### **GM'S NOTE:**

#### **Wednesday – Run Setting**

Some time ago Anjalai became aware that she was approaching 1000 runs and chose 8<sup>th</sup> August to celebrate it as it was a holiday. To make it special she wanted a 5pm start and a long and medium run, so with the Shop Lots being chosen and Money Manfred as her co-hare there was only one place to go for a long run.....The HAUNTED HOUSE. Mike was on holiday and was roped in to help set, as well as test out his ankle to see if it was capable of sustaining such a run. I went along too not only to keep an eye on him but to get some more needed exercise myself!!

Before we set off we discussed the route and the cutoff point to separate the long and medium runs. So we had a common beginning and end but a split in the middle. Off we went only to be stymied within 200 metres of the start as the usual way in/out was now barred by a new large and heavily padlocked gate. With no alternative we headed

along the road towards TAR College and the entrance to the farm area. Money led the way and went straight behind the first building instead of the usual right turn towards the quarry. Somewhere along the roadway we were joined by a very friendly and lively puppy who then followed us the whole way. Money started climbing and skirting and finding the way as we laid paper behind. Up we went, left we went. Up we went some more, right we went and so it continued. Soon we were behind and above the Wild Boar Farm and we could hear the many barking dogs. Mike was somewhat slow after his long lay off and Money and Anjalai went on ahead and were soon lost from sight. Fortunately the paper trail was good and easily followed.

Our fellow four-legged co-hare was chasing around like mad and we wondered if he was going to collapse or a turn back at some point but no, on he gambled like a new born lamb, here, there and everywhere. He definitely took a shine to Money and was following him wherever.

Suddenly we were on one of the usual tracks up to the Haunted House and we knew that we had quite a climb in front of us but on we slowly plodded up and up. A little later we could hear Money calling and before long we met both he and Anjalai waiting for us at the cutoff point.

Here we went left and Money, Anjalai and puppy went straight up towards the HH. Having another 365m to climb and another 1KM to reach the top, Mike and I were more than happy to set the medium run from here. Pink paper led the ones who wanted a shorter run, skirting across the terrain but then we still had a long On Up after crossing the stream. Mike was flagging a bit by this time and was slowly watching his step as we picked our way over some difficult ground but as we hit the top and reached the lower ridge we were able to take respite and soon made it out to the Hash Highway just above the turn to 46 and just, would you believe, as Money together with Rover the dog, arrived too!!! Anjalai was somewhat behind and so we waited as she caught up. Then it was all downhill from there along the Hash Highway until we took the second turn down towards home. With the gate being locked we hit back to the farm and then from there on to the runsite. We were tired by the time we got back but Rover was still bounding about and headed off home. Such is age for you!! Oh and four legs!!!

### **Thursday – Run Night**

We had 40 members and 10 invited guests from PiH2 who wanted to help celebrate Anjalai's run. About 45 mins after the pack had left, Helmut and Renata turned up with their grandson Dominic. Helmut thought he was early and Dominic was wanting to run and was disappointed when we explained the situation.

After an hour no-one was back and the guessing game of what time for the front runner began. However all failed as, after the requisite hour and a half, still no-one was back. It took almost 2 hours for the first runners doing the MEDIUM run to start trickling back in with complaints of it being a long run. Iceman did the long run and was back in about 2hrs 20mins but he had spent about 15 mins wondering around the housing estate!! A few others did the long run too and kudos to them. Sai Seng and Panda Bear were the last out at 8.30pm but they did start a bit later.

The food provide by the Bunny was varied, plentiful and delicious and the hashers were stuffing themselves when Cheng and Frank broke out the Durians and Chempadak for afters. What a feast!!!

It was a real party atmosphere which continued well into the night and during the icing too! Many thanks Anjalai for such good runs, gorgeous food, a lively evening and two crates of beer and to you all for coming to help her celebrate her 1000<sup>th</sup> run. What an achievement!

### **CIRCLE**

1. Our paying guests were Horse and Hazel but unfortunately they had gone by circle time. However Anjalai's PiH2 guests were duly welcomed.
2. Helmut was charged with not reading the newsletter closely enough and coming late to the run thereby disappointing his grandson. But to welcome him we asked Dominic to sit with Grandpa too.
3. The GM was iced next following a charge from one of our guest and an ex-GM of PiH2. Lim wanted to say about and to thank the GM for her great work with the Harriets and her continuing support of hash, not only in Penang but out-station too.
4. Toddy Tan was very surprised when he was called out. He was trying to hide himself behind a group of others when the GM struck. However his face turned to smiles when he was presented with his 200<sup>th</sup> run goblet.
5. Frank @ Pukka Sahib was rather nonchalant when the GM asked him to take the place of honour for his 200<sup>th</sup> run goblet too! Well done to the both of you.
6. The presentation were completed when Anjalai @ Speed Hound received her 1000<sup>th</sup> run tankard. Great achievement. Well done and keep on running!!

7. Charges from the floor saw Take Care charge Camel Toe @ Christine for talking too much during circle time..... Talk about the pot calling the kettle!
8. After recovering from his long run, Sai Seng was “cooled off” further and interrogated as to why he was so long in returning.....Panda Bear was slow he said.
9. The final icing for the evening was of course the Bunny of the Day, Speed Hound. With two runs, fantastic and plentiful food and a great atmosphere it was certainly a night to remember and we thanked her for it.

# **FUNNIES**

A man and a woman meet in an elevator. "Where are you heading today?" the man asks.

"I'm going down to give blood."

"How much do you get paid for giving blood?"

"About \$20."

"Wow," says the man, "I'm going up to donate sperm, and the sperm bank pays \$100." The woman angrily gets off the elevator.

The next day, the man and woman meet in the elevator again.

"Fancy meeting you again. Where you off to today?"

"Sperm bank," she says with her mouth full.

A guy walks into a bar with an alligator. It's about 10 feet long. The bartender flips out and says, "Hey buddy, you gotta get that son of a b\*tch outta here. It's going to bite one of my customers and I'm going to get sued."

The guy says, "No no no, it's a tame alligator. I'll prove it to you."

He picks up the alligator and puts it on the bar. Then he unzips his pants, pulls out his package and sticks it in the alligator's mouth. The alligator just keeps his mouth open. After about 5 minutes, he pulls it out of the alligator's mouth and zips up his pants and says, "See, I told you it was a tame alligator. Anybody else want to try it?"

The drunk down at the end of the bar says, "Yah, I'd like to try it but I don't think I can hold my mouth open that long!"

One day, Little Johnny saw his grandpa smoking his cigarettes. Little Johnny asked, "Grandpa, can I smoke some of your cigarettes?" His grandpa replied, "Can your penis reach your asshole?" "No", said Little Johnny. His grandpa replied, "Then you're not old enough."

The next day, Little Johnny saw his grandpa drinking beer. He asked, "Grandpa, can I drink some of your beer?" His grandpa replied, "Can your penis reach your asshole?" "No" said Little Johnny. "Then you're not old enough." his grandpa replied.

The next day, Little Johnny was eating cookies. His grandpa asked, "Can I have some of your cookies?" Little Johnny replied, "Can your penis reach your asshole?" His grandpa replied, "It most certainly can!" Little Johnny replied, "Then go f\*\*k yourself. These are my cookies!"

A girl came skipping home from school one day. "Mommy, Mommy," she yelled, "we were counting today, and all the other kids could only count to four, but I counted to 10. See? 1, 2, 3, 4, 5, 6, 7, 8, 9, 10!"

"Very good," said her mother.

"Is it because I'm blonde, Mommy?"

"Yes, it's because you're blonde," her mother replied.

The next day, the girl came skipping home from school. "Mommy, Mommy," she yelled, "we were saying the alphabet today, and all the other kids could only say it to D, but I said it to G. See? A, B, C, D, E, F, G!" "Very good," said her mother. "Is it because I'm blonde, Mommy?" "Yes, pumpkin, it's because you're blonde."

The next day the girl came skipping home from school. "Mommy, Mommy," she yelled, "we were in gym class today, and when we showered, all the other girls had flat chests, but I have these!" And she lifted her tank top to reveal a pair of 36Cs. "Very good," said her embarrassed mother. "Is it because I'm blonde, mommy?" "No, it's because you're 25."
