes or so. The main comments were that it WAS an enjoyable run even though it was on the long side for some! A very good work out enabling all

to subsequently enjoy the makan served up.

A short circle saw the guests welcomed, Sai Seng iced, since he likes to cool down after a run. Our new member Calvin was iced with him as he was caught using his mobile during the circle. Benji was next since for the previous half hour he had been searching everywhere for his keys which were not in the bag, when low and behold he found them...in the bag!!!!

Justbeer and G-String were iced as representatives of the Committee and thanked for providing a great run, good food and good weather!! The evening then continued in great party mood until late. We even had a firework display!!!

**BUT:**

Although we had a good run and a wonderful evening an incident did occur that needs to be highlighted. About 15/20 mins after the start of the run, a PBA Official turned up at the run site, specifically looking for me. He complained about certain of our members caught red-handed deliberately damaging the fencing at the PBA station. When confronted with the act they gave MY name as being responsible and hence they came looking for me! I would like to know firstly, why were runners trying to get through the fence when there was no paper there (I know as I helped to set the run) and they had to cross a BAR to get to the fence and secondly, why give them my name?

We, as people first and Hashers second, should not and do not wilfully damage property. Not only does it reflect badly on ourselves, our Chapter but also on Hash itself and hence a few individuals can ruin the reputation of many by doing such stupid acts.

Please DO NOT let this ever happen again.

On on .....

We will do our utmost to make it a memorable one. The venue will be the Quarry and the registration will start at 1.00pm and the frolics will continue until 12.00 midnight.

In order to avoid hassles and difficulties the fee for all comers will be RM 50.

If you have ideas for entertainment items etc. please talk to any member of the committee.

Committee members have forms to fill up (we need to know your T-shirt size and the length of run you want to do so that you are properly catered for) I hope everyone will support the event - it will be good!

For the 40th we will be giving participants a CD instead of a magazine. If you would like to place an advert on the CD or write a congratulatory message the cost is RM 20. ## **Funnies**

(1) A new bride went to her doctor for a check up. Lacking knowledge of the male anatomy, she asked the doctor "What's that thing hanging between my husbands legs?"

The doctor replies "We call that the penis." The new bride then asks "What's that reddish/purple thing on the end of the penis?"

The doctor replies "We call that the head of the penis. The bride then asks "What are those 2 round things about 15 inches from the head of the penis?"

The doctor replies "Lady, on him I don't know, but on me they're the cheeks of my ass!"

(2) So this older guy goes to the doctor asking for a prescription for 'Viagra'. The guy asks for a large dose of the \*strongest\* variety. The doctor asks why he needs so much. The guy says that two young nymphomaniacs are spending a week at his place. The doctor fills the prescription.

Later that week, the same guy goes back to the doctor asking for pain killers. The doctor asks 'why, is your dick in that much pain?', 'no', says the guy, 'it's for my wrists - the girls never showed up!'

(3) One evening this drunk walks into a bar, sits down, and happens to notice a 12" tall man standing on the bar. Astonished, the man asks the guy next to him; "What the hell is that?" The guy next to him replies "He's a pianist!", to which the drunk replied "Horse shit, your pulling my leg" So the guy next to him picks up the 12" man , grabs some books, and props the little man up to the piano. Sure enough, this little man started hammerin out all the favorite tunes of the bars'

patrons. Stunned, the drunk asks "That little guy is cool, where the hell did you get him"? The fella told the drunk how he had found a genie bottle out in the alley, rubbed it til a genie appeared, and was granted one wish. All of a sudden the drunk hauls ass out the back door, finds the bottle, and starts rubbing it: when all of a sudden a genie pops out and grants him one wish. In a slur, the drunk asks "I wish for a million bucks". All of a sudden, the sky turns black and overhead a million ducks come flying overhead shittin all over him. Angrily, the drunk runs back inside, slams the door and begins cursing "You son of a bitch, I found that genie bottle and wished for a million bucks and all of a sudden there are a million ducks shitting all over my new suit." The fella started laughing and wildly exclaimed "You don't really think I wished for a 12" pianist do you?"

(4) A very good looking man walks into a singles bar, gets a drink and has a seat. During the course of the evening he tries to chat with every single woman who walks into the bar, with no luck. Suddenly a really ugly man, and I mean R-E-A-L-L-Y ugly man walks into the bar. He sits at the bar, and within seconds he is surrounded by women. Very soon he walks out of the bar with the two of the most beautiful women you ever saw. Disheartened by all this, the good looking man asks the barman, 'Excuse me, but that really ugly man just came in here and left with those two stunning women - what's his secret? He's as ugly as sin and I'm everything a girl could want but have not been able to connect all night - What's going on?' 'Well,' Said the Barman, 'I don't know how he does it, but he does the same thing every night. He walks in, orders a drink, and just sits there licking his eyebrows...'
