Note from the GM

Initially we had 8 guests and 40 members turn up for Panda Bear's first Harriet set run at the Big Car Park in Waterfall Rd. By the end of the night we had three new members since three of the guests decided to join. Welcome to Manikkam, Christine and Lyn.

After the usual announcements the co-hare directed us to the way in which was over by the road leading into Youth Park. However it was not on the usual path in but a slippery climb up through the bush which unfortunately had been used as a rubbish dump as many plastic bottles and rubbish were in evidence.

Although the earlier rain had settled the ground somewhat it was difficult going with many a slip and slide along the way. At one point Money gave the ladies a helping hand on one particularly slippery part by hauling them up the steep slope.

Since Youth Park trails are notorious for people picking up our paper, The Hares decided to use very small torn pieces to mark the trail. This was both a blessing and a hindrance since there were times when, after many feet had been over them, the paper was a little hard to find. As we followed paper it took us into a small gully which went close by the new Hill Top Hindu Temple and finally out on to a trail leading to Number 5.

The paths were familiar to some but we had not hiked them for some years and hence were novel in that respect and it goes to show how many trails and pathways there are in this area. On and Up we went following this trail and that trail. Traversing, slipping and sliding and we even met with PSC members coming in the opposite direction, so a brief stop for a quick natter was made. Finally we hit

the main track just before Number 5 with Akz Hole waiting for me at the head of the On Down paper. Down part of the Wild Boar Trail we went, then left across the stream and down the pipe and on home to the run site.

It was another good run using some old and little used paths to get us around the hill together with some more frequently used ones. Thank you Kelvin and co-hare Sai Seng for the setting, followed by delicious food of fried rice/nasi ulam and chicken curry.

The cool and settled evening saw many hashers content to sit and chat away the rest of the evening and were still chatting when I left at 11.15pm.

The Circle

Firstly we welcomed the guests: , Jerry, Rob, Nick, Bina, and CB Yong.

Then we welcomed the new members Christine, Lyn and Manikkam.

Michael Longhair was iced by the GM for coining a phrase of “slip-sliding” run.

Nick Loh was then 'honoured' as an old member for coming to see his old girl-friends again but also for leaving them for newer ones!!

Goodyear then charged our new member Manikkam as a congratulations on being conferred a high level Datukship.

Hari Hari Mau then charged Nick Loh for abusing and assaulting women at the hash. Apparently he accidentally cut Ma's lip one time by flailing his arms around whilst sitting on ice, knocking the plastic water scooper into Ma's face and splitting her lip.

Nick in turn charged Goodyear for being extra slow during the run since he was with Manikkam.

Finally, the Hare and co-hare, Panda Bear and Sai Seng were thanked for the good run and great food.

Funnies

1) MURDER AT TESCO

Tired of constantly being broke and stuck in an unhappy marriage, a young husband decided to solve both problems by taking out a large insurance policy on his wife with himself as the beneficiary and then arranging to have her killed.

A 'friend of a friend' put him in touch with a strange, dark-side underworld figure who went by the name of 'Artie.' Artie explained to the husband that his going price for snuffing out a spouse was £10,000.

The husband said he was willing to pay that amount but that he wouldn't have any cash on hand until he could collect his wife's insurance money. Artie insisted on being paid at least something up front, so the man opened his wallet, displaying the single pound coin that rested inside. Artie sighed, rolled his eyes and reluctantly agreed to accept the pound as down payment for the dirty deed.

A few days later, Artie followed the man's wife to the local Tesco Supermarket. There, he surprised her in the produce department and proceeded to strangle her with his gloved hands. As the poor unsuspecting woman drew her last breath and slumped to the floor, the manager of the produce department stumbled unexpectedly onto the murder scene. Unwilling to leave any living witnesses behind, ol' Artie had no choice but to strangle the produce manager as well.

However, unknown to Artie, the entire proceedings were captured by the hidden security cameras and observed by the shop's security guard, who immediately called the police. Artie was caught and arrested before he could even leave the premises.

Under intense questioning at the police station, Artie revealed the whole sordid plan, including his unusual financial arrangements with the hapless husband who was also quickly arrested.

The next day in the newspaper, the headline declared...

(You're Going to hate me for this...)

'ARTIE CHOKES 2 for £1.00 @ Tesco

Oh, stop groaning! I don't write this stuff, I receive it from my warped friends and then send it on to you.

2) A Texan went to Chicago and thought he would buy a new "city" outfit.

He went into Marshall Fields, and when asked by a sweet young woman if she could help him, he answered, "Yes, ma'am. Ya' see, I'm from Texas and I want to buy a complete city outfit."

Her eyes lit up as she asked, "Where would you like to start?"

"Well, ma'am, how about a suit?"

"Yes, sir. What size?"

"Size 53 tall, ma'am."

"Wow, that's really big."

"Yes, ma'am, they really grow them big in Texas."

"What's next?" she asked.

He replied, "How about some shoes?"

"What size?"

"Size 15 double E."

"Wow, that's really big!"

"Yes, ma'am. They really grow them big in Texas."

"What's next?"

"Well, I reckon I'll need a shirt."

"Yes, sir. What size?"

"Nineteen and a half neck, sleeves 38," he replied.

"Wow, that's really big!"

"Yes, ma'am. They really grow them big in Texas."

"Will there be anything else?" she asked.

"Yes, ma'am. I 'spect I'll need a hat."

"Yes, sir. What size? and style?"

"Eight and five-eighths. Stetson."

"Wow, that's really big!"

"Yes, ma'am. They really grow them big in Texas."

She virtually glowed as she asked, "Is there anything else I can do for you?"

"No ma'am, I reckon that will be all."

As the sweet young thing tallied up his bill, and as the Texan counted out his money, she blushed and asked, "Sir, could I ask you a question?"

"Yes, ma'am, I already know what it is. And the answer is four inches."

Astonished, she blurted out, "Why, my boyfriend is bigger than that!"

Without so much as a stutter, the Texan replied.....

"From the floor ma'am.....From the floor."

3)

A Really Bad Day

There was this guy at a bar, just looking at his drink. He stays like that for half of an hour.

Then, this big trouble-making truck driver steps next to him, takes the drink from the guy, and just drinks it all down. The poor man starts crying. The truck driver says, "Come on man, I was just joking. Here, I'll buy you another drink. I just can't stand to see a man cry."

"No, it's not that. This day is the worst of my life. First, I fall asleep, and I go late to my office. My boss, outrageous, fires me. When I leave the building, to my car, I found out it was stolen. The police said that they can do nothing. I get a cab to return home, and when I leave it, I remember I left my wallet and credit cards there. The cab driver just drives away."

"I go home, and when I get there, I find my wife in bed with the gardener. I leave home, and come to this bar. And just when I was thinking about putting an end to my life, you show up and drink my poison."

Warning: Hashing can be dangerous so when you get buggered up or lose your stuff, don't expect the club to take the blame!
