NEWSLETTER 2169

GM'S NOTE:

Our new member Norjan or Jan as she is referred to, wanted a beach run for her virgin set hash run. All the regular members were gathered along with guest Oliver, Stefanie, Melissa and Black Condom.

The run started at the beach and had all who were used to the jungle moaning as the soft sand worked the calf muscles. The first check broken the run/walk continued along the beach front and the quizzical eyes of the holiday crowd followed us and widened even more when we had our first beer stop. The second stop was at Park Royal was a treat from Lucas who presented Take Care with a full pint of Tiger to celebrate his birthday.

On we went but soon turned off the beach by the Golden Sands and met the FRBs coming the other way with drinks in their hands from yet another beer stop. We headed towards the Ferringhi Grill and there was Beauty Queen, Sai Seng and friends

manning the bar! After having to skip 10 times one was rewarded with a wonderful fruity but lethal cocktail (I heard later 3 different bottles of spirits was in it) and delicious samosas. After that we staggered our way back along the road towards the run site at Original 5.

By the time we arrived the numbers had significantly increased and the freshly grilled, chicken and sausage followed by lamb steaks was sending peoples salivary glands into overdrive with second and third helpings being consumed as soon as new plates appeared.

To top off the feast, Frank and Cheng brought durians once again and the feeding frenzy continued unabated until stomachs were groaning from the sheer volumes stacked away.

The circle got underway and once finished the party continued with music and dancing augmented with free beer from the bunny.

Finally I must say a very big thank you to Norjan @ Hot & Spicy for a fabulous evening and lots of free beer.

CIRCLE

1. Welcome the guests. Melissa (Australia) Black Condom (Penang) Stefani (Germany/Penang). Oliver had gone by this time.
2. A charge from the floor saw Speed Hound on ice for forgetting to pick up the bowls at her run a couple of weeks ago. Fortunately Money spotted them the next day and rescued them. He was suitably thanked by having to join SH on ice. As they say “No good deed goes unpunished”. But really well spotted Money and thank you.
3. A late arrival Rajan (a friend of Beauty Queen) was next on ice. He was so taken with the goings on and evening he became a MEMBER!! Welcome Rajan.
4. It was Take Care’s actual birthday and so he naturally had to be awarded the favourite seat. After that all the August born members joined in. Happy Birthday one and all.
5. Another charge from the floor by Mother Hen put Bibi Tulips on ice. The cause was returning to the run-site by motorbike instead of shanks pony! (by foot in other words!!) Bibi grassed on others she saw doing the same thing either hitching a ride or giving the ride and suddenly the ice was full.
6. Viking charged Bai Pass with neglect as the previous week he lost his glasses on the run and many were searching for them. This week Viking presented Bai Pass with a cord to attach to his glasses so as not to repeat the deed in future.

7. Experience is supposed to bring wisdom but apparently not in Cheng's case. Goodyear spotted (and who could miss them) Cheng's @ Mem Sahib new and very bright fluorescent shoes, with matching headband naturally!!
8. Beginning to warm up after her previous icing Bibi Tulips suddenly found herself back on the ice due to a charge from Take Care. He interrogated Bibi on the whereabouts of his missing shoe which disappeared when he himself was on ice. The ice water torture wasn't enough though to get Bibi to answer.
9. Kissingher and Kiss Me have been absent on their travels for around 4 months and had just returned, so a nice ice welcome back was duly in order. It was also Mark's 100th Run. Congratulations!
10. The band of "Norjan and the Run Setters" finally hit the ice to receive the members' thanks for a very different run, fantastic food and much free beer.

Then it was PARTY TIME!!!!

FUNNIES

There was this little boy who had no name. One day he went outside and heard someone say Jonny. He then tells his mother his first name would be Jonny. The second day he goes outside and hears the name Humper. So, he tells his mother his middle name was going to be Humper. The third day, Jonny goes out and hears the name Harder. Then, he tells his mother his full name shall be Jonny Humper Harder. Jonny goes out one day with handful of cookies. He sees this girl around his age and asks her if she would be willing to take off her shirt for a cookie. The little girls says that she would take off all her clothes for all of Jonny's cookies. Jonny gives her the cookies and the girl takes off all her clothes. Hours later, the town's people all run up to them in the middle of the street and they cry, "JONNY HUMPER HARDER"!!! Little Jonny yells, "I'M TRYING, I'M TRYING!!!!"

Little Johnny asks his mother her age.

She replies, "Gentlemen don't ask ladies that question."

Johnny then asks his mother how much she weighs.

Again his mother replies, "Gentlemen don't ask ladies that question."

The boy then asks, "Why did Daddy leave you?"

To this, the mother says, "You shouldn't ask that," and sends him to his room.

On the way, Johnny trips over his mother's purse. When he picks it up, her driver's license falls out.

Johnny runs back into the room. "I know all about you now. You are 36 years old, weigh 127 pounds and Daddy left you because you got an 'F' in sex!"

A guy walks into a bar and orders six shooters. The bartender says, "Looks like you are having a bad day."

The guy says, "Am I ever! I woke up late for work. On my way to work, I got in an accident. When I got to work, I was four hours late, so the boss fired me. To top it off, I came home to my wife screwing my best friend."

The bartender says, "What did you say to your wife?"

The guy says, "I told her to get out, and I never want to see her again."

The bartender says, "What did you say to your best friend?"

The guy says, "BAD DOG!"

A panda walks into a bar. He asks the bartender how he can get a little action for the night. The bartender motions to a young woman. She talks to the panda, and they go back to her place. After having sex, the panda abruptly leaves.

The next night, the woman goes to the panda's house. "You owe me money," she says. "For what?"

The woman rolls her eyes and explains, "I'm a prostitute."

The panda pulls out a dictionary and looks it up: "Prostitute: Has sex for money."

The panda says, "I don't have to pay you. I'm a panda -- look it up." She is about to protest when the bear hands her the dictionary.

The woman looks up "panda" in the dictionary. It says, "Panda: Eats bush and leaves."
