Newsletter 2143

Notes from the GM

This is my last newsletter as GM for the current term and it has been an honour to serve in such a prestigious 40+ year old Club. I take this opportunity to thank all of you for such great support during the past year. I would also like to thank my standing Committee for all their work and to everyone who helped in whatever way with the organization of events and runs throughout the year. It has been a fun year with the biggest event being of course the 40th Anniversary Run in February 2012 which was a superb success, through to the Hash Ball we held in November which again was one of the biggest Hash Balls in Penang and was another great success. We may not hold a Ball every year but when we do, we certainly do it right!! Thank you one and all!!

The AGM is next week so please come along and have your say in who YOU want to run the Club for the coming year. Perhaps even YOU can do it!!

We had guests Benny, Melanie and Leo for Kim Looi's run at the Info Centre. As the bunny pointed towards the "On In" the pack trooped away and were soon lost from sight. Silent Man was in his usual role as sweeper and after checking that I would be OK, Akz Hole quickened his pace and set off to catch those ahead not to be seen again until I got back to the run-site. The trail was a familiar one with a few diversions here and there. The climb was steep and with there being no breeze at all and high humidity it certainly made you sweat a great deal. We exited on the Lemon Grass track and we turned right towards the "On Down" trail to Youth Park. Back at the run-site (and for once back in the light) the smell of good food awaited us and we were soon tucking into a lovely spread of chicken curry, Prawn, dhal, rice and papadums. The atmosphere was extremely relaxed and a nice easy circle followed. Many thanks Kim Looi for a lovely evening.

Of note, later in the evening 2 monkeys appeared. Set free by someone. They were obviously not native to these parts and looked almost baboon like. They also seemed quite domesticated as they pranced around and took food from the hand. Everyone thought they were very cute as they moved from car to car. The male though was quite aggressive and getting into the car later on he certainly showed his teeth at me through the windscreen as he sat on the roof of the car. He hopped off as I SLOWLY moved away. It was only on Saturday that I read with horror that they attacked a security guard in Jessleton causing him injuries. The male was captured and put to sleep while the female is still being sought. It goes to show that as much as we all thought they were very cute they can be dangerous. So beware!!

Funnies

Two bowling teams, one all blondes, one all brunettes, charter a double-decker bus for a weekend bowling tournament in Atlantic City.

The brunette team rides on the bottom level of the bus, the blonde team rides on the top level.

The brunette team, down below, is whooping it up and having a great time until one of them realizes she doesn't hear anything from the blondes upstairs, and she decides to investigate. When the brunette reaches the top, she finds the blonde team staring straight ahead at the road, frozen in fear, clutching the seats in front of them with white knuckles.

"What's going on up here?" asks the brunette. "We're having a great time downstairs!"

"Yeah," screams a terrified blonde, "but you've got a driver!"

One bright, beautiful Sunday morning, everyone in the tiny town of Johnstown got up early and went to the local church. Before the services started, the townspeople were sitting in their pews and talking about their lives, their families, etc.

Suddenly, the Devil himself appeared at the front of the congregation. Everyone started screaming and running for the front entrance, trampling each other in a frantic effort to get

away from evil incarnate.

Soon everyone was evacuated from the Church, except for one elderly gentleman who sat calmly in his pew, not moving, seemingly oblivious to the fact that God's ultimate enemy was in his presence. Now this confused Satan a bit, so he walked up to the man and said, "Don't you know who I am?"

The man replied, "Yep, sure do."

Satan asked, "Aren't you afraid of me?"

"Nope, sure ain't," said the man.

Satan was a little perturbed at this and queried, "Why aren't you afraid of me?"

The man calmly replied, "Been married to your sister for over 48 years."

A blonde is terribly overweight, so her doctor puts her on a diet. "I want you to eat regularly for 2 days, then skip a day, and repeat this procedure for 2 weeks. The next time I see you, you'll have lost at least 5 pounds."

When the blonde returned, she shocked the doctor by losing nearly 20 pounds. "Why, that's amazing!" the doctor said, "Did you follow my instructions?"

The blonde nodded, "I'll tell you though, I thought I was going to drop dead that 3rd day."

"From hunger, you mean?" asked the doctor.

"No, from all that skipping."

A man with a 25 inch long penis goes to his doctor to complain that he is having a problem with this cumbersome instrument and has had more than one complaint. "Doctor," he asked, in total frustration, "is there anything you can do for me?" The doctor replies, "Medically son, there is nothing I can do. But, I do know this witch who may be able to help you." So the doctor gives him directions to the witch.

The man calls upon the witch and relays his story. "Witch, my penis is 25 inches long and I need help. Can anything be done to help me? You are my only hope." The witch stares in amazement, scratches her head, and then replies, "I think I may be able to help you with your problem. Do this. Go deep into the forest. You will find a pond. In this pond, you will find a frog sitting on a log. This frog has magic. You say to frog, will you marry me? When the frog says no, you will find five inches less to your problem."

The man's face lit up and he dashed off into the forest. He called out to the frog, "Will you marry me?"

The frog looked at him dejectedly and replied, "NO."

The man looked down and suddenly his penis was 5 inches shorter. "WOW," he screamed out loud, "this is great!" But it was still too long at 20 inches, so he decided to ask the frog to marry him again. "Frog, will you marry me?" the guy shouted.

The frog rolled its eyes back in its head and screamed back, "NO!" The man felt another twitch in his penis, looked down, and it was another 5 inches shorter. The man laughed, "This is fantastic." He looked down at his penis again, 15 inches long, and reflected for a moment. Fifteen inches is still a monster, just a little less would be ideal. Grinning, he looked across the pond and yelled out, "Frog will you marry me?"

The frog looked back across the pond shaking its head, "How many times do I have to tell you? NO, NO, NO!"
