### **Notes from the VGM**

Hi Everyone,

I had never seen such a busy hare, as White Lion when I met him on the run-site. Alex was all sweating, walking up to his car and back, checking the top of the hill near the road side in Leader Garden. He is such a helpful Hare, doing his bits, getting the hash bag to the suitable place. Putting the cards in for all those he knew and chopped them straight away. He is the man of environment, taking away the food boxes and see the run-site as clean as it was.

I welcome Camilla, guest of Jorgen. The run was medium, follow hash paper and no check. Around 15 -20 Runners climb up the tedious, steep slope. This 1<sup>st</sup> leg was tough going and since I was pumped out, I step aside. Let the faster ones go, like Bibi Tulip who is behind me. I was stuck on a slippery, sandy slope. Jorgen then with all his Viking might gave his hand and pulled me to the drain step. "Thank you Jorgen."

This took me on a easy up hill path. Down the valley, crossing a stream, lead me and the back runners to a upwards climbed. I called it a fat burner for a 20mins -1/2 hr workout.. James's daughter was a tough little on. I could see she steadily moving on with Papa in front, encouraging all the Harriettes at the back. Head up the top I met Take Care, following is Anjalai coming out from different direction, they had missed paper. Take Care had taken Anjalai to "Hor Lun"!! Together we searched for paper. I found it. We all come rushing down like a pack of wild boar. The On Down was well supported by nylon strings making it easy to come down without falling. Coming down I was alone, following the paper, I realized this tar track, overgrown vegetation, had to lead me out and up sometime. I was careful not to miss the left turn into the jungle. Paper on the left and a bar across . Steadily up to the path, down a small slope, following the pipe line crossed the soggy ground and had a wash at the water tank. From here is the usual home ward

bound trail down where Alex Gatti gave us Chicken Rice for our GOOD workout.

### Circle

Storm and heavy rain came down during our meal. I called for a quick circle hopefully to beat the coming strong wind. Camilla came out of Jorgen's car to be on ice with Umbrella. "Welcome another Viking to HHHP." By now everyone was in the Circle with umbrella. Bibi sat on ice, because she was early this time to be with us at the start. Happy to see you lah! Eddie was the birthday boy was on ice. Couple of Harriettes were in Samy's van sheltering from the rain with Sai Seng. They were put on ice, for as we say "together will stand, divided will fall- lah". Out come the umbrella with the ice as their seat. We were dancing around with the umbrella and sang "Singing in the Rain". Mike had a hard time taking pictures, with all the faces covered with the umbrella, strong wind and wet. Poor guy. Bless you Mike!  
The Heaven and me thank Alex Gatti with strong wind, raindrops and ice sitting for the GOOD run, belly filled chicken rice, wonderful and soaking atmosphere . THANKS WHITE LION.

HI HARRIETTES AND ALL THOSE WHO WERE PUT ON ICE. THANK YOU FOR BEEN SO SPORTING. ON! ON! ON!

### RE: ROBBERY AND DESTRUCTION AT OUR HASH PLAYGROUND.

On 20th February 2012 at 9.00am, at 53rd. Floor, KOMTAR

Myself, our Hash Cash- Manfred and Gurdial Singh have attended a meeting chaired by Dato Haji Mokhtar/YB Pegawai Kewangan Negeri together with other Authorities: Forestry Dept, Polis, District Officers, Forest Rangers from all Districts, Land Office, RELA, Markas 2 Division, National Park Officer, Director Botanical Gardens, Municipal Council Rep, Pengarah Immigresen Negeri and few more.

They all have discussed all areas of handling the situation of Agarwood trees being chopped and the destruction to our forest.

We Hashers have assured them that we Hashers from all 8 chapters, during our runs and on run surveys, if we come across freshly chopped trees or if we hear tree chopping sound or chain saw sound the hasher shall call the Forestry Dept Hotline **04-8262716** to report. The Dept then arrange the Flying Squad to the area to nab the perpetrators.

As the jungle, hills, forests on the Island are our running country or our playground we should be responsible for the flora and fauna from being destroyed or stolen or robbed.

## *Funnies*

1. While in the playground with his friend, Little Johnny noticed that Jimmy was wearing a brand new, shiny watch. "Did you get that for your birthday?" asked Little Johnny. "Nope." replied Jimmy. "Well, did you get it for Christmas then?". Again Jimmy says "Nope." "You didn't steal it, did you?" asks Little Johnny. "No," said Jimmy. "I went into Mom and Dad's bedroom the other night when they were 'doing the nasty'. Dad gave me his watch to get rid of me.

Little Johnny was extremely impressed with this idea, and extremely jealous of Jimmy's new watch. He vowed to get one for himself. That night, he waited outside his parents' bedroom until he heard the unmistakable noises of lovemaking. Just then, he swung the door wide open and boldly strode into the bedroom. His father, caught in mid stroke, turned and said angrily. "What do you want now?" "I wanna watch," Johnny replied.

Without missing a stroke, his father said, "Fine. Stand in the corner and watch, but keep quiet."

2. Two pedophiles were walking down the street one day when they came across a pair of small lacy knickers on the ground. The first one picks them up, smells them and goes, "Aahhh... A seven-year-old girl." The other grabs them from him and also takes a smell and goes, "No, no ... Definitely an eight-year-old girl!" The two of them are then smelling them in turns and arguing. "An eight-year-old!", "No, a seven-year-old!", "Definitely an eight-year-old!" .... and so on. The local priest is walking past as the two men argue and can't help but ask them what the commotion is all about.

The first pedophile tells the priest, and asks him if he could sort out the argument, so the priest takes the knickers, has a good long sniff, and after pondering for a few moments he looks at the two men and says: "Definitely an eight-year-old girl! ..... but not from my parish!"

3. During his monthly visit to the corner barbershop, this fellow asked his barber for any suggestions on how to treat his increasing baldness. After a brief pause, the barber leaned over and confided that the best thing he'd come across was, er, female juices. "But you're balder than I am," protested the customer. "True," admitted the barber, "but you've gotta admit I've got one hell of a mustache!"
4. Three mice are sitting in a bar in a pretty rough neighborhood late at night trying to impress each other about how tough they are. The first mouse slams a shot of scotch, and pounds the shot glass to the bar, turns to the second mouse and says: "When I see a mousetrap, I get on it, lie on my back, and set it off with my foot. When the bar comes down, I catch it in my teeth, and then bench press it 100 times."

The second mouse orders up two shots of tequila. He grabs one in each paw, slams the shots, and pounds the glasses to the bar. He turns to the other mice and replies: "Yeah, well when I see rat poison, I collect as much as I can and take it home. In the morning, I grind it up into a powder and put it in my coffee so I get a good buzz going for the rest of the day."

The first mouse and the second mouse then turn to the third mouse. The third mouse lets out a long sigh and says to the first two, "I don't have time for this bullshit. I gotta go home and fuck the cat."

5. A little dwarf lady goes into her doctor's office complaining of an irritated crotch. After an examination, the doctor sighs, "I don't seem to see any problem. Does it get better or worse at any time?" "Yeah, it's really bad whenever it rains," she replies. "Well, then," says the Doc, "Next time it rains, get in here at once, and we'll take another look at it."

Two weeks later, it's raining really hard, and the little lady shows up at the doctor's office. "Doctor, it's really bad today. Please, you have to help me!!" "Well, let's have a look," he says, as he lifts her up onto the table. "Oh, yes, I think I see the problem. Nurse, bring me a surgical kit. Don't worry ma'am, this won't hurt a bit."

The dwarf lady closes her eyes in painful anticipation. The doctor begins snipping away and finishes a few minutes later. "There you go, ma'am, try that." She walks back and forth around the office and exclaims, "That's great, Doc, what did you do?"

"I just took a couple of inches off the top of your rain boots."
