### GM's Note

We seem to be having January weather in March and it is soooo hot and humid. As the gathering pack complained, more voice was added as others arrived saying the same thing. With the announcements out of the way, the FRBs started jogging towards the On In through the open gate at the end of the road. The SLOW ones following behind as usual.

For some reason I was feeling very sluggish and heavy as I took every slow step. Akz Hole and Beauty Queen were kept continually waiting for me as I struggled up the pathway in the PBA area. AH walked on ahead and waited some more. With sweat blinding my eyes The General first and later Iceman overtook me as I had to stop to catch my breath. At this point I decided to turn back since I knew it was a long way up and was going to take me until the morning the rate I was travelling. Hailing Beauty Queen to pass on my return to the run-site to Akz Hole, I retraced my steps whilst the others went gallantly on.

The beginning and the end of the run were the same pathway (there is little choice now the area is fenced in!!) and by the time I returned the FRBs were already out and having their beers and 100+, it having taken them a mere 45-50mins to do the whole thing and me over an hour just to do a little!

By 7.30pm all were back except Ah Moe and our new member Mike Maguire. Fortunately they returned, not long after, by way of the road having gotten lost by following the wrong paper.

**White Lion served us delicious black pepper chicken, rice, veg and omelette which was quickly wolfed down by all. This was followed by our usual short circle.**

**Thanks Alex for a good run and great food. I also say arrivederci as you will have returned to Europe by the time I return from my own trip. See you later in the year. Ciao.**

**I'll see the rest of you towards the end of April. Au revoir!**

## **Burst for White Lion's Run**

### **Scribe: Speedhound/Anjalai**

As I was putting on my shoes the Gm called for circle. . Amy was saying there is still 2 minutes to go. Any way we manged to get into the circle before she could finish her announcements.

I moved towards White Lion to find out about the run. Long, Short, Medium as I had a junior guest. Had enough information off we went by the usual path. We had a short climb before we came to the opening and a short jog before another one up which was a good one. Then all the way back.

Generally had a great work out. Everybody was able to be back in day light enjoy the great food . Many Thanks WHITE LION. Sorry i need to stop here . The boy i m baby sitting is playing with water.

**On 7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago.**

**In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let Beauty Queen know if you would like to go!**

The Circle  
As usual we had a short circle  
First on ice were the Guests

Then the children needed cooling down.

The Hare and host of the evening

## **Funnies**

### Lesson 1: Naked Wife

A man is getting into the shower just as his wife is finishing up her shower when the doorbell rings. The wife quickly wraps herself in a towel and runs downstairs. When she opens the door, there stands Bob, the next door neighbor. Before she says a word, Bob says, "I'll give you \$800 to drop that towel." After thinking for a moment, the woman drops her towel and stands naked in front of Bob.

After a few seconds, Bob hands her \$800 dollars and leaves. The woman wraps back up in the towel and goes back upstairs. When she gets to the bathroom, her husband asks,...

"Who was that?" "It was Bob the next door neighbor," she replies.

"Great!" the husband says, "Did he say anything about the \$800 he owes me?"

### Moral of the story:

If you share critical information pertaining to credit and risk with your shareholders in time, you may be in a position to prevent avoidable exposure.

### Lesson 2:

A sales rep, an administration clerk, and the manager are walking to lunch when they find an antique oil lamp. They rub it and a Genie comes out. The Genie says, "I'll give each of you just one wish" "Me first! Me first!" says the administration clerk. "I want to be in the Bahamas, driving a speedboat, without a care in the world." Poof! She's gone. "Me next! Me next!" says the sales rep. "I want to be in Hawaii, relaxing on the beach with my personal masseuse, an endless supply of Pina Coladas and the love of my life." Poof! He's gone. "OK, you're up," the Genie says to the manager. The manager says, "I want those two back in the office after lunch."

Moral of the story: Always let your boss have the first say.
