### **Notes from the GM**

Hi Everyone,

It was a memorable day for Shirleen @ Supergirl and me today (Shirleen's first run with us as a new member and me as GM). Shirleen lost her way in the jungle and lucky for me my experienced members David and Sai Seng came to the rescue. Thanks Guys !!!

Manfred rescued Beauty Queen and me from a narrow rock on the On Up which is also a slippery path. Thanks Manfred.

We had a guest hail from Malacca – Sampah (Bui) sang us 2 songs sounded like a Nyonya Baba. He sat on ice as a Welcome. Our other guest Madeleine unfortunately went off after she completed the run.

Shirleen too was iced to welcome her into Harriet's Club and promised not to get lost!!!

As appreciation David, Sai Seng, Manfred were put on ice. Whilst Toddy Tan was iced for not looking after her.

The Hare of the day prepared tasty Chicken Rice, Or kueh and Beef Soup with beautiful Aroma lingering into the night. We had our fill with a couple of rounds of the warm soup. Thanks David for the tasty food, a good run and an enjoyable and exciting evening.

The best news I had and what a relief !. Hari Hari Mau has volunteered her service to be the Club ON SEX. On behalf of all Harriets I thank you and am most grateful to you for accepting this position, We the Committee look forward to have Fun and Laughter in bringing our Club to yet greater heights.

ON!....ON!....ON!....ON!

I arrived at the run site with about ten minutes to go before the run. As I was parked opposite Rambo's car, I thought I should pass across all the club gear I had been keeping in my flat so that I wasn't sitting on anything she might need.

Once that chore was over I went to greet the rest of the pack to be confronted by such things as 'What are you doing here?', 'Got the sack then?' and so on and so forth. Silly me, to think it might have been 'Nice to see you.'

Rambo called the circle and welcomed the guests Sampah from Malacca, a European lady (Madeline??) and introduced Supergirl, our new member. All the alpha males perked up no end as she is pretty, in good shape; has a very pleasant personality and can run!

G man then told us the run was simple, medium with a check and a bar. So off we ambled in the direction of the usual track, everyone catching up with antics and gossip. Just before the track I stopped chatting with Edna and caught up Goodyear and Money Manfred. Neither of them wanted to be anywhere but in front but as they hadn't broken into a run yet, I could keep up with them.

Just before we got to the turn for the temple the paper did a sharp left turn and so we had to scramble over a mess of roots, vines and rubbish. We then bounded over where the river should have been but was momentarily a dry bed. The climb up started. The slope at this point is a little steep but if it hadn't been littered with dry, slippery leaves would have been easy enough but was hard going.

Goodyear, Money and myself did our best imitation of goats and clambered up as fast as we could. We were about half way up the hill when the check was spotted. Money stood back and so Goodyear climbed up a bit, over to the right a bit, saw paper and called. Longhair appeared on the scene and we set off again at a pace. Money said he would stay back and sweep as he didn't want to spoil the run – he had helped set.

We skirted round a bit and then started climbing again. Speedhound caught us up just as the bar was seen. She was in one of her determined moods and set off up and right a bit and was soon calling. We were climbing and skirting left and climbing again. It was quite hot and quite steep so Speedhound stopped for a water break.

Not long after we started the on down. With my age advantage, I am much better at this than the up! I caught Longhair up – although he is running again after his illness, he is obviously not back up to full strength. He told me that Good year had raced off, so I knew I wouldn't see him again! We ended up coming through the temple where two guys sitting on chairs and chewing the fat made some crack about a Hantu but I didn't get the whole thing so I wasn't offended!

I had washed and changed and went to sit in the crowd and G string was saying ten hashers were still inside. However, it was still early and there are a group that complete the paper but in their time. She remarked that Supergirl wasn't out yet. I thought this was surprising but it is easy to get involved in a chat and hence slow down.

Eventually everyone was out except Supergirl and most of us were consuming vast quantities of scrumptious food. G man managed to get her on the phone and had an idea where she was so he and Sai Seng went in. We heard that she had hurt her eye and was having trouble seeing.

Eventually the guys brought her out. What a lovely lady – no wining, no whinging, a great smile and 'It is a memorable experience'.

Well done G man and Sai Seng for providing a rescue team. It was a really great evening!!

## **Funnies**

1. A father and his three beautiful, blonde, daughters went into a hotel to stay for the night. When the daughters went to check in, they saw a really good looking bell boy. The father caught the three girls looking at him and he threatened to kill the bell boy if he did anything at all with them. So the bell boy minded his own business and ignored the girls. While he was working ever so diligently, the eldest daughter goes up to him and says "If you don't do it with me in bed, I will pour red juice on the sheets of my bed and tell my father that you popped my cherry." Fearing for his life, he did it with her. Then he saw the beautiful middle daughter in the hallway and she too walked over to him and said "If you don't do it with me, I'll pour red juice on my bed and tell my father that you popped my cherry." Again fearing for his life, he agreed. Later that evening the youngest blonde daughter saw him. She walked up to him and said "If you don't have sex with me, I'll pour green juice all over the bed and tell my father that you popped my cherry."

"Green juice?" He asked. "Why Green?"

She replied, "Because my cherry isn't ripe yet, duh."

2. A soldier was given the job of hunting for buffalo. To help him, he hired an Indian Scout. The two of them set off on their journey to find buffalo. After riding awhile, the Indian gets off his horse, puts his ear to the ground and says "Humm, buffalo come".

The soldier scans the area with his binoculars, but sees nothing. He is confused and says to the Indian, "I do not see anything, how do you know buffalo come?"

And the Indian replies, "Ear sticky".

3. A teacher noticed that a little boy at the back of the class was squirming around, scratching his crotch, and not paying attention. She went back to find out what was going on. He was quite embarrassed and whispered that he had just recently been circumcised and he was quite itchy.

The teacher told him to go down to the principals office. He was told to telephone his mother and ask her what he should do about it. He did and returned to his class.

Suddenly, there was a commotion at the back of the room. She went back to investigate only to find him sitting at his desk with his private parts hanging out.

"I thought I told you to call your mom!" she said.

"I did," he said, "And she told me that if I could stick it out until lunchtime, she'd come and pick me up from school."
