### Notes from the VGM

Hi Everyone,

What terrible heat!! This made hashing not too attractive. The run site was supposed to be by the waterfall but indeed the Jln Tembaga waterfall was parched. On reaching the runsite I met Renata, the bunny of the day, with Helmut busy setting up the food stall.

The circle was called at 6pm and announcing a very important point of NO alcohol in the temple ground and to keep the place clean as we would like to keep good relations with the temple committee.

The run was stated as a medium one and the normal way out of the carpark. However the paper then turned left but this was not the correct path as we had been tricked. The correct path was up the steps to the right and then straight on directly across the badminton court and onto the upward track. The paper turned left someway up the track and a check was found. Everyone was searching for paper but we could not find it and so we decided to go right and follow the pipeline towards the Chinese temple. From there some of us decided to go up the Tembaga Hill to the Tea House. A beautiful view of the Goddess of Mercy, the Pagoda and by the left, Island Glades housing estate.

Returning from the Tea House we found home paper.....

Circle

First on ice was Anjalai. She normally goes off after the run but tonight she stayed back to help me. So my thanks to her. Sai Seng was making noise as we iced Anjalai and so he too was iced

with her. We next welcomed the guests who were sisters of Ah Nee and Chris. Melons was our other guest. Pauline was then iced as a welcome back from her soujourn in a freezing Europe. Sai Seng then charged me but it didn't make any sense and he too sat back on the ice to enjoy another beer!! It was happy birthday time for Steve (whose B'day was that very day) and Edna, whose was a couple of days later. Happy Birthday both of you. Akz Hole then charged Edna who again had to sit on ice. He asked her how long she had been hashing (more than 30 years) and what her hash name was (Don't have one!!) So because of her long connection with the Club and that she has held every position and she looks after us all we named her "Mother Hen".

Last on the ice was the Bunny of the Day, Renata. She was thanked for a good run (although not many did it properly) fantastic food and good location. I particularly enjoyed the beetroot soup...delicious. We also found out that Renata did not have a hash name and she was finally called Pole Dancer (fits well with Polish Piper who is Helmut) however there is some disagreement since another Chapter want to call her something else but we Officially named her on ice and the others are just talking about it. So really she should be called Pole Dancer! Any way many thanks Renata for a lovely evening.

Hi Everyone,

Wowee next Saturday is the 40th Anniversary. We need to make sure our guests are happy so please be prepared to help the committee with little chores. If you are still at the venue for the closing of the evening would you mind giving the committee a hand by helping to tidy up. We need to leave the quarry clean or they will not allow hashers to use it in future.

Looking forward to a brilliant event

On on .....

## Funnies

Wife comes home late at night and quietly opens the door to her Bedroom.  
From under the blanket she sees four legs instead of two.

She reaches for a Baseball Bat and starts hitting the blanket as hard as she can. Once she's done, she goes to the kitchen to have a drink.

**As she enters, she sees her husband there, reading a magazine.**

**"Hi Darling", he says, "Your parents have come to visit us, so I let them stay in our bedroom. Hope you said hello to them."**

**"Intelligence"**

**Two men were digging a ditch on a very hot day.**

**One said to the other, "Why are we down in this hole digging a ditch when our boss is standing up there in the shade of a tree?"**

**"I don't know," responded the other. "I'll ask him."**  
**So he climbed out of the hole and went to his boss.**

**"Why are we digging in the hot sun and you're standing in the shade?"**

**"Intelligence," the boss said.**

**"What do you mean, 'intelligence'?"**

**The boss said, "Well, I'll show you. I'll put my hand on this tree and I want you to hit it with your fist as hard as you can."**

**The ditch digger took a mighty swing and tried to hit the boss' hand. The boss removed his hand and the ditch digger hit the tree. The boss said, "That's intelligence!"**

**The ditch digger went back to his hole. His friend asked, "What did he say?"**

**"He said we are down here because of intelligence."**

**"What's intelligence?" said the friend.**

**The ditch digger put his hand on his face and said, "Take your shovel and hit my hand."**
