### **GM's Note**

Peggy @ Hair Do, had willingly taken over the date from another member who couldn't make it on that date and so she had us all gather at the Info Centre for the evening's run. Adrian and Lukas, our two young German guests, had already arrived as they had got a lift from Ah Nee and were looking forward to the run at yet another new venue for them.

As the hour approached, the members gathered but there was no sign of the "contracted" hare Sai Seng. As the pack grew restless and directions for the start voiced by various Hounds, he pulled up on his motorbike and just pointed in the direction of the On In and off we went the usual way.

As always I was towards the back with Silentman for company whilst even our usual companion Beauty Queen, decided to follow the new KING of the SCBs, Eddie Punk. The only people behind us then were Cheng @ Mem Sahib and Huge who were taking their own sweet time.

The run was the usual one of up and skirting towards Batu Gantong, before the long on up, past the higher of the two large viewing rocks, to the ridge and path coming from the Youth Park and the Lemongrass field, which was the way On Down. The run, however familiar, still gave a good workout and the rain of the previous day had settled the soil and made for easy climbing, even over the rocks.

We reached the run-site while it was still light but Huge and Cheng only appeared after it was dark, having enjoyed their slow climb and descent. By then the food was being

**devoured but thankfully the Bunny was keeping supplies for the slower runners as the soy sauce chicken, bitter melon, omelette and rice were going fast.**

**Our two young German guests only took 40 minutes to complete the run and were teased that they should have gone around again as they would still have come out before some of the pack!**

**So thanks to Peggy for taking over the date and providing a good run and great food!**

**Circle:**

- 1. The first icings for the evening were for the guests. Unfortunately Daivin (Speed Hound's nephew) had disappeared but Adrian and Lukas were still around and enjoyed the cooling!!**
- 2. GL Yeoh was presented with his 500 run goblet to commemorate his achievement. He has been a long time member but has been missing the last couple of years due to work commitments but it is nice to see him running regularly once more. Well Done on your 500<sup>th</sup>!!**
- 3. The last run of the month always sees us celebrate the birthdays of our members occurring that month. This month those present on the evening were Camel Toe, Pussycat and Viking.**
- 4. Next up was the Bunny who was sincerely thanked for a good run and great food. When the pack was asked about the run, Posh replied too many bees and pointed out that she had been stung. Being the only one who was, the GM put her on ice to cool the sting and to keep the Bunny company.**

**The circle was completed by Snow White who rendered several verses of the Hash song "On the Good Ship Venus" which was appreciated by all those present and especially our guests. It goes to show that we still have entertaining characters amongst us who can still remember and sing Hash Songs. Thanks Richard it was very good.**

**Next week it is Black German's (Kali) first set run with the Harriets but this long term Hasher knows all the tricks and will surely set a very interesting run. It is at the new construction site at Shamrock Beach, so turn left if you are coming from town. Kali also said that there may be a guard house but just to say you are going to the temple and they will let you through!**

**See you all there.**

**On On**

**PS: Remember we have to leave our run-sites clean and tidy, not only free of rubbish and bottles but of cigarette butts as well. Someone last week wasn't so careful and we had to clean up after them. Please do your bit and make sure YOU leave no rubbish lying around!! Thanks.**

**The Circle**

**The guests**

**This note is from Viking. He tried to send it just after his run but our mail box was full!**

"I would like to express my thanks to everybody who came and supported my birthday run, and made the day very memorable. Thanks to everyone who assisted me with practical things like the food, the T-shirt, logistics etc.- i.e. Cheah - and Sai Seng for cleaning up the place after us. Special thanks to Money Manfred who spend many hours with me in the jungle, doing the surveys and setting the run".

Viking

**The Evening**

**The Bunny and the host of the evening. Many thanks Hairdo**

**On 7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago. In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let Beauty Queen know if you would like to go!**
