### Note from the GM

Hi Everyone,

The rain in the morning threatened to spill over to the evening but thankfully stopped by mid-afternoon but it did help to settle the shaly soil underfoot. With the announcements out of the way a smaller than usual crowd set off up the very steep bank and it took me 30 mins just to reach the track with Huge just ahead. Along the track to the right going towards Beverly Hills we trekked but then a left turn saw the paper plunge down the steep, slippery bank the other side leading to the stream at the bottom. Huge saw this and decided his back wasn't up to it and turned back so on I went alone. Climbing the other side I caught up with Hot Lips, Rupiah and Yong Tau Fu so we stuck together and made the long upward climb to the top. I was somewhat slow but Bendover, Mother Hen, Beauty Queen and Grasshopper were waiting for us and as the light was now fading fast it was good to have our little group (now a bigger group of 8) together for the On Down. Even though we knew where we were we still stumbled in the dark and even with torches out it was slow going. Bend Over and Beauty Queen started singing to each other and it made it a fun adventure. We skirted the hill, walked on soggy ground, got caught by "Machine Gun", tripped by vine (I was on my ass several times) and skewered by thorns but still they kept up a range of songs. We finally reached the run-site around 8.40pm to a welcoming crowd and some good tucker, provided by the relieved Hare. It was a very good run and I enjoyed it immensely. Many thanks Silent Man for the run and such welcome food at the end of it.

### CIRCLE:

We had a short circle and first to be "honoured" were Juicy 2 and Take Care. The previous week

they were missing for the circle even though they were at the run. Where were they? Playing cards around the corner.

We then welcomed our guests, CB Yong (Yong Tau Fu) and Bommy who unfortunately leaves us once again for home this week.

The G8 were next iced and told not to have their summit meeting on a run but to move their asses next time.

The final icing of the evening was naturally the Hare – Silent Man. Many thanks for everything. Naturally his down down song was MIMED!!

The circle was closed after an announcement that a farewell dinner for Gangreen and Sex Bitch with be held at White Beach Restaurant on the 5<sup>th</sup> September. Cost RM80/pax inclusive of beer. Please let Alexis or Geeman know. It is on a first come first serve basis due to limited space.

Please note we will celebrate all birthdays on the last Thursday of every month for those members with birthdays that Month.

## Funnies

### Faceless

# Faceless

I met a girl in the park  
the other evening

There was an instant spark between us  
and she immediately dropped to her  
knees, and laid on the grass at my feet

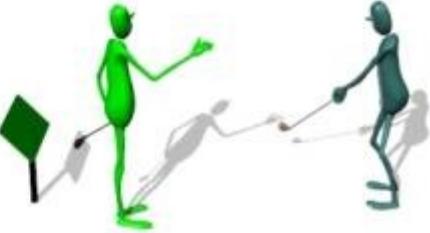

4.07

As we lay there making  
love, I thought ...

'These Taser guns are  
well worth the money'

# Faceless

I got banned from the disco  
down the road last night

seriously? Why?

They played "The Twist",  
I did the twist ...

519  
They played "Jump", I jumped ...

The trouble started when  
they played "Come on Eileen" ...
