## **NEWSLETTER 2158**

### **GM'S NOTE:**

Shirly Choo had changed her run-site at the last moment to the Info Centre but thankfully the Members were informed by the On Sec and quite a few turned up for the evening programme. There was no sign of the bunny however but Joey, her co-hare, emerged from the back of the building and told us the bunny was in the midst of exams and hence could not be there but he would officiate in her stead for the evening.

Adrian, fast becoming a usual guest, was in attendance once more and this week he brought along two female friends, Doreen and Marie for the run. Our old friend Rob came riding in like the Lone Ranger to make it 4 guests for the run.

We set off in the usual direction, up and left. Not long into the run and close by the back of the Jesselton housing, a homeowner appeared and warned us to keep to the boundary and not to cross over or else be shot on sight!!!! I remember Viking telling us the same warning last year when he encountered a similar homeowner. SO BEWARE when running in this area!!

The trail went to the right however and so we were safe. The trail brought us up to the 'lemongrass' route where Norjan, Beauty Queen, Cheng and Mother Hen took the shortcut home by turning right and down the track towards Youth Park. Silentman and I however decided to push on and follow paper. Up and up we went with the wind rising significantly and the rain began to pelt down with ferocious velocity. Branches and twigs began snapping off all around us and we could hear the very loud creaking of even larger branches as the wind howled with more than a few snapping off completely.

It was quite scary and I was thinking perhaps it would have been a good idea to have short-cutted this night! It was too late however and so Silentman and I pushed on as quickly as possible. We veered onto the long long On Down track and sped up once again, or as quickly as the slippery track would allow us. We passed Huge, saying there was still a long way to go but he was going s fast as he was able to at that point.

When we finally reached the run-site, food was already being served but the main talk was that the road to the Info Centre was now blocked by fallen trees. As the evening progressed more news of the havoc caused by the severe storm circulated as phones began ringing all around and the tragedy on Macalister Rd was heard. The way home was also difficult, as other roads were also blocked by fallen branches and in some cases complete trees being uprooted! A wild night indeed!

We had a short circle after the repast of Nasi Lemak and prawns provided by Joey and Durians from Frank and Cheng.

### **Hareline Changes,**

**Please note that through necessity the hareline for the end of August and early September has had to be changed. I hope this is OK with everyone and you don't mind the slight change of dates. Please check the hareline to see if your date has been changed.**

### **THE CIRCLE**

1. The guests were duly welcomed with the 'gentlemen' chivalrously sitting on the ice in place of the ladies.
2. Our very own Town Cryer, Goodyear was next on ice to fill in everyone of the latest storm news.
3. The last was Joey would wonderfully stood in for the Bunny and organized the evening's event on her behalf. Many thanks Joey for as job well done!

Next week the Hostess is Lynn Khoo and the venue Bkt Jambul upper ring road.

See you all there.

## THE PICTURES:

7th September the Ipoh Harriets are celebrating their 45th Anniversary. Penang Harriets have a great respect for them as they were the first to come and help us set up our own Club 41 years ago.

In recognition of this and to support them it would be great if many of us could attend. Perhaps we could even hire a bus if there were enough of us. Please let Beauty Queen know if you would like to go!
