### **Note from the GM**

**The first run in December and the holiday season has definitely set in. Dodging heavy traffic, we managed to reach the not so smelly Charlie Market to greet the ever faithful gathering hashers. Joey, with the help of Samy was putting up a canopy and all were thinking the same "what a waste on such a beautiful day" but up it went anyway.**

**The run started along the Hash Highway and then in on the left just passed the entrance to the Cemetery where, lo and behold, was a stack of Harriets' run paper scattered on the ground. Akz Hole and I managed to salvage most of it but I wonder why none of the runners ahead of us had stopped to pick it up!!!**

**On we went and surprisingly the trail did not go the usual way but started to skirt above the Hash Highway, which we could see from time to time. Sometimes the ground seemed familiar but was not which just goes to show how one can get disorientated. The mud made things slippery and being cautious I was slower than usual. Longhair and then Iceman, both late starters, passed me and I found myself in the usual position of being the back runner with Akz Hole urging me on.**

**The light was fading as we reached the summit and head off along the path towards the On Down. Down we went in the ever increasing darkness and thankfully we managed to get down to the highway without incident and headed back to the runsite. We didn't even need the torches, even though it was quite dark by then, as the spotlights from the construction site were throwing ample light along the pathway.**

**A relieved Hare greeted us on our return thinking that we had done our own run but that was not the case we told him "On Paper all the way" we said. It was another good run, great**

food and to cap it all Cheng brought some durians from the orchard for us to savour. Many thanks to Cheng and Frank for the durians and to Vithia for another great Harriets' night.

**Next week is the Christmas Run at Mar Vista. Please park OUTSIDE the complex in the car park before the guard house.**

### The Circle

**The GM opened the Circle by calling out the guests Rob and Mike to be welcomed.**

**Then, surprise surprise, the GM put the Hare on ice but not to thank him but to interrogate him about the bundle of Harriets paper found scattered on the floor just as the run started. He naturally claimed innocence as he said he was at the front and so it must have been one of his Cock- hares who dropped them. Nevertheless he was truly reprimanded by the GM.**

**The GM was just getting warmed up and as she glanced around the members her eye landed on.....Iceman – the new look Iceman and so young looking she couldn't resist sharing that look with the others!**

**Smiling Horse thought he had got off lightly the first time but the GM had him back on ice once again to question him about the wonderful, tasty food he had served that evening. He gave the praise to his wife who had prepared it and we all know how good her food is. So a welcome thanks from us.**

**A familiar face was also seen amongst the crowd but not one we had seen for sometime. Hence Whatever was asked to present her bum to the Ice and to be welcomed back after too long being MIA. Great to see you !**

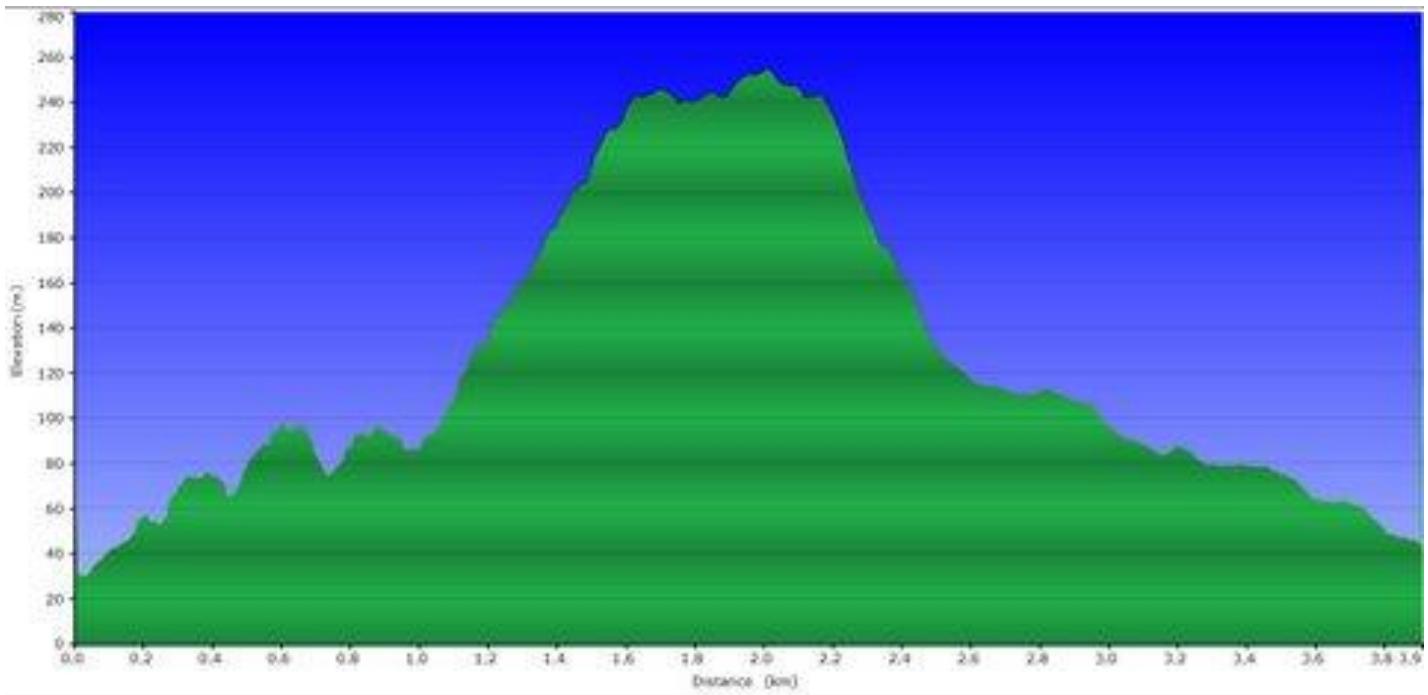

**Round 3 for Smiling Horse as the GM put him back on ice to receive the group's thanks for a very good and interesting run and great food. Many. Many Thanks.**

## Funnies

Two men are in a Doctor's office to get a vasectomy. The nurse asks both men to strip. She begins to masturbate the first man:

Man: "Why are you doing that?"

Nurse: "I have to vacate all the sperm in your system to have a clean procedure."

And with that she finishes him off, then gets down on her knees and starts giving the 2<sup>nd</sup> man oral sex and then proceeds to have sex with him.

Man 1: "Why is it that I get masturbated and he gets a blow job and sex?"

Nurse: "That Sir is the difference between Mediclaim and cash payment.....!!"
