GM's Notes

The line of cars going to Batu Ferringhi was long and discouraging for anyone heading for the runsite at Mount Pleasure. Luckily I had been pre-warned and set out earlier to get there on time. Others came with tales of double parking at the beach and inconsiderate drivers with outstation number plates. Such are the pleasures of living on the Island during holiday time!!!

With all assembled and ready to go the Hare of the Day, Huge, told of a short run and if too short to go round again. The runners went off with the guests Hai Hee, Maiya, Joey Lai and Mark Lerwill. For once Iceman was on time and started with the others and Huge was guessing how long he would take to do this run since he is very fit these days. "30 minutes maybe" said Huge. "No nearer 40-45 as always" said Akz Hole the co-hare on the day. As it turned out the first back was Money Manfred in 45 minutes closely followed by guest Mark and SpermWhale. "Where's Iceman?" was the question..... "Gone round again" said Spermwhale!!! The others all came in back within an hour and half and it was dark by that time but all seemed to have enjoyed the run which was a big relief to Huge. On Iceman's return, he hadn't quite caught the back runners on his second round, it turned out that he had gone around in 40 mins the first time and 50 mins the second time. What a fit guy!!

And talking of fit guys who should turn up out of the blue after a couple of years absence? None other than a very fit looking Mick Chee, an old Harriets member, who came along with his wife to say hello to one and all. It was very nice to see him and of course I pestered him to rejoin us.. Will he? We'll have to wait and see!!

The Circle

Since Mick Chee had been absent for so long we naturally had to give him a reminder of what it was like to sit on the ice. So he had the first dubious honour of the Ice Throne.

As always we welcome the guests and Joey, Mark and Maiya were duly honoured.

Our very own “Ironman” or rather Iceman was singled out for his stamina and fortitude in going round twice. “I did it for the beer” he said. “Huge promised me 2 beers if I did!” Huge duly paid up!

There seems to be quite a few Scorpion birthdays this week but unfortunately only one was present on the evening. Hence Tiny was called upon to take her congratulations. The other two were Whatever and Goodyear. Happy Birthday to all.

Last but not least was the Hare of the Day, Huge. It was a shortish run but because of the slippery conditions it was testing, especially the On Down. The food was great and the atmosphere very relaxed and enjoyable. So big thanks to Huge for hosting the evening.

I actually missed one person to ice and that was Shirly. She became a new member and I should have properly welcomed her to the Club by putting her on ice, although I did announce it pre-run. Hmmm...there's always next week!!!

Important note

**This has come from Jorgen @ Viking after the run at the Info Centre recently.
Please take notice!!**

I promised to convey a strong message from the friendly house owner in Taman Jesselton who opened his back gate for me, when I followed the wrong old FTAC paper - which I then lost...and eventually found myself just behind Jesselton. Since it was then pitch dark I decided to try to get out to the road, and then run back through Jesselton.

Cut the story short, he explained to me it is very very dangerous to move in the hills near Jesselton after dark. There have been a lot of break-ins and burglary attempts over the last few weeks - where foreigners (Indonesians) are coming down from the hills under cover of the darkness. The police are patrolling the area, and they are shooting (to kill) first and asking questions later - - - if the 'victims' are able to answer. There have been several shots fired over the last weeks he told.

So hashers for our own safety we have to stay clear of that area!!

This should also be a warning to other Chapters.

Funnies

There was a little girl and her mother walking through the park one day and they saw two teenagers having sex on a bench.

The little girl says, "Mummy, what are they doing?" The mother hesitates then quickly replies, "Ummm they are making cakes."

The next day they are at a zoo and the little girl sees two monkeys having sex. Again she asks her mother what they are doing and her mother replies with the same response, "Making cakes."

The next day the girl says to her mother, "Mummy, you and Daddy were making cakes in the lounge last night, eh?" Shocked, the mother asks, "How do you know?"

She says, "Because I licked the icing off the sofa."

A bus stops and two Italian men get on. They sit down and engage in an animated conversation. The lady sitting behind them ignores them at first, but her attention is galvanized when she hears one of the men say the following:

"Emma come first. Den I come. Den two asses come together. I come once-a-more. Two asses, they come together again. I come again and pee twice. Then I come one lasta time."

"You foul-mouthed sex obsessed swine," retorted the lady indignantly.

"In this country ... we don't speak aloud in public places about our sex lives ...

"Hey, coola down lady," said the man. "Who talkin' abouta sexa? I'm a justa tellin' my frienda how to spella 'Mississippi'."

There's an old priest who got sick of all the people in his parish who kept confessing to adultery. One Sunday, in the pulpit, he said, "If I hear one more person confess to adultery, I'll quit!" Well, everyone liked him, so they came up with a code word. Someone who had committed adultery would say they had "fallen."

This seemed to satisfy the old priest and things went well, until the priest died at a ripe old age. About a week after the new priest arrived, he visited the mayor of the town and seemed very concerned.

The priest said, "You have to do something about the sidewalks in town. When people come into the confessional, they keep talking about having fallen."

The mayor started to laugh, realizing that no one had told the new priest about the code word. Before the mayor could explain, the priest shook an accusing finger at the mayor and said, "I don't know what you're laughing about, your wife fell three times this week."
