On Sec's Note

In the circle at the beginning of the run we had several guests. Lesley and Poh Lin who are friends of Richard and Rose, two lovely young lads whose names I have forgotten(!) but were also introduced by Rose and Win who comes with Sai Seng

The circle was called to the sound of Tiny, thunder and lightning. Grandma said that the run starts at the Lily Pond, on pink paper. Taking the lead were Viking and Speedhound, but at the Lily Pond there were just two pieces of hash paper and these eager FRBs quickly turned back, guess the rest of the paper had been picked

up. Yours truly climbed the rope walk for a while but found no paper. Sounds from below, “call Money Manfred” (the sub-contractor), but there was no phone signal. Don't know what happened next coz I was still up there checking. On reaching the bottom all the other hounds had dispersed and weren't to be seen. Later it turned out no one went all the way on paper, some even settled for a Gardens walk. There was, however, a nearby hash highway up the hill, sometimes Brats triangular paper, sometimes Full Throttle, PH3, XDH3 and even next Saturday's Pi run. At the top was the pink paper of the day – on down on paper at last! A very wet, steep, slippy on down it was too.

At the Hash site all were soon back, coming in from every direction. Last in was Long Hair who got lost in the mist. Great food courtesy of Grandma. A fine evening was had by all, even the weather finally let up.

Many thanks Frank – brilliant job

On 7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago. In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let Beauty Queen know if you would like to go!

The Circle

As usual we had a short circle

First to be called were the Guests who were not iced but welcomed

Next Speedhound was iced because she had a birthday earlier in the week

Pussy Cat was iced for not running but coming for dinner!

Iceman was then called in because he took off like a bat out of hell towards 46 once we had established that we couldn't find the paper!

Tony was actually the contracted hare but because of his bad knee he passed the job on so he was iced for dereliction of duty and causing ensuing strife.

Funnies

Power of Charisma

A turkey was chatting with a bull "I would love to be able to get to the top of that tree," sighed the turkey, but I haven't got the energy." "Well, why don't you nibble on my droppings?" replied the bull. "They're packed with nutrients." The turkey pecked at a lump of dung and found that it gave him enough strength to reach the lowest branch of the tree. The next day, after eating some more dung, he reached the second branch. Finally after a fourth night, there he was proudly perched at the top of the tree. Soon he was spotted by a farmer, who shot the turkey out of the tree.

Moral of the story: Bullshit might get you to the top, but it won't keep you there.

A little bird was flying south for the winter. It was so cold the bird froze and fell to the ground into a large field. While he was lying there, a cow came by and dropped some dung on him. As the frozen bird lay there in the pile of cow dung, he began to realize how warm he was. The dung was actually thawing him out! He lay there all warm and happy, and soon began to sing for joy. A passing cat heard the bird singing and came to investigate. Following the sound, the cat discovered the bird under the pile of cow dung, and promptly dug him out and ate him.

Moral of the story:

1. Not everyone who shits on you is your enemy
2. Not everyone who gets you out of shit is your friend
3. And when you're in deep shit, it's best to keep your mouth shut !
