Note from the GM

Mentally when I hear we are having a run at Charlie Market I think of the wonderful aromas coming from the bins and chicken farm and of course going either up or down by the Bees where I have been stung on more than one occasion but what a surprise this run was!!!

By the time we started the run the number of Hashers and guests had topped 50 persons. Whether this was to say goodbye to Linda before she, David and Family head home for good or that people didn't know who it was (she has been MIA for some time) who knows but all were welcome!

The start of the trail was the usual one along the Hash Highway and then left up the bank and then skirt, skirt around to the Botanical Gardens. May, a guest from Sabah had called to join the run and was initially along with my group at the back but when she realised how slow we were she joined Big Willy as he disappeared ahead of me.

Beauty Queen had brought along 4 guests who had come along to celebrate her birthday by joining the run. A couple of them were a little slow and so she took charge and nurtured them through the run. Well done Ah Nee and to your guests for completing it all.

I soon found myself alone as Akz Hole had left like a lightening bolt on the first up. However I was soon passed by Iceman and Longhair both of who had arrived late. Hot Lips, Hard Khaw and Sementara also caught me up (funny but I thought they were in front of me) and together we went on as a group. Up and down the slopes, skirting till it looked like we were going around a mountain. Twice we crossed paths and I was tempted to shortcut but the challenge to see where the trail went took over and seemed more fun and so we carried on. By the time we hit the top of the ridge the light was fading and we had slid and slipped many times as we progressed seeing some very unfamiliar places.

By the time we got back to the run site it was 8.25pm and all were waiting for us and with Beauty queen and Party arriving about 10 mins later all were returned safe and sound or so it seemed. Suddenly we realised that Big Willy and May were missing and as the last home we did not pass them on the track. They soon turned up however from an entirely different direction having somehow arrived at Moongate and had to walk back through the Mt. Erskine Cemetery. Much was made of Big Willy and Virgin Hasher May!!

It was a truly memorable run outsourced to the co-hares Itchy and Money. Well done guys! A big thank you to Ah Nee and Linda who both put on a crate of beer for us all to savour. And another big big thank you to Linda for the food, organising the evening and of course for all the work you have done for the Harriets over the last 8 years. Many many thanks, you will be missed. We wish you and the family the very best in your new life and be assured you are always welcome here.

The Circle

After welcoming the guests, Bina, Nelly, Rob, Linda, Molly, Mr Ong, Nikki, Sunny, Mike, May and Elana, the first on ice was Big Willy for leading the Virgin May astray and ending up at Moongate.

It was Beauty Queen's actual birthday and she was presented with a lovely cheesecake from her friends. Happy Birthday Ah Nee...21 again???

A charge from the flor saw Good Year charge Mini sausage for leading the FRB's on the wrong track. AML was next charged by the GM who had overheard her saying at another Chapters' run that the 'fun' chapter was on Saturday. Heinous crime this as WE are fun too and shame on you as a member for not promoting us!!

The Chief or Cheap (as Money called himself) co-hare was iced as a thank you for setting such a good run.

Finally the Bunny of the day, Sex Bitch, was iced and presented with a pair of inscribed pewter goblets from the Club as a big thank you and to say farewell. Since David was away, a lookalike, Akz Hole, was chosen to help the occasion by standing in or rather sitting on the ice and supporting Linda. Many thanks to Linda and David for all your support over the years. Good Luck for the future.

OTHER ANNOUNCEMENTS

Sungai Petani H3 are celebrating their 35rd anniversary on 22nd September. At present the fee is still RM50 (confirmed by the SPH3 On Sec) but we need to submit names quickly as the cutoff date for the goody bag is the end of August. So if you want to go you have little time to give me your names, T-shirt sizes and money. Some of the more veteran Members might remember attending their 25th Anniversary.

Funnies

1) A guy out on the golf course took a high speed ball right in the crotch. Writhing in agony, he fell to the ground. As soon as he could manage he took himself to the doctor.

He said "How bad is it doc?....I'm going on my honeymoon next week and my fiancée is still a virgin - in every way"

The doctor told him, "I'll have to put your willy in a splint to let it heal and keep it straight. It should be okay next week."

He took four tongue depressors and formed a neat little 4 sided splint, and taped it all together; ...an impressive work of art.

The guy mentions none of this to his girl, marries her, and goes on their honeymoon.

That night in the motel room, she rips open her blouse to reveal her beautiful breasts. She said, "You're the first; no one has EVER touched these."

He immediately drops his pants and replies,.....

"Look at this,....still in the CRATE!"

.

2) Quickies

Two guys were discussing popular family trends on sex, marriage, and values.

Stu said, "I didn't sleep with my wife before we got married, did you?"

Leroy replied, "I'm not sure, what was her maiden name?"

A little boy went up to his father and asked: "Dad, where did all of my Intelligence come from?"

The father replied. "Well son, you must have got it from your mother, cause I still have mine"

Mr Clark, I have reviewed this case very carefully," the divorce Court Judge said,

"And I've decided to give your wife \$775 a week"

"That's very fair, your Honour," the husband said. "And every now and then I'll try to send her a few bucks myself,"

A doctor examined a woman, took the husband aside, and said, "I don't like the looks of your wife at all,"
"Me neither doc," said the husband. "But she's a great cook and really good with the kids."

Two Mexican detectives were investigating the murder of Juan Gonzalez.
"How was he killed?" asked one detective.
"With a golf gun," the other detective replied.
"A golf gun? What is a golf gun?"
"I don't know. But it sure made a hole in Juan."

This guy has been sitting in a bar all night, staring at a blonde wearing the tightest pants he's ever seen.
Finally his curiosity gets the best of him, so he walks over and asks,
"How do you get into those pants?"
The young woman looks him over and replies, "Well, you could start by buying me a drink."
