## **Newsletter 2123**

### **Note from the GM**

Mini Sausage's runs are always original and challenging and this was no less either though I remember the same run being done a few weeks earlier. When I questioned Mini about this he stated that they had in fact pinched part of his Monday run. So it was still a Mini run.

The damp ground was slippery in places making the "On Up" difficult. I thought all had overtaken me when May and guest Dinesh breezed by and soon disappeared leaving Huge, Akz Hole and myself at the back and in company. Akz Hole was hurrying me along as I was extremely slow, saying we needed to get across the rocks before the light failed and with that we walked along the pipe track a pace faster.

At one point low down on a twig we spotted a small snake curled up and unmoving thank goodness. After warning Akz Hole to be careful we scampered around it and on we went. Light failed fast and torches came out. I went ahead as Akz Hole waited for Huge to catch up and negotiate the rocks. At the top of the downward track Huge urged us to go on ahead as he wanted to take his time going down and he didn't want to hold us up.

We reached the PBA after about 25 minutes of negotiating the "On Down" but decided to walk back along the road to the runsite. As all were waiting we quickly changed and fed well on Bibi's deliciously cooked food and started the circle. Thank you Mini (and cook Bibi) for another lovely evening.

**Please note that the Harriets Ball is only 2 weeks away. We really need to sell more tickets. Please support your Club and come along and have some fun. Bring your friends.  
The more the merrier!!!!!!**

**Also please note: You can still register for the Joint Run but you are not now guaranteed a T-shirt..**

## **Funnies**

1) Morris returns from the doctor and tells his wife that the Doctor has told him that he has only 24 hours to live.

Given the prognosis, Morris asks his wife for sex.

Naturally, she agrees, so they make love.  
About 6 hours later, the husband goes to his wife and says, 'Honey, you know I now have only 18 hours to live. Could we please do it one more time?'

Of course, the wife agrees, and they do it again.

Later, as the man gets into bed, he looks at his watch and realizes that he now has only 8 hours left.

He touches his wife's shoulder and asks,  
'Honey, please... just one more time before I die.'

She says, 'Of course, Dear,'  
and they make love for the third time.

After this session, the wife rolls over and falls asleep.  
Morris, however, worried about his impending death,  
tosses and turns, until he's down to 4 more hours.

He taps his wife, who rouses.  
'Honey, I have only 4 more hours....

Do you think we could...'

At this point the wife sits up and  
says, 'Listen Morris, enough is enough  
I have to get up in the morning... you don't.'

2) A very pretty young speech therapist  
was getting nowhere with her "Stammerer's action Group".  
She had tried every technique in the book  
without the slightest success. No-one was improving.

Finally, thoroughly exasperated, she said  
"If any of you can tell me, without stuttering,  
the name of the town where you were born  
I will have wild and passionate sex with  
you until your muscles ache and your eyes water.  
So, who wants to go first?"

The Englishman piped up.  
"B-b-b-b-b-b-b-irmingham."

"That's no use, Trevor," said the speech therapist. "Who's next?"

The Scotsman raised his hand and blurted out  
"P-p-p-p-p-p-p-p-aisley".

"That's no better.

There'll be no sex for you, I'm afraid, Hamish."

"How about you, Paddy?"

The Irishman took a deep breath and eventually blurted out  
" London ."

"Brilliant, Paddy!" said the speech therapist and immediately set about living up to her promise.

After 15 minutes of exceptionally steamy sex, the couple paused for breath and Paddy said

"-d-d-d-d-d-d-d-d-d-erry".
