Note from the GM

Hi Everyone,

Just before leaving the house I got a message from Jorgen saying Waterfall Rd was congested due to the consecration ceremony at the hill top Hindu temple. When we reached that point though, it wasn't so bad and we had only a small wait to get through. However the return, later in the evening was difficult and so we took the back road and came out at Gottlieb instead.

The morning was not good since it rained hard several times but with Jorgen praying to his Norse Gods and with the intervention of the Hindu ones, the weather cleared up and it was a lovely, if not steamy, evening for a run. This was Viking's first set run for any Chapter in Penang and was attended by 40 members and 3 guests (CB Yong, Bommy and his daughter Kate from Australia – great to see you both again!!).

After the usual clap trap, the Hare of the Day announced his run as being medium to long but not difficult and to follow paper. Here he showed us our normal Harriets paper but also some of his own design, showing little Viking characters!! Cute!!

We headed off in the direction of Moongate and up the trail we went, only to hit the first problem of the night!!! NO PAPER!! However one of the FRBs did find some fragments and so we all followed up the trail and onto the Wild Boar path. At this point there was still NO PAPER and Hashers were going in different directions trying to find some. Again an FRB found A PIECE up ahead and on we went. As you have no doubt guessed, somebody had systematically ripped off all the paper that had been laid during the day, leaving us to our own devices and local knowledge. Along the track we went until we hit the split climb to Number 5 where the trail goes straight up or went right or down to the stream. I initially went down to the stream but found no paper there

and so returned. Meanwhile Silent Man and Bendover, were carefully searching for any fragments of paper that would show us the way and sure enough they found the track once again and on we went. More trail. More on up and even more on up until again we had a choice to make but once again the eagle eyes of my 2 companions found the way!! After that paper was found in abundance. I guess the spoilsport who had been removing the paper didn't go this far and had turned off somewhere, for from this point on it was there for all to see.

Then the second problem of the night. Just after joining the traversing Peace Trail my shoe lace broke and the light was fading fast. SM offered me one but I thought I could carry on. THAT was a big mistake as the shoe kept sliding off and slowed me down even more. Jorgen must have been anxious as he called us to find out where we were but we were just about down by that time.

As Viking said at the beginning, it was not a difficult run but it was challenging as many of us had not run there or that way around for some time, with its windy ups and downs and plenty of roots to fall over!!

Thanks Jorgen for a good, challenging run, very good food and the free beer! I think you can say your first set run was a complete success despite the paper loss.

Circle

The guests were first called to the ice and welcomed. CB Yong was thanked particularly for helping out earlier at the 40th Anniversary Run by acting a sweeper. It was good to see Bommy again and daughter Kate at the run too.

Hair Do and Supergirl were then iced since they had been MIA according to the GM especially Supergirl. She was apologetic and hoped to come more often but it depended on WORK. Fancy someone so nice using a 4 letter word like that!!!!

Akz Hole then charged the Hare and Co-hare for using Snow Paper. The argument was that they both come from Europe and from cold, often snowy climates and hence they must have used the European Snow paper. Unfortunately Malaysia is a hot country and the snow paper must have melted because when the runners left there was sNOw paper to be seen!!!

Being no other charges the Hare was iced and duly thanked for the good run, good food and the generously donated FREE BEER.

Mini Sausage then invited all to his PIH2 run this Saturday at Sungai Batu (South of the Airport)

I must also thank Monty Python for his great songs during the circle. Varied, old and funny!! Thanks Monty.

Congratulations to Spiky Annie on becoming a very glamorous Grandmother, with the birth of her first Grand-daughter.

Next week it is Silent Man's run at Leader Garden. I hope to see all of you there in support.

Funnies

1) A teacher is explaining biology to her 4th grade students.

"Human beings are the only animals that stutter," she says

A little girl raises her hand. 'I had a kitty-cat who stuttered.'

The teacher, knowing how precious some of these stories could become, asked the girl to describe the incident.

"Well," she began, 'I was in the back yard with my kitty and the Rottweiler that lives next door got a running start and before we knew it, he jumped over the fence into our yard!' 'That must've been scary,' said the teacher.

'It sure was,' said the little girl.

'My kitty raised her back, went "Ffffff!, Ffffff!, FfffffF,"

But before she could say 'Fuck-off !,' the Rottweiler ate her!

2) *Lee Trevino: a true story*

Shortly after joining the PGA tour in 1965, Lee Trevino, a professional golfer and married man, was at his home in Dallas, Texas mowing his front lawn, as he always did.

A lady driving by in a big, shiny Cadillac stopped in front of his house, lowered the window and asked him, "Excuse me, do you speak English?"

Lee responded, "Yes Ma'am, I do."

The lady then asked, "What do you charge to do yard work?"

Lee said, "Well, the lady in this house lets me sleep with her."

The lady hurriedly put the car into gear and sped off!

3) A frog goes into a bank and approaches the teller. He can see from her nameplate that her name is Patricia Whack.

"Miss Whack, I'd like to get a £30,000 loan to take a holiday."

Patty looks at the frog in disbelief and asks his name. The frog says his name is Kermit Jagger, his dad is Mick Jagger, and that it's okay, he knows the bank manager.

Patty explains that he will need to secure the loan with some collateral.

The frog says, "Sure, I have this," and produces a tiny porcelain elephant, about an inch tall, bright pink and perfectly formed.

Very confused, Patty explains that she'll have to consult with the bank manager and disappears into a back office.

She finds the manager and says, "There's a frog called Kermit Jagger out there who claims to know you and wants to borrow \$30,000, and he wants to use this as collateral."

She holds up the tiny pink elephant. "I mean, what in the world is this?"

The bank manager looks back at her and says...

"It's a knickknack, Patty Whack. Give the frog a loan, His old man's a Rolling Stone."
