## Newsletter 2129

### **Note from the GM**

The run on Thursday was a joint run between the FTAC and the Harriets. As Datin had graciously taken on the run at a late hour she and Geeko (whose run it was for the FTAC) got together and planned the evening with the FTAC setting the run and Datin providing the food.

As we all assembled the fit FTAC members were raring to go and got a head start by zooming off before I had even got my announcements out of the way! Fortunately Geeko remained behind and outlined the run to the Harriet members.

Some wag mentioned that as the Harriets were there the FTAC had made it a short run but with the threatening rain and early dark nights it seemed like a long run anyway. The first out after 45 minutes was Harriet guest Kenny Fruit, who really is one fit guy these days, along with an FTAC member. The others followed in due course and by 7.45pm all were safely returned.

Good makan was served and then as everybody seemed to be breaking into their own little groups we got the circle going.

Many thanks to Datin and Geeko for organising the evening. We used to do this every month in the past and who knows if this might not be repeated once again.

## The Circle

Our guests for the evening, Pierre, Asa, and Michael were welcomed as always. We love having guests!! Unfortunately Kenny had gone by Circle time.

Since I missed Shirly the other week when she became a new member and this week Kani joined us, I couldn't miss the opportunity to have both on ice to "officially" welcome them to the club.

Geeko and Joey had to be iced, not only for it being Geeko's run but for agreeing to have a joint run and therefore representing the FTAC. Thanks guys!!

Fancy Pants and Fancy Panties are heading once more into the sunset (or rather returning to Germany). It is always sad to see them go since they bring such spirit to the Harriets and to Penang Hash in general. It seems like we will not see them so soon this time but we wish them well and hope for an early return.

Charges from the floor saw the GM on ice for wearing sunglasses when putting out her grandson's nappies to dry because of the glaring sun! Take Care was asked to join the GM when he asked "Why you sitting on ice big backside?" Obviously he was paying close attention.

The final icing was of course the Bunny of the Day. Thanks Datin for stepping up when it was needed and for the great food you provided. It is much appreciated.

## Funnies

A man gets home one day from work and excitedly shows off to his wife that he bought a pack of *Olympic Condoms*.

"What do you say I slip on a gold one and we give it a go?" He asks her with a grin.

She simply responds, "Why don't you try out the silver and come second for a change"

So two strangers sit next to each other and begin to read quietly. After a while, they notice that they are both reading the same book. They get to talking, and eventually they get around to exchanging names. The first man says,

"Im Bill. What's your name?"

"My name is Jesus Christ," says the second man.

"Oh come on, your name isn't Jesus Christ," says Bill

"Sure it is" he responds. "Follow me to the bar. I'll prove it to you."

So they go to the man's bar, and as soon as the bartender catches sight of him, the bartender says, "Jesus Christ, are you here again?!?"

After the Great Britain Beer Festival, in London, all the brewery presidents decided to go out for a beer.

The guy from Corona sits down and says, "Hey Senor, I would like the world's best beer, a Corona." The bartender dusts off a bottle from the shelf and gives it to him.

The guy from Budweiser says, "I'd like the best beer in the world, give me 'The King Of Beers', a Budweiser." The bartender gives him one.

The guy from Coors says, "I'd like the only beer made with Rocky Mountain spring water, give me a Coors." He gets it.

The guy from Guinness sits down and says, "Give me a Coke." The bartender is a little taken aback, but gives him what he ordered.

The other brewery presidents look over at him and ask "Why aren't you drinking a Guinness?" and the Guinness president replies, "Well, I figured if you guys aren't drinking beer, neither would I."

Three women left separately after a very late night out drinking Guinness until the early hours. They met the next day for an early pint, and compared notes about who had been the most drunk.

The first gal claims that she was the drunkest, saying, "I drove straight home, walked into the house, and as soon as I got through the door, I blew chunks".

To which the second gal replied, "You think that was drunk? I got in my car, drove out of the parking lot, and wrapped my car around the first tree I saw. I don't even have insurance!"

And the third proclaimed, "I was by far the most drunk. I got home, I got in a big fight with my husband, knocked a candle over and burned the whole house down!"

They all looked at each other for a moment. Then the first gal says: "Ladies, I don't think you understand. Chunks is my dog."
