Note from the GM

Hi Everyone,

When I reached Leader Garden (water tank), there was only Manfred and Rupiah, I was thinking to myself oh oh, but eventually the number grew, in spite of the whole day downpour. We had a small group never say die hashers were present. Circle was called, Bunny describe as a short to medium run with no checks. Off we went to nice beautiful houses before getting into the usual trail.ad. It was a very slippery and wet, wet run. Generally it was a good workout and I am sure everyone enjoyed. Flying Kiwi came late with his two guests. WELCOME. Hope your guests enjoyed the evening.

Congratulations to Kim Looi 1,000th RUN. ON ON. Many Thanks KL for the lovely cool beer.

BiBi reached her 100th run today too. Well done ladies!! The bunny of the day Pussycat prepared a wonderful, delicious dinner for all of us. Thank you so much Lily. ON ON.

Funnies

1. A blind man walks in to a department store with his Seeing Eye dog on a leash. As usual the store manager behind the customer service counter looks up, notices the customer is blind, and not wanting to stare quickly looks away again. Out of the corner of his eye the manager sees the blind man start swinging the dog over his head with its leash. Shocked, the manager runs over and says "Mister is there a problem - is there anything I can help you with?" The blind man calmly replies "No thanks - I'm just looking around."
2. This duck walks into a convenience store and asks the clerk, "Do you have any grapes?" The clerk says no, and the duck leaves. The next day, the duck returns and asks, "Do you have any grapes?" The clerk again says no, and the duck leaves. The day after that, the duck walks in the store again and asks "Do you have any grapes?" The clerk screams at the duck, "You've come in here the past two days and asked if we had any grapes. I told you no every time that we don't have any grapes! I swear if you come back in here again, and ask for grapes, I'll nail your webbed feet to the floor!!" The duck left, and returned the next day. This time he asked, "Do you have any nails?" The clerk replied, "No," and the duck said, "Good! Got any grapes?"
3. A distraught patient phoned her doctor's office. "Is it true", the woman wanted to know, "that the medication you prescribed has to be taken for the rest of my life?" "Yes, I'm afraid so." The doctor told her. There was a moment of silence before the woman continued, "I'm wondering, then, just how serious my condition is. This prescription is marked 'NO REFILLS.'"
