## Newsletter 2090

### Notes from the VGM

Hi Everyone,

The weather was kind to us. Batu Gantong does not have a lot of trees where we were. Only greeted by surrounding of Tombstone - "Rest in Peace all my Brothers and Sisters." Here I saw Mike and Vithia walking towards us all soaking wet.

Mike said: A Medium Run, 2 Bar, "Find Paper !!" The 20 or so Runners started to move on to the Right side of the Crematorium. After a few minutes Mike Shouted "On Paper !". We track back and go on to the Left Side of the Crematorium. We were greeted by cowshade, cow and chicken. Here some were looking for Paper. David was on top of a track waving no paper. We cross over the field and up to a slope, there was paper. Following the paper up to the Rifle Range Track. It keep ascending till the back runner reached lower slope, was caught in the bar. We eventually found paper and lead us up to the Higher level where the farm land is with kasteria lime tree around. Still climbing higher, crossing a small ravine to the other side of the hill. We rested and enjoyed scenery of the graveyard, racecourse, the Rifle Range flats and the surrounding area. We moved along the terrace, the air up here is cool. We followed the cement path down and homeward bound. (They did a bit of short-cutting it seems...Ed.)

## Funnies

1. **The Dean of Women at an exclusive girls' school was lecturing her students on sexual morality. "We live today in very difficult times for young people. In moments of temptation," she said, "ask yourself just one question: Is an hour of pleasure worth a lifetime of shame?" A young woman rose in the back of the room and said, "Excuse me, but how do you make it last an hour?"**
2. **This guy visits the doctors and says, "Doc, I think I've got a sex problem. I can't get it up for my wife anymore." The doctor says, "Come back tomorrow and bring her with you." The next day, the guy shows up with his wife. The doctor says to the wife, "Take off your clothes and lie on the table." She does it, and the doctor walks around the table a few times looking her up and down. He pulls the guy to the side and says, "You're fine. She doesn't give me a hard-on, either."**
3. **A wife says to her friend, "Our sex life stinks." Her friend says, "Do you ever watch your husband's face when you're having sex?" She says, "Once, and I saw rage." Her friend says, "Why would he be angry during sex?" The wife says, "Because he was looking through the window at us."**
4. **Business was good at the local whorehouse and the madam decided to partition one of larger rooms. After the work was complete the carpenter asked for payment but was put off. After several weeks he still hadn't been paid and he regularly threatened, "Pay me or I'll rip out the partition." Finally the madam offered to pay him in trade. "Take any girl in the house and have your pleasure with her."**

**"I'll take you."**

**"Me? I'm an old lady. Take one of those young, good looking chicks."**

**"I want you."**

**So he took her upstairs and removed all her clothes, laid her on her back and put one finger in her pussy and one finger in her butt. "What are you doing?" she asked. "I told you before. Pay me or I'll rip out the partition."**
