## **Newsletter 2140**

### **Notes from the GM**

Leader Garden was wet as it had rained earlier and a light drizzle was still upon us as we got round to Whatever's run and the bunny herself didn't look too good as she was suffering from flu.

Alongside us were the FTAC getting their act together and even they had less numbers as CNY was but days away.

It looks as though Leader Garden is earmarked for the chopping block as our usual On In, up the steep bank, was now fenced off, which ran all the way down to the corner with the exception of one small gateway leading up to the Chinese Shrine.

As the members drove in it was clear it was not going to be a large pack this night. However the drizzle stopped and the run got underway but half an hour later it **POURED!!!** The Bunny then excused herself as she didn't want to get any worse but fortunately we were able to escape to one of the empty houses just opposite. It was a funny sight as FTAC were in one half of the semi-D and we were in the other half and a passerby asked if they belonged to the Hash!! Some late comers then arrived swelling the numbers to acceptable proportions, which was great to see since the rain was now coming down really hard.

I didn't run myself but I heard it was a straight forward run of **UP**, turn, **DOWN**. **BY 7.30** or so all were back, had their food and as the rain finally cleared we got the circle underway.

Gracie despite it all, it was a good night. We hope you are feeling much better and we thank you very much for the tremendous effort you made to make sure it was a successful evening, inspite of you being unwell.

## The Circle

**Our guests for the evening were Sheila @ Puki Toe or Sheila Majid and Leo @ Italiano. Unfortunately Leo has left by circle time.**

**Shirly and Marks and Spencer were then iced for talking in a foreign language. It turns out they both has Hakka origins and hence were busy chatting away when caught by the GM at circle time.**

**Mini Sausage was the asked to cool his bum as he returned from the run with blood coming from the stitches in his hand. He asked our resident nurse to check on it and then complained that our antibiotics needed to be current otherwise he would get an infection. WHIMP!!**

**Pussycat was next up as she has been MIA for some weeks but then she has had some surgery done and so has to protect her eyes.**

**Once started never stop! Seems to be Shirly's motto as she's iced once again for TALKING!!**

**The same as Bibi Tulips and Uncle Bee as they too were disruptive, by chatting away during Circle time.**

**The Bunny was ick and had gone home so a deserving Look-aOlike was chosen to receive the thanks and who better than Shirly who had been on ice twice before this evening. Many thanks Gracie for the true grit in even getting to the run-site in the first place. GET WELL SOON!**

**As the dice came to a stop, she jumped up and down and squealed. "Yes! Yes! I won, I won!"**

**She hugged each of the dealers, picked up her winnings and her clothes and quickly departed.**

**The dealers stared at each other dumbfounded.**
