## Newsletter 2102

### **Note from the GM**

Hi Everyone,

The run started at Bee Gallery. There were about 20 or so runners, we had 2 guest one from Texas and Holland. The entrance to the Trail up hill is the same as last week run, muddy, slippery all the way up hill. These gave most hasher a good workout with their energy and muscles. The hashers after their hard workout were rewarded with good and tasty meal at the end, provided by Bunny of the day Speed hound.

Thanks Anjalai .... ON! .....ON!..... ON!

**We overlooked to ask someone to write a burst, so I have to write my own. Well there was a little confusion on location of the run. Whatever it is there was a reasonable turn out .We started the run 10 minutes past 6. The run was described as medium run with no checks. Off we went the usual bridge and off into the trail which was so slippery and nice on up. As we were fighting our way up Kim Looi's guest caught up and keeping saying that she has never done anything like this in a life. Glad she enjoyed the run. Most of the people did the whole run and enjoyed. Man thanks to Sai Seng for setting a great runt. ON top of that great food..**

**We would like to wish our friends who are going for Interhash to have a nice trip and enjoy the run. See you guys the week after. ON ON.**

## **Funnies**

1. An airline captain was breaking in a new blonde stewardess. The route they were flying had a layover in another city. Upon their arrival, the captain showed the stewardess the best place for airline personnel to eat, shop and stay overnight.

The next morning, as the pilot was preparing the crew for the day's route, he noticed the new stewardess was missing. He knew which room she was in at the hotel and called her up wondering what happened. She answered the phone, crying, and said she couldn't get out of her room. "You can't get out of your room?" the captain asked, "Why not?"

The stewardess replied: "There are only three doors in here," she sobbed, "one is the bathroom, one is the closet, and one has a sign on it that says 'Do Not Disturb'!"

2. A few days after Christmas, a mother was working in the kitchen listening to her young son playing with his new electric train in the living room. She heard the train stop and her son said, "All of you sons of bitches who want off, get the hell off now, cause this is the last stop! And all of you sons of bitches who are getting on, get your asses in the train, cause we're going down the tracks."

The mother went nuts and told her son, "We don't use that kind of language in this house. Now I want you to go to your room and you are to stay there for TWO HOURS. When you come out, you may play with your train, but I want you to use nice language."

Two hours later, the son comes out of the bedroom and resumes playing with his train. Soon the train stopped and the mother heard her son say, "All passengers who are disembarking from the train, please remember to take all of your belongings with you. We thank you for riding with us today and hope your trip was a pleasant one. We hope you will ride with us again soon." She hears the little boy continue, "For those of you just boarding, we ask you to stow all of your hand luggage under your seat. Remember, there is no smoking on the train. We hope you will have a pleasant and relaxing journey with us today."

As the mother began to smile, the child added, "For those of you who are pissed off about the TWO HOUR delay, please see the bitch in the kitchen."
