RUN SITE- INFO CENTRE- YOUTH PARK

I felt like death warmed up because I had a bout of the foulest flu and was considering doing a minor walk but the circle was called and Nisha and another lady whose name I didn't get were introduced and then the Bunny – Fancy Panties - told us it was a short to medium run so I told myself to get my act together and get on with it!

We went hurtling off towards the stables and then down to the left as usual. But as we were about to clamber over the rocks it was obvious there was no paper so we about turned. By Pass told us we were idiots as there was a check around the tree that nobody had seen.-except of course the observant doc.

Take Care and a few others immediately went up the hill as this made good hash sense. By Pass was saying it couldn't be over the river as there were houses on the other side. The rest of us were vaguely milling around waiting for some bright spark to do something. Then I remembered Good Year's sense of humour and started to go back – Hugh was still there saying he could hear someone calling and sure enough there was Good Year laughing his head off.

So we did a bit of the Youth Park and then entered the drain which was exceedingly slippery. Then paper went up at one point and as I wasn't feeling my brightest I went up too but most hashers had the sense to stay where they were.

Eventually we came out into Jessleton and ran up the road and then down to the left and up again and at last we entered the jungle and the real run started! Although it is a good run, it is quite challenging with bits of rock to haul yourself over, the hill to climb and then that narrow passage under the rocks at the top to slither through.

At one point I did realise that the 'short' mentioned was obviously for encouragement but it was far too late to do anything but soldier on!

There was a great run in but I don't think many hashers would have appreciated it as it was already getting dark when we did it.

CIRCLE:

1. Our guests for the evening, Nisha and..... were duly welcomed and as Nisha is a seasoned hasher she gallantly sat on the ice. Nice to see you Nisha – try to come more often.
2. Helmut was asked to stand in the circle and we welcomed him back after his recent bout of fever.
3. Ma and Big Willy were charged with being missing in action and great to see them back in Penang.
4. Good Year was charged because Tiny was sick and in need of beautiful vistas to buck her spirits and he'd taken her down a drain!
5. Nisha Was charged by Good year as being a brilliant hasher. She had so enjoyed the run that if he'd asked her to do a second round she would have – Unlike us whinging poms!!!!the sweat!
6. Huge was charged by Good Year because he was seen crying! Good year thought he was crying because he'd lost Tiny but his defense was that actually he was mopping
7. Lastly, the Bunny – Fancy Panties was charged but her cohares were asked to come in and support her. It was deemed a good run, brilliant food, fantastic location and yet another brilliant Thursday evening!

With that the circle was closed and social drinking proceeded.

FUNNIES

Slot machine winner

A dumb blonde was standing in front of a soda machine outside of a local store. After putting in sixty cents, a root beer pops out of the machine. She set it on the ground, puts sixty more cents into the machine, and pushes another button; suddenly, a coke comes out the machine!

She continued to do this until a man waiting to use the machine became impatient. "Excuse me, can I get my soda and then you can go back to whatever stupid thing you are doing?"

The blonde turns around and says, "Yeah right! I'm not giving up this machine while I'm still winning!"
