GM'S NOTE:

September 19thOur Lantern Run Day! It turned out to be a beautiful one with lovely weather, hence putting to rest our fears. Members and guests alike gathered at Bee Gallery in expectation and the FTAC were there too mingling with the crowd.

It was a busy time for the Committee getting things organized. The Kway Teow man needed to be set up at the side, the children needed to be herded to the games area and duly chaperoned and occupied. Kim Looi and Molly started with the lanterns as this year we decided not to have a torchlight run as we wanted guests to be back at the run-site before dark and not lost somewhere in the jungle. The T-shirts and registrations needed to be given out and recorded and all this in a half hour before the run started.

There were two runs this night. One set by the FTAC (the long run) and one set by the Harriets (the medium run), so hopefully there was a run to please most people. Most were back before dark which was to plan...thank goodness!

In the meantime the children's games were in action and they concluded with a short walk with their illuminated lanterns as the evening darkness descended. Such a lovely sight!

The food was in ample supply and all were seen eating until they could take no more. The line at the Kway Teow was long on times but it seemed the taste was so good people didn't mind waiting. With two types of fried rice, sandwiches, samosas, nuggets, cakes and fruits galore, there was a great choice.

There were 60 members who turned up and as many guests. With a great party atmosphere the noise was high and the laughter loud. Coupled with the flowing beer it was another great night to remember.

On behalf of the Club I wish to thank the Committee for their untiring work and combined efforts. Our thanks also go to all those individuals who helped out or contributed selflessly. I have made a list which is below. I would like to thank the FTAC for being generous in setting the long run and to Sai Seng and Kelvin for setting the medium run. Last but by no means least the evening would not have been the success it was without both members and guest turning out in full support. Thank you all.

CIRCLE:

As always we wanted to have a quick circle but the noise levels was so high that it took rather longer than usual but we had fun!!

1. We welcomed the guests of course.
2. Gordon @ Smiling Tiger was called out by the GM to thank him for the great design on the T-shirt.
3. Mum Mum from PJ Animals was given a customary welcome. He was a guest of Rajan who was also asked to sit. This proved interesting as a bag of ice was placed on MM's lap first on which Rajan then sat and another bag of ice put on his lap!!
4. A charge from the floor by Rough Rider saw the GM take to the ice. His charge was the GM did not wear the evening t-shirt!!
5. Our hardworking Committee were then given gracious thanks for their hard work. Someone showed compassion as they didn't get to sit on ice.
6. The children were fascinated by all the goings on and wanted to have a go at sitting on ice. Their request was duly granted and an experience gained.
7. Our master run setter and his co-hare were next thanked for setting a good run of just the right length and difficulty on such an evening. Many thanks Sai Seng and Kelvin.
Unfortunately the FTAC GM didn't come to our circle, so the GM went to theirs and thank all for attending and setting the run.

With that the circle was closed and the merriment continued until late into the evening. A great night!!

It must have been a good night as one of our guests became a member. We therefore welcome Joanne Low to our Hash family and long may she run with us. Welcome Joanne.

FUNNIES

A little boy was found crying in a supermarket. When asked what was wrong, he told the security guy that he had lost his mum.

“What does she look like?” asked the security guy
“I don’t know” sobbed the boy.

A moment later his mother came down the aisle.
